(ECHOING VOICE) LIGHTNING HELIX!

Lincoln fired blue helix energy blasts with lightning which hit and pierced The Three Girls Gang right in the chest and impaled their hearts and killed them, and they were sent to The Black Abyss. We cheered as we holstered our weapons and powered down and returned home to The World Tree Estate and Lincoln took Ataru Moroboshi in and put him in his intense boot camp and intense rehab.

Nico: And that's that for those three brats!

Me: You said it. When I catch the no-good lowlife who freed them from their prison, he's dead.

Lincoln: Get in line, J.D., I call first dibs on the lowlife when we do catch him.

?: And we will, the second we do, he's finished.

Then, we saw a beautiful girl who was tall at 250'11" in height, she has the body of a goddess and large breasts, long marine blue hair with marine blue flower in her hair, blue eyes, massive blue angel wings, she has The Ice Barrier Frost Masters of Loyalty symbol on her right arm and the pendant on her necklace, The Ice Barrier Crest on her forehead, and Caravan of the Ice Barrier on her marine blue skirt, marine blue short-sleeved blouse, ice blue sleeveless midriff top with Caravan of the Ice Barrier on it, marine blue bridal gloves, marine blue stockings, marine blue knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, snow, ice, snowflakes, ice crystals, phoenixes, and angels on the coattails, and on the back is Caravan of the Ice Barrier, and she has an ice greatsword and with her are the four girls.

Lincoln: (Gasps) Chione Frostine, Avatar and Gene-Slammer of Caravan of the Ice Barrier.

Chione Frostine: That's right, and I got the girls away from those three bitches, and I caught what you did beating Ataru Moroboshi into the dirt.

Nico: And of course, biting him on the right trapezius by accident, and caused him to transform.

Me: But, Lincoln's going to put him through Hell with his new program.

Lincoln: It'll take weeks, but by then, he'll be reformed and made a new man after that. (To Chione Frostine) And it's so good to see you again, Chione.

Chione Frostine: You too, Lincoln, it's been eight years since we last met, but wow, you've really grown that much.

Suddenly, Chione Frostine had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Chione Frostine was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent)(Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Chione Frostine: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Chione Frostine's waist and hugged her, and Chione Frostine was very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, thick brown goatee on his chin, fine hair on his

massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you two since you were seventeen, and as you can see, I really grew a lot since then.

Chione Frostine: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 950'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath your enormous white angel wings, that's so awesome, and the large brown wolf ears on your head and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with

gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same true immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Anna Anyanova: And so do we, this is Chione Frostine, Avatar and Gene-Slammer of Caravan of the Ice Barrier, she's Lincoln's Guardian Angel from New York, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Caravan of the Ice Barrier. She's The Ice Cryomancer of The Ice Barrier Frost Masters of Loyalty, a group of loyal girls who are the Avatars and Gene-Slammers of The Ice Barrier Duel Monsters and they're born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and their goal is to protect and defend Lincoln from his enemies, and they are the most loyal of Lincoln's Guardian Angels, and they would never ever betray Lincoln, his friends, and his family, nor their own, and they hate people who betray others for their own personal gain, and they've punished Lori, Lynn, Lola, Lisa, and Luan in the most fiercest way possible many times for their treacherous actions and murderous schemes against Lincoln. Chione Frostine moved to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Caravan of the Ice Barrier, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Cryokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Caravan of the Ice Barrier, and Lincoln was already born with immortality and invincibility, and she also helped him grow and seriously bulk up in muscle mass and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Lincoln made her an ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lana, Alexis, and May a lot in using the powers of ice, and Chione Frostine hated Lola with a passion, and she swore if that little pageant she-demon tried to kill Lincoln again, she would freeze her soul and shatter her body into pieces.

Me: Amihan explained everything about your story, and I knew Lola pissed you off.

Chione Frostine: Between her callous arrogant attitude, her blackmailing anyone to get her way, and her violent temper tantrums and wrath, I was that close to murdering her!

Luna: By freezing her to death and shattering her into a million pieces.

Lincoln: Lola was really pushing her luck when trying to piss everyone off, and we warned her one of these days, she was gonna get knocked off her throne, and now that you're here, Chione.

Lincoln with his massive muscular arms still wrapped around Chione Frostine's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Chione Frostine: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Chione Frostine with marine blue gems on the gold lightning bolts and marine blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental

Thunderbird Choker of Eternal Love on her neck and a rainbow Thunderbird wedding ring on her left pinkie.

Chione Frostine: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Chione Frostine.

Chione Frostine had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Chione Frostine's waist, and he leaned down to her face and kissed her on the lips, and with Chione Frostine's hands still on his massive hairy pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Chione Frostine had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Chione Frostine: (In Heaven) My God. Oh, Lincoln, tell the guys to run to their rooms, the four girls I rescued are...!

Red Savarin and Travis Tackett: GUYS, YOU KNOW THE SIGNAL! MOVE!

Chione Frostine: HOLD...! (Saw us gone) It!

We ran into our rooms leaving Lincoln, Nicole, and his harem, then they went up to the four girls, and when Lincoln saw them, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the four girls are Luo Su, Yaoyao Li, Xi Su, and Luo Lu from The Demonic King Who Chases His Wife.

Lincoln: Oh whoa, it's Luo Su, Yaoyao Li, Xi Su, and Luo Lu from The Demonic King Who Chases His Wife.

Nicole: Sometimes, I wished the guys didn't run, but I know why, these girls are cute.

Lincoln: But, they're also targets for perverts and those who want to kill them and spill their blood. Are you girls okay?

Luo Su: Yes, we're okay thanks to you.

Then, when Luo Su and the other three girls saw who it was that saved them from The Three Girls Gang, their faces turned atomic red and their noses gushed out blood upon seeing the 950'11" tall, handsome heartthrob hulking wolfman with abnormally massive and powerful upper and lower body muscles covered in warm brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy Luo Su: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Luo Su: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Luo Su, Yaoyao Li, Xi Su, and Luo Lu with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: And that's it for those three bitches.

May: Honestly, those three heartless bitches just don't know when to give up.

Lincoln: They didn't deserve to live again, and if keeping them trapped in The Book of Vile Darkness wasn't going to work, there was only one thing that'll deal with them forever.

?: And that's banishing them to The Black Abyss forever.

Suddenly, we saw a beautiful girl who was tall at 250'11" in height, she has the body of a goddess and large breasts, tanned skin, long green hair, green eyes, green angel wings, she has a nature greatsword in her right hand, and she has on a green two-piece bikini.

Lincoln: (GASPS) Eldrana Yggdrasilliaira, Queen of the Yggdrasilliairans of Planet Yggdrasilliaira.

Nico: No way, the only Yggdrasilliairan that only you know, Lincoln.

Lincoln: That's right.

Anna Anyanova: And we also know her too, this is Eldrana Yggdrasilliaira, Queen of the Yggdrasilliairans of Planet Yggdrasilliaira, Yggdrasilliaira, a planet of eternal forests, divine trees, and spiritual energy and with a massive World Tree overflowing with life and protected by powerful omnipotent angels known as The Yggdrasilliairans, the males who'd spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born nature-born fighters, but they also had vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of divine energy, nature, life, soulbinding, healing, elemental spirits, forests, trees, life force, sacred vines, and the immense omnipotent powers of the World Tree times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, she's The Queen of The Yggdrasilliairans, and she's also far more powerful than her own people: in addition to being a a natural-born nature-born warrior and having vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of divine energy, nature, life, soulbinding, healing, elemental spirits, forests, trees, life force, sacred vines, and the immense omnipotent powers of the World Tree times infinity, and the ability to grow stronger, but she was also born with radiant angel wings, vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of divine energy, nature, life, soulbinding, healing, elemental spirits, forests, trees, life force, sacred vines, and the immense omnipotent powers of the World Tree times infinity, and the ability to grow stronger, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the males and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the male Yggdrasilliairans into his body gaining vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of divine energy, nature, life, soulbinding, healing, elemental spirits, forests, trees, life force, sacred vines, and the immense omnipotent powers of the World Tree times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb Yggdrasilliaira, its World Tree, and its core into his body and Yggdrasilliaira's Sun into his body to preserve their legacy. Elandra Yggdrasilliaira came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the immense powers of immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of divine energy, nature, life, soulbinding, healing, elemental spirits, forests, trees, life force, sacred vines, and the immense omnipotent powers of the World Tree times infinity, and all the powers of her people, and over time, Lincoln gained even more immense superhuman strength, immense regeneration, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense omnipotent powers of divine energy, nature, life, soulbinding, healing, elemental spirits, forests, trees, life force, sacred vines, and the immense omnipotent powers of the World Tree times infinity, and all the powers of The Yggdrasilliairans times infinity, and he was already born with immortality and invincibility and his powers also grew infinite-times stronger, and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility and male fertility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln had undergone the rite of The Reincarnation of Amaterasu absorbing the septillions of trillions of male Yggdrasilliairans gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of divine energy, nature, life, soulbinding, healing, elemental spirits, forests, trees, life force, sacred vines, and the immense omnipotent powers of the World Tree times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, and finally, Lincoln absorbing Yggdrasilliaira and its core and Yggdrasilliaira's Sun into his body to preserve their legacy. Lincoln made her an awesome nature greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a blazing passion, and she swore to entangle them in eternal vines and break them with the wrath of Yggdrasilliaira.

Me: That's incredible.

Elandra Yggdrasilliaira: Thanks, and I know last night, Lincoln had undergone the rite of absorbing the septillions of trillions of male Yggdrasilliairans along with my father into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of divine energy, nature, life, soulbinding, healing, elemental spirits, forests, trees, life force, sacred vines, and the immense omnipotent powers of the World Tree times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, and absorbed Yggdrasilliaira and its core and its massive Sun into his body to preserve their legacy.

Arpina Infernaira: That's right, and Yggdrasilliaira's World Tree's merged with The World Tree Estate.

Me: Along with the sacred groves after Lincoln restored them, and you also included immense virility and fertility as well? That means...!

Elandra Yggdrasilliaira: We knew Lincoln's quite the virile stud since he was born with hyperpuberty, and the genes of his parents and his own extremely high virility, fertility, testosterone, extreme levels of libido, and excessive sex drive, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes and constant years of training, he gained the powerful and massive body that all bodybuilders could only dream of: the body of all the male Gods and the ancient male warriors of ancient times and bodybuilders of history combined, and that along with his personality, gentleman nature, and noble heart, he'd attracted tons of girls, and every lovemaking session he has with his harem, his future wives winds up getting impregnated by him in less than a second, and it doesn't take long for the effects of pregnancy to kick in, which are much faster than ever.

Rita: We had no idea about it before. But, during Lincoln's check-ups with Dr. Feinstein, he did show us all of what you just told us.

Nico: Wow...!

Elandra Yggdrasilliaira: I know that shocked you all especially Regina's journal about Lincoln's health reports, but everything I told you is all true, and it's good to see you again, Lincoln, but wow, you've really grown a lot in height and muscle mass since last I saw you.

Suddenly, Lincoln pinned Elandra Yggdrasilliaira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,9

99,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Elandra Yggdrasilliaira with green gems on the gold lightning bolts and green crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up as he sat on the couch and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

But, then, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Eli: What's this?! Lincoln's power is rising even more.

Elandra Yggdrasilliaira: That's my special gift to him: Yggdrasilliaira's Blessing of Divine Sacred World Tree Power Justice, and each Forbidden Zone Planet Queen have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 950'11" extremely tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs with enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Elandra Yggdrasilliaira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Yggdrasilliairans both male and female are extremely passionate when it came to sex and lovemaking.

Lily the Mermaid: Ooh boy.

After Lincoln and all of us killed The Three Girls Gang and sent them to The Black Abyss forever and Lincoln beat Ataru Moroboshi to a pulp and took him in, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well and we were really sweating up a storm, and when Chione Frostine saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and he was sweating up a storm, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Chione Frostine: My God, I was right that Lincoln's really grown into a 950'11" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 999 septillion-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Chione, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Chione Frostine: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Chione Frostine: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my 999,999,999,999,999,999,999,999,999,999,999,999,999,9

We also saw Ataru Moroboshi doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous brown angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large brown angel wings underneath his enormous brown angel wings and he was sweating up a storm, and he was really being put through a brutal training.

Lincoln: This'll be what you'll be doing during your extreme boot camp and intense rehab, Ataru, after that, you'll be doing 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 laps all over Earth Omega.

Jiraiya: I don't believe this, he's gonna break him! I'm not gonna stand for it!

Lincoln summoned Chakra Chains and restrained Jiraiya and the other perverts on our team.

Lincoln: Nice try, but I was prepared for that! Ed! Do you have something to say to them?!

Ed Cowart: Yes, I do!

Then, Ed Cowart glared at Jiraiya and the other perverts on our team.

Ed Cowart: Alright, listen up, you motherfucking perverted dirtbags! I alongside Lincoln and The Anti-Pervert Patrol have a Zero Tolerance policy against perverts that dare to disrupt this very boot camp! You fucking fruit-sucking fucktards better not fuck up the boot camp or I will kick your stupid perverted asses so hard, you'll be sitting on ice for a fucking year! In fact, I will personally mail your asses to Australia where you'll be feeding mosquitoes for a month! And above all else, should you even dare raise a complaint against Lincoln's extreme boot camp, and if you so much as look at those in the harems such as mine, J.D.'s, Nico's, or even Lincoln's or dare try to destroy the boot camp, Lincoln, The Anti-Pervert Patrol, and I will be kicking your asses so hard, that only footprints will be on your asses! In fact, if you even think about raising a complaint, I'll know and the penalty is me kicking your asses!

THEY SCREAMED IN ABSOLUTE HORROR!

Nicole: That should shut them up for a while!

Sakura Haruno: Especially with a threat like that! But, I got a feeling they'll try to do something real stupid in trying to destroy the boot camp.

Lincoln: The second they do, they're in big trouble.

Suddenly, the alarm sounded, and when Lincoln checked the computer, he saw what it was that'd triggered the alarm, we saw hired thugs of S.U.S.P.E.N.S.E., and they're causing havoc at The Howard Resort.

Rio: (Gasps) The Resort is being attacked, but who are those men?!

Nico: Those are hired thugs of a terrorist group known as S.U.S.P.E.N.S.E., I can guess the Millers found out about what happened with Dr. Linnaeus getting killed months ago, and now, they want revenge.

Lincoln: No way, come on, let's get them!

We headed to The Howard Resort, and it was a really awesome place, and then, we saw the thugs of S.U.S.P.E.N.S.E., and as soon as they saw us, they started charging like angry bulls!

Rio: You're gonna pay for wrecking our resort and the casino.

Rio threw her playing cards like kunai, and slashed some of the thugs hard.

Setsuna: Nice one, Ms. Rio.

Suddenly, Setsuna's massive True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Eternal Cosmic Star Inferno Blue Fire Wind Divine Noble Royalty Wind Inferno Seven Stars Phoenix Fire Storm Fury Fiery Justice Noble Fox Beast True Seraphim God Phoenix God Archangel Greatsword of True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Eternal Cosmic Star Inferno Blue Fire Wind Divine Noble Royalty Wind Inferno Seven Stars Phoenix Fire Storm Fury Fiery Justice Noble Fox Beast True Seraphim God Phoenix God Archangel Justice started glowing with blue energy and magical energy as it grew to 3,900'11" in length with embedded cyan blue gems and seven colored gems arranged like the gems on The Seven Stars Sword and The Kusanagi Sword from Toukaiden and The Elements of Harmony of Sunny Starscout and her friends and a fox etched on the 3,800'11" massive, hulking, wide, double-edged gold blade, large gold fox heads with cyan blue gems for eyes for the crossguard, large white angel faces built into both sides of the crossguard and large cyan blue gems embedded in their foreheads and surrounding the white angel faces are the Elements of Harmony and the Unity Stones on top of the Element of the Magic of Friendship, long 100'11" midnight black handle, four large gold fox heads with cyan blue gems for eyes and on the bottom of the large gold wolf heads is a large gold fox head with cyan blue gems for eyes and cyan blue gem in its mouth and cyan blue fur tassel for the pommel.

Setsuna fired powerful blue energy slashes and blue magical blasts with slashes of his newly evolved massive blade which hit more thugs and killed them.

Setsuna: Now, get out of here and don't you dare come back!

S.U.S.P.E.N.S.E. Thug: Screw you! Get him!

The remaining thugs bellowed like bulls and charged at Setsuna, but they got cut down and slashed into pieces by Setsuna. Then, we returned home to The World Tree Estate.

Setsuna: Those thugs have absolutely no manners at all, did they do any sort of...?

Lincoln: They did, but I used my powers to fix the resort and the casino.

Aria Yamamoto Zero-One: I swear, one day, I am gonna find the Miller Family and bring down all of S.U.S.P.E.N.S.E. and bring them to justice and executed for unethical experiments. I still have all the info on them.

Nico: When we get after them, we'll make sure they get sentenced to death for all their crimes.

Lincoln: We already took care of Dr. Linnaeus, now all that's left are her former associates.

We got a shower, and then, Lincoln, Kyoko Hayashi, Sugarfly Cookie, Crimson Coral Cookie, Mystic Opal Cookie, Golden Citrine Cookie, Aquamarine Cookie, Rainbow Sherbet Cookie, and Witchberry Cookie are heading to Miyako Island in Japan, and joining them are the rest of his harem.

Lincoln snapped his fingers, and the 950'11", handsome and extremely muscular wolfman had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Kyoko Hayashi, Sugarfly Cookie, Crimson Coral Cookie, Mystic Opal Cookie, Golden Citrine Cookie, Aquamarine Cookie, Rainbow Sherbet Cookie, and Witchberry Cookie and the rest of Lincoln's harem were dressed in colored two-piece bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Kyoko Hayashi, Sugarfly Cookie, Crimson Coral Cookie, Mystic Opal Cookie, Golden Citrine Cookie, Aquamarine Cookie, Rainbow Sherbet Cookie, and Witchberry Cookie had feelings for Lincoln, and Lincoln also had feelings for them too, and he saved them from a group of musclebound thugs and he sucked out all of their muscle mass, virility, testosterone, strength, and energy which killed them all, and Lincoln brought Kyoko Hayashi back from the dead.

Kyoko Hayashi: Wow, we're here in Miyako Island, it's so beautiful.

Lincoln: You said it, Kyoko, and it's perfect for our first date. Shall we?

Lincoln, Kyoko Hayashi, Sugarfly Cookie, Crimson Coral Cookie, Mystic Opal Cookie, Golden Citrine Cookie, Aquamarine Cookie, Rainbow Sherbet Cookie, and Witchberry Cookie and the rest of his harem dived into the waters and they began swimming and they also saw the marine life living there, and then, they came back to the beach, and Kyoko Hayashi, Sugarfly Cookie, Crimson Coral Cookie, Mystic Opal Cookie, Golden Citrine Cookie, Aquamarine Cookie, Rainbow Sherbet Cookie, and Witchberry Cookie and the rest of his harem also gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, Lincoln did the same thing giving Kyoko Hayashi, Sugarfly Cookie, Crimson Coral Cookie, Mystic Opal Cookie, Golden Citrine Cookie, Aquamarine Cookie, Rainbow Sherbet Cookie, and Witchberry Cookie and the rest of his harem a deep tissue massage, and when he was done with that, they were relaxed. Then, they had an awesome game of volleyball, and they went to a workout area Lincoln created, and Kyoko Hayashi, Sugarfly Cookie, Crimson Coral Cookie, Mystic Opal Cookie, Golden Citrine Cookie, Aquamarine Cookie, Rainbow Sherbet Cookie, and Witchberry Cookie and the rest of Lincoln's harem got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift massive 999 Septillion ton-lb barbells Lincoln summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his extremely massive muscles.

Lily the Mermaid: (Swooning) My God, Linky's still such a handsome and manly wolfman hunk.

Suddenly, they saw The Azure Dragons, the main antagonist from Heroes of Might, coming after them.

Anna Anyanova: Oh no, The Azure Dragons.

Lincoln: What the?! I got them.

Lincoln went after The Azure Dragons and he morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of The

Azure Dragons and he began absorbing them and he assimilated The Azure Dragons' Blue Fire, Fiery Breath, Flight, Immense Durability, Immense Strength, Magic immunity, and Speed, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH! (WOLF ROAR)

Then, when Lincoln was done and the stingers changed back, Lincoln's rainbow, white, golden yellow, and blue energy aura flared up even more with elements around him and Lincoln sucked out the last of The Blue Dragons' energy and he sent them to The Black Abyss, and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and fire exploded out of his massive biceps and muscles and he generated wind gusts from his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and cooled down his harem.

Then, they had some lunch, and then, as the sun was about to set, Lincoln went up to Kyoko Hayashi, Sugarfly Cookie, Crimson Coral Cookie, Mystic Opal Cookie, Golden Citrine Cookie, Aquamarine Cookie, Rainbow Sherbet Cookie, and Witchberry Cookie and the rest of his harem and he hugged them in his abnormally massive and powerful muscular arms, and Kyoko Hayashi, Sugarfly Cookie, Crimson Coral Cookie, Mystic Opal Cookie, Golden Citrine Cookie, Aquamarine Cookie, Rainbow Sherbet Cookie, and Witchberry Cookie and the rest of his harem placed their hands on Lincoln's massive hairy pecs, but Lincoln wasn't done.

Then, Kyoko Hayashi, Sugarfly Cookie, Crimson Coral Cookie, Mystic Opal Cookie, Golden Citrine Cookie, Aquamarine Cookie, Rainbow Sherbet Cookie, and Witchberry Cookie and the rest of his harem were lying down on a massive beach towel with Lincoln on top of Kyoko Hayashi, Sugarfly Cookie, Crimson Coral Cookie, Mystic Opal Cookie, Golden Citrine Cookie, Aquamarine Cookie, Rainbow Sherbet Cookie, and Witchberry Cookie and the rest of his harem.

And then, Lincoln shared a passionate and romantic kiss with Kyoko Hayashi, Sugarfly Cookie, Crimson Coral Cookie, Mystic Opal Cookie, Golden Citrine Cookie, Aquamarine Cookie, Rainbow Sherbet Cookie, and Witchberry Cookie and the rest of his harem and Lincoln slowly sank his fangs into their right trapeziuses and he began feeding on the blood of Kyoko Hayashi, Sugarfly Cookie, Crimson Coral Cookie, Mystic Opal Cookie, Golden Citrine Cookie, Aquamarine Cookie, Rainbow Sherbet Cookie, and Witchberry Cookie and the rest of his harem, and Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,9

99,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln and I slowly unlatched our fangs from the right trapeziuses of our harems as they healed and the puncture marks sealed up, and we also kissed where we bit them. We came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Nico: (Whistles) Wow, it looks like you really had a good time at Miyako Island, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Kyoko Hayashi, Sugarfly Cookie, Crimson Coral Cookie, Mystic Opal Cookie, Golden Citrine Cookie, Aquamarine Cookie, Rainbow Sherbet Cookie, and Witchberry Cookie with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Thunderbird Chokers of Eternal Love appearing on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Lily the Mermaid: And now, Kyoko Hayashi, Sugarfly Cookie, Crimson Coral Cookie, Mystic Opal Cookie, Golden Citrine Cookie, Aquamarine Cookie, Rainbow Sherbet Cookie, and Witchberry Cookie are in your harem, Linky.

Kyoko Hayashi, Sugarfly Cookie, Crimson Coral Cookie, Mystic Opal Cookie, Golden Citrine Cookie, Aquamarine Cookie, Rainbow Sherbet Cookie, and Witchberry Cookie showed the marks on their right trapeziuses Lincoln made.

Jenna: We had trouble though.

Lincoln: Unfortunately, we did. The Azure Dragons from Heroes of Might and Magic came after us!

EVERYONE GASPED!

Nico: Oh shit!

Lincoln: Don't worry, I used my Cell stingers and absorbed them and assimilated all of their powers and abilities, and I sucked out the last of their energy and sent them to The Black Abyss.

Me: Smart move.

Lily the Mermaid: But, our date went smoothly, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted massive 999 septillion ton-lb barbells he summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous angel wings had spread out and they generated a cool breeze cooling us down and fire and wind exploded from his massive biceps and muscles.

Serena Logan: Lincoln really got that confident and bold, we really made him into a really strong and powerful manly wolfman.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know, we made a clone of that mutant.

Lincoln: That's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous white angel wings.

Same with Super Brother doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing

yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous white angel wings.

Lincoln: We don't have long before our next mission starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift an extremely mountain-sized massive 999-septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Me: You guys have fun.

Poromon: We will.

The doorbell rang.

Me: Come in.

In came a woman that Takato and Jeri knew.

Takato: Ms. Asagi?

Jeri: Wow it's good to see you.

Nami Asagi: Takato and Jeri, I was so worried about you.

Me: Are you Takato and Jeri's teacher?

Nami Asagi: I certainly am. I'm Nami Asagi and Kazu, Kenta, Jeri and Takato are some of my students in my school.

Me: Oh pleasure to meet you.

Nami Asagi: You too. I Was so worried about my students and why they haven't been at school for a while.

Me: Well we have so much to talk about. I'm sorry they worried you. We have a lot to talk about.

I formed a shadow clone and had it watch the game and I took Takato, Jeri and Ms. Asagi into a private room to talk.

Apple Bloom: Let's see how this game plays

Poliwag: Never have I ever had a midnight snack!

Me: Okay I'm stumped. How does this work?

Nico: What you do is you reveal a secret that you have.

Me: Okay.

Poromon: Okay I eat Nico's chicken wings and cheese sandwiches for midnight snacks!

Nico: (ANGRY) POROMON!

Me: Jeez Nico you need to keep a lock and key on your snacks.

Nico: YEAH!

Poromon: Sorry Nico I can't help it! I get hungry every night around midnight.

Qin: I see why.

Poromon: My turn!

Me: Okay.

Applejack: I get it now!

Poromon: Well, never have I ever eaten bugs!

Eddy: This is fun.

Poliwag: Okay I admit it! I like eating all of Timon and Pumbaa's bugs when they aren't looking either.

Timon: HEY! That explains why our bugs are gone!

Poliwag: I'm a Tadpole Pokemon and everyone knows that frogs eat bugs!

Pumbaa: He's right on that!

Tsuyu: That is silly though. Ribbit.

Nico: YUCK! Poliwag that is gross!

Poliwag: Sorry but it's part of my species as a Pokemon.

In the room, I was talking with Ms. Asagi.

Nami Asagi: So Jeri and Takato and everyone were busy helping you guys over the last 8 years?

Me: It's true and they have all been a tremendous help to all of us since then.

Jeri: It's true and it's fun.

Nami Asagi: I see. I'm so glad you all have been a big help. (Gasp) Takato, Jeri are you two?

They showed their rings.

Takato: We sure are. Husband and wife.

Me: They tied the knot last year and it was such a happy time for them.

Jeri: Yep.

Nami Asagi: Oh I'm so happy for you both.

Sheena: I said it before and I'll say it again, Poliwag you and the mascots are the wackiest bunch of Pokemon and Digimon and creatures I've ever laid my eyes on.

Poliwag: Yeah we know

Me: They get that a lot.

Deluge: What happens if someone declares a topic and there's no secret related to it?

Horsea: Then no one answers. Like this. Never have I ever smuggled cocaine.

Roger: Yay, cocaine!

Jamesdean5842: (Sternly) Roger don't even think about it.

Roger: (GULPS)

No one answered that.

Me: That answers that one.

Horsea: Never have I collected rare jewels.

Manaphy: Okay it's a hobby I like doing! Be right back.

She went into her room and came back with a box. In it was a bunch of REALLY AMAZING JEWELS!

Me: (WHISTLES) Wow those are amazing!

May: Wow! Manaphy where did you find all these?

Manaphy: I like going into caves and also take jewels from treasure too. It's quite amazing.

Rarity: These jewels are just absolutely beautiful and amazing darlings.

Me: They sure are. These jewels must be worth a lot.

Manaphy: They are. It's why I like them.

Me: I can see why.

In the room I was talking more with Nami Asagi.

Nami Asagi: So Jeri has a past?

Me: Yes she had to hide it because of a mask. It's not a pretty past.

Jeri: It's true. I was hiding my true face behind a mask.

She told her dark past and it was not pretty.

Nami was shocked and horrified.

Nami Asagi went over and hugged Jeri and cried with her.

Me: (Pats their backs) We were saddened by it. Varie even knows how she felt.

Takato: It's true and it was awful.

Me: Yeah.

Back with the group.

Beachcomber: Keep it coming

Manaphy: Never have I ever farted in my sleep

Horsea: All right I have a nasty problem! I fart in my sleep and it is bad.

Maria: That explains why I smell rank farts every night!

Lana: I feel your pain Horsea. I have a nasty habit of farting in my sleep myself and my farts smell just as bad as Lori's.

Lori: (Offscreen) I HEARD THAT!

Me: Boy that is crazy! I've known all about Lana doing that since I first moved in back in 2016.

Nico: Does Lana really sleepfart like that?

Me: You have no idea Nico.

Ymir: Boy that is nuts.

Jirachi: Never have I ever taken Jellyfish pictures?

Tentacool: Okay I like taking pictures of Jellyfish with SpongeBob and Lily when he and Patrick go Jellyfishing.

Varie: Do you really Tentacool?

Tentacool: I sure do.

She went to her room and came back and showed a photo album and in it was a bunch of photos of Jellyfish in Jellyfish

Fields.

Me: Whoa look at all the jellyfish.

SpongeBob: We saw MANY KINDS of jellyfish during the Great Jellyfish Migration and Tentacool got some really neat pictures of them.

Lily: It's true. There's a Blue Crested Blaster, Speckled Squirter, Two-Fisted Jumpers, Golden Throated Singer and so many more.

Me: Boy there are many different kinds of Jellyfish.

Tentacool: It's so cool seeing them.

Olga Orromov: There are so many of them in so many colors and species.

Qin: Yeah.

In the room with Takato and Jeri, Nami and Jeri calmed down.

Nami Asagi: I'm so sorry you went through all that. Why didn't you tell me?

Jeri: I didn't want to worry you about that. But I'm all better now.

Me: Jeri is better now and she and Takato are happy now.

Nami Asagi: I'm glad. And Takato I'm so happy you came so far in these last few years.

Takato: Thanks Ms. Asagi.

Back with everyone.

Tentacool: Never have I ever grown trees.

Jirachi: Okay I grow gold and money trees in different places and areas while people are sleeping.

Me: That explains the sudden appearances of gold, money and food tree in the slums areas and small houses overnight. But that is cool.

Jirachi: It sure is.

Me: Nothing wrong with that.

Jirachi: Yep. Never have I smothered a cat in gravy to eat it.

Mevya: I think everyone saw me do that earlier. It's part of some payback I got on Gatomon.

Me: Yes you did show us that and that was funny.

Qin: Yeah I guess you were fed up with Gatomon trying to chase after you like that.

Me: That's like something I saw in a cartoon once. Like a mouse trying to eat a cat. Like that hungry mouse that tried to eat Sylvester by gnawing on his tail and head.

Mevya: I actually first did it before today

Me: Yes you did. We saw.

Qin: Yep.

Kari glared at Kevin again.

Mevya: I like to turn the tables on Gatomon when she is sleeping and turn her into a CAT A LA MODE dish.

Gatomon growled!

Me: Oh boy.

Qin: Yikes!

Xenia: Crazy!

We then laughed hysterically!

Me: Boy we have a lot of crazy things on our minds.

Manaphy: We sure do.

* * *

Later we were over in the park.

Takato: Glad you came over Ms. Asagi.

Nami Asagi: I'm glad I could come Takato.

Jeri: Same here.

May: We are happy too.

But then something lifted May!

May: HEY! Get me down!

Me: What the!? LOOK!

We saw that she was picked up by a Yanmega!

Me: WHOA! A Yanmega!

Nico: Where did that come from?

May: Get me down!

But then...

May: (SCREAMS)

She was dropped and then..

KRASPLASH!

She landed in the park lake!

Me: Okay that is silly!

Manaphy: Mama!

May: (Spits) I'm okay Manaphy.

Manaphy: Okay that was silly!

We were concerned for Manaphy

May: Manaphy?

Me: At least it was an act of mischief and not an attack.

Manaphy: I know. But that was funny though!

Vierra Voltic: Too bad she didn't do it to Jessie like this.

She slapped the water and got Jessie all wet and flattened her hair!

James and Meowth screamed!

Jessie: (ENRAGED) NO ONE FLATTENS MY HAIR!

She went a Vierra Voltic and punched and kicked at her and Vierra grabbed her and electrocuted her all over the place with intense electricity!

ZZZZZZAAAAAAAAAAAAAAAAAAAAPPPPPP!

Ed: Zappity Zap Zap!

Sheena: Lets see. Whoa! This ones name is Harlya Hypnotick. She is half Psycholeopterran.

Me: Whoa! She's a hybrid of the natural predator of the Necrofriggians.

Nico: Nice!

Me: Yep.

Vierra Voltic: And finally this!

KRABLAM!

She punched Jessie and sent her flying!

Jessie: (SCREAMS)

She flew over Nico and then...

KRASMASH!

She smashed into a tree and her head and body went right through it and she was stuck!

Me: WHOA! Nice one!

James: WOW!

Vierra Voltic: Hope her fat body isn't going to leave her stuck in that tree forever.

BURN! BOOM! ROASTED!

James and Meowth laughed hysterically!

Me: Okay you guys have a roast-off.

Hypnotick: We'll handle the Yanmega.

We went over.

Hypnotick: Easy kid. You'll be fine.

She used her powers on Horsea but she put her clone in front of her

The clone got put into a hypnotic daze. She then farted in Nico's face!

LOUD FART!

Nico gagged and coughed!

Me: Okay then.

I snapped my fingers and she reverted back. She was a girl with blue hair and pink eyes and had blue butterfly wings and on her head were blue moth feelers. She had Yanmega on her forehead and on her arm was a snowflake with Hypnotick on it as a cutie mark.

We wrapped her in a blanket and brought her over.

Me: There.

Jessie: Get me out of this tree! I want to make that brat pay for this!

Vierra Voltic: Oh I would but I'm afraid your hot temper would draw a bunch of coconuts to hit you like a magnet.

BURN! BOOM! ROASTED!

WE LAUGHED HYSTERICALLY!

Ash: Pikachu?

Pikachu: Right. Pika CHUUUUUUUUUU!

He fired a blast of lightning and electrocuted her and she screamed and then...

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM!

THE TREE EXPLODED AND SHE WENT FLYING HIGH!

Jessie: LOOKS LIKE I'M BLASTING OFF AGAIN!

TING!

Me: Whoa! Nice one! But wait.

TING!

She screamed as she fell down and then...

KRASPLASH!

SHE LANDED RIGHT IN THE LAKE AND WAS REALLY DIZZY AND KNOCKED OUT!

Jessie: (Groans)

She woke up to see Horsea's Smiling face.

Harlya Hypnotick: (Groans) What? A Horsea?

Horsea: You used hypnosis on my clone!

Harlya Hypnotick: I'm sorry about that.

Me: Well you were turned into a Yanmega by Dark Gale.

Harlya Hypnotick: Oh man! I was battling a bunch of crazy Ghost Pokemon in a tower outside of Saffron City.

Me: Wait were they a Gastly, Haunter and Gengar?

Harlya Hypnotick: Yes they were! How did you know?

Ash: I know those 3. They are funny.

Me: Long story.

Nico: Oh, how was the talk?

Me: It was a good talk.

Qin: Cool.

Me: Oh and Nico...

WHAM!

I SMASHED HIS FACE IN WITH A SLAPPING FAN!

Nico: HEY!

Me: Sorry. Just testing out this. It's called a Slapping Fan. Saw it many times before.

Nico: I see.

Lola: Funny.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave Harlya new blue clothes and an ice sword.

Harlya Hypnotick: I look awesome.

Me: You sure do.

We went back home.

Azula: That was actually a fun game

Me: It sure was.

Qin: Yep.

Lola: Awesome.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his large gold halo and second smaller halo of light in the center and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo that's behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was the heartless buttface bully, Kyle Finkster, he's broken out of The Charon Reform School and he's in Neo Phoenix Land and he wants revenge on us. When we saw it, we knew it meant trouble, BIG!

Lincoln, me, and Nico: YOU BUTTFACE BULLY!

Eli: Oh great, Kyle's back!

Lincoln: Should've known that idiot would return.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's Kyle Finkster, the heartless buttface bully, he's broken out of The Charon Reform School and he's in Neo Phoenix Land and he wants revenge on us.

EVERYONE GASPED!

Applejack: That no-good sidewinding varmint! I knew he'd return, looks like he hadn't learned his lesson.

Lincoln: After we defeated him two years ago, he hasn't. Brie, you got our new prison up and running?

Brie Bespin: Yep, and Kyle Finkster's going to be put in after we take him down.

Me: A new prison on Bespin?

Lincoln: Yep, I'll tell you about it when I discuss my battle plan.

Nico: This should be good, alright, team, let's get going to Neo Phoenix Land and give that buttface moron a taste of his own medicine.

Lincoln: You're not getting out of this again, Kyle Finkster, this time, you're going to prison forever.

Me: Kyle is going to get his butt kicked big time.

The previous group came.

Trickster: Can me, Mojo Jojo, Brain Freezer, Manta Bayarsh, Bizarro, Cluemaster, Ebon, Pyro, Radioactive Man, and Scorpion go with you guys?

Nico: Yes you all can come with.

Me: We're going to Neo Phoenix Land for this.

Varie: Yep.

Nadira: Nico, which Gene Slammer do you think you'll meet next?

Nico: Elemental HERO Rampart Blaster next.

Me: Explosive.

Qin: Yep.

Varie: Intense.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo and second smaller halo of light in the center and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo that's behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Urizen from Spawn, and that soul-devouring demon's coming back for more. When we saw it, we knew it meant trouble.

Lincoln: You're back for more, eh!?

Me: Was that...?!

Lincoln: Yep, Urizen's back for more after what I did this morning in sucking out all the souls that he devoured countless eons ago before time began, and he wants revenge.

Malacoda Malefic: Figures, but this time, you're going to absorb him and suck out all the energy in his soul, right?

Lincoln: That's right, Malacoda.

Nico: This time, we'll be rid of Urizen forever. Alright, team, let's get going to Neo Phoenix Land.

Lincoln: And take down Kyle Finkster and throw him in our new prison on Bespin, and once we get done with that buttface bully, you're next, Urizen.

Malacoda Malefic: Your crimes against the universe can never be forgiven, Urizen, this is where you die.

Lincoln put up a powerful rainbow energy field around The World Tree Estate and we headed to Neo Phoenix Land to hunt down Kyle Finkster, the Buttface Bully and send him to the new prison Lincoln and Brie Bespin had built, and once we get done with him, Malacoda Malefic and Lincoln are going to take down Urizen and Lincoln's going to absorb him.

We were off to Neo Phoenix Land

We arrived.

Me: We're here.

Mojo Jojo: Let's call the Vreedle Brothers

Me: Good idea.

They came.

Octagon: We're ready for this.

Rhomboid: Me too.

Me: Awesome.

Commander Mars: Applejack, can we have some Cosmic Crisp apples?

Applejack: Y'all sure can.

Me: Wait! First we got to head to Appleoosa and go to the Equestria Badlands.

Nico: Oh right! Forgot about that.

Me: Lets go. We'll leave shadow clones here to watch this area.

Nico: Good idea.

We were off.

* * *

We arrived in Appleoosa.

Me: Here we are.

Camie: What does it say about where she is?

Me: According to Galaxia's notes she is located in a cave in a rock plateau by Little Strongheart's village.

Bizarro: Bizarro forgot this part,

We went to Little Strongheart's village.

We arrived and looked around.

Me: Should be here somewhere.

Qin: Hmm.

My sword then glowed.

Me: My sword is glowing. We're close.

Laney: Look there!

We saw a cave in a huge rock plateau that had a big apple formation on top.

Me: That is a clever beacon

Hood Sickle: We have to be getting close.

We went into the cave.

We went down a tunnel and it lead to a door and it had Applejack's cutie mark on it.

We pushed open the door and then...

CRASH!

A MASSIVE AVALANCHE OF APPLES FELL ON US!

Cluemaster: Hey guys, we're here.

Me: Avalanche of apples falling on us is a giveaway.

Nico: Yep.

We got out of the apples and went into the room.

We saw that it was a farm room.

Me: Wow!

Xenia: Look!

We saw a crystal coffin and in it was APPLEJACK OF SUNNY'S WORLD!

Me: It's Applejack!

Sunny Starscout: Just like in the notes!

Sprout Cloverleaf: Lets bring her back.

Sprout touched the coffin and then a MASSIVE AND INCREDIBLE SURGE OF MAGIC BLASTED OUT! SWEET APPLE ACRES AND ALL THE APPLE FAMILY FARMS AND LOCATIONS EXPANDED AND WERE BETTER THAN EVER!

Applejack woke up for the first time in 1,000 years!

Me: Welcome back to the land of the living Applejack.

Applejack (G5): What in tarnation happened? I feel like I was run over by a stampede of cattle.

Alternate Chrysalis: It's a long story

We told her everything.

She gasped.

Applejack (G5): Why that sidewinder Opaline!

Me: I know. But there's a prophecy around me and many of us destroying Opaline. She will pay for her crimes when that day comes.

Xenia: Yep.

Applejack (G5): I will gladly help y'all out.

Radioactive Man: Remember Rodney and Andy?

Applejack (G5): How can I forget y'all. We beat Kyle together.

Andy: That is for sure.

Me: Now we got to get to Neo Phoenix Land.

We went back to Neo Phoenix Land.

We arrived.

Me: Here we are.

Lola: Thank goodness.

Xenia: Kyle is coming. I know he is.

Horsea hopped on G5 Applejack's head

Horsea: Just glad you're back.

Applejack (G5): Same here Horsea.

But then without warning a MASSIVE CORNFIELD GREW!

Me: What the!? Where did all this corn come from?

Qin: Oh man!

Lincoln then gasped!

Lincoln: This is the work of Applejack's Akuma, Hellcrow! The Hypothetical Akuma form of Applejack and she is a demonic scarecrow of death. She was made this way because of Dishwater Slog always mooching off of her and making her look so mediocre. Well now she is going to give that lazy piece of dirt a piece of her mind!

WE GASPED!

He showed a sketch of her and she looked like a grim reaper scarecrow with a pumpkin with demonic wings and had a scary scythe.

Me: WHOA MAN! That is a scary scarecrow! And she was made because of Dishwater Slog!? That repulsive filthbucket!

Qin: He just enjoys making people feel small!

Xenia: YEAH!

Threatpack: Joke's on her, I can just fly over this cornfield!

Me: We all can.

We flew over.

Then demonic laughter was heard and out came HELLCROW!

I blocked a strike from her scythe and knocked her back!

She threw pumpkin bombs I dodged them and they exploded!

MASSIVE FIERY EXPLOSIONS!

I absorbed the fire and blasted her all over!

Me: Okay you obviously are Applejack. You can't tell a lie right?

Hellcrow: I sure can't. Even I am still honest to not fall for the Flim Flam Brother's lies.

Me: That is definitely Applejack all right.

Scorpion: Applejack? Is that you?

Me: I think we just confirmed it really is.

I slashed her down.

Octagon: Well you need to calm down now!

Rhomboid: Or we're going to blow you up!

Qin: YEAH!

Rhomboid: And real good!

Hellcrow: Not until that jerk suffers!

Me: Okay then.

I fired waves of energy and blasted her.

The Vreedle Brothers fired waves of energy and they hit her and exploded!

KRABBBBBBOOOOOOOOOOOOOOOOOMMMMMM

She was blasted all over

She got up.

Hellcrow: My turn!

She threw a bunch of pumpkin bombs and I threw them back and they hit her and exploded all over.

She was knocked out.

Me: There.

The Cornfield vanished as fast as it appeared.

Me: That did it.

Gravity Man: At least it wasn't any Scarecrows we fought before

Me: Too true.

Qin: Now we need to smash Kyle's face in.

Lincoln: And send him to our newest prison on the planet Bespin.

Me: Perfect.

Applejack: Now he is going to see how far we have come.

Me: Yep.

Lincoln: Alright, everyone, gather around.

Lincoln pulled up a hologram of Neo Phoenix Land, and he zoomed in on our target.

Lincoln: Now, as we already figured out, our main target is Kyle Finkster, the heartless buttface bully, and as we already know, he's back for revenge on us for two years ago.

You're finally done for, Kyle. Time to pay!

Lincoln went wild on Kyle as he punched, kicked, and slashed at him like a wild beast, and he left scars on him, and I also did the same as well.

Then, Lincoln held out his left hand and fired 999 massive balls of fire at Kyle, and they collided and exploded as they hit him, and he also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more along with the immense divine powers of The Gods and Goddesses of The Ancient World.

Finally, Lincoln formed a massive blue fireball in his left hand and he threw it down, and then, it sunk into the ground unleashing a storm of lightning bolts and raging fire, and...!

KRABOOM!

IT EXPLODED IN A MASSIVE FIERY EXPLOSION OF BLUE FIRE AS IT ROSE UP INTO THE AIR AND THE EXPLOSION ALSO HIT KYLE AND PILLARS OF BLUE FIRE ROSE FROM THE GROUND AND HIT HIM AND HE GOT BURNED!

Lincoln and I went at Kyle and we began brutally smashing him all over the place with our immense massive godly superhuman strength, and it was even more brutal than ever. Then, we punched him hard in the face and kicked him in the stomach and we sent him flying into a wall, he got back up and was pissed off, and Lincoln and I fired massive elemental energy balls and beams of light at him and he really got scorched and burned.

Time to pay, Kyle Finkster.

Nico: Now, who's with you?

Me: Yeah!

An insane laugh was heard and out came a woman with black hair and blue eyes and had a green jumpsuit.

Terresa: (GASP) Bernice Sariva!

Me: Whoa man you know her?

Terresa: Unfortunately yes. Her name is Bernice Sariva and she is a mad scientist that I busted. Bernice specialized in REALLY DANGEROUS and crazy inhumane experiments in crossbreeding and they combined people with plants! It was all in a dangerous and insane plot to take over the world! She was going to create these abominations to wipe us out! But I stopped her and sent her to the looney bin. But she vowed to get revenge on me.

WE GASPED IN SHOCK!

Me: Just what the world needs, another fucked up mad scientist running amok.

Nico: Geez!

Terresa: Now I'm going to finish her!

Laney: Let me help out!

Sweet Leaf: I'll help too!

Akiza: Same with me!

Bernice: Lets dance!

She turned into a dark version of Devilanchula! It was called ANTI-DEVILANCHULA!

She roared at us.

Me: Nasty.

Kyle: Anti-Monitor had me teamed up with a monster!

Terresa fired waves of energy and the group fired nature blasts.

I fired waves of energy and separated her from Anti-Devilanchula. We scanned her and I banished her to the black abyss.

Terresa used Wolf's Stalky spear and stabbed her in her heart and the poison killed her instantly. She then dissolved into a nasty pile of green slop.

Me: Yuck!

Nico: Terresa, out of the people who helped you here, who do you feel is your sibling?

Terresa: Sweet Leaf because we both love nature.

Sweet Leaf: Yep.

Me: Awesome.

Nico gave Kyle another wedgie.

HOING!

Kyle: WHY YOU LITTLE!

Poromon pecked him.

POINK POINK POINK POINK!

Poliwag slapped him with his tail!

WHAP WHAP WHAP WHAP WHAP WHAP!

Nico gave him a wet willie!

SPLAT!

Carrie White: Lets show him some really awesome teamwork!

Alolan Vulpix: Lets get him!

Carrie White had an aura of Blue Fire Swirl around her.

Carrie White: (FLARES UP ICE FIRE AURA) THE QUIET FALLING SNOW FROM THE SKIES! CRYSTALS OF WATER! CONSTANTLY SHIMMERING! BLANKETING THE WORLD WITH THEIR FROSTY Z POWER! TOGETHER WITH MY FIERY SPIRIT! RISE UP INTO THE BEST SKY ONCE AGAIN!

Carrie's Alolan Vulpix howled!

Carrie White: USE SUBZERO SLAMMER!

A massive pillar of ice formed and she howled and a massive blast of energy fired from her mouth and it hit Kyle and froze him in a huge block of ice and it formed more ice and shattered and blasted him down with intense force!

Me: HOLY SHIT!

Qin: WOW! NICE JOB CARRIE!

Lillie: WOW! That was great!

Nico: That's cold!

Me: Well done Carrie!

Lillie: Not bad for your first try!

Carrie White: Thanks!

Kyle was REALLY PISSED!

Applejack: TIme to give you the TEXAS TWISTER BEATDOWN!

She spun around like a ferocious tornado and enveloped Kyle and mercilessly thrashed him all over and REALLY MANGLED HIM UP WITH A MASSIVE FLURRY OF PUNCHES!

NUMEROUS AND MASSIVE NUMBERS OF PUNCHES!

When she stopped, Kyle was brutally beat up.

Me: WOW! That was intense!

Qin: YEAH!

Xenia: Awesome!

A figure came and it was ZAKYURA from episode 33 of Gokaigers!

He is sent by Barizorg to eat up all of Earth's food, demonstrating his food sucking abilities on Warz's dinner he was being picky to eat. While in his mission on the Earth, he happens to be in the same store Gokaigers Luka, Don, and Gai are shopping. He fights the Gokaigers as Gaorangers before he uses his throw up attack on them. Then he sucks it all back in, ingesting the knocked out of hand Gokai Cellular in the process. The speed he gets to suck up the food prevents them from getting to each location he is in on time.

Zakyura sets his sights on a bazar where he and his Gormin are encountered by Gai and former RyuRanger Ryo despite neither of them currently having the means to transform. While both easily dispatch the Gormin, they have a harder time with the Sugormin until the other Gokaigers arrive with a plan to get the Gokai Cellular out of Zakyura by using the Geki Infusion to unlock his throw up attack allowing Gai to regain his item Gai and the others assume the form of the Dairangers and weaken Zakyura before Gokai Silver uses Gold Mode against the Sugormin trio and the Action Commander himself is blasted by the Gokai Galleon Buster.

Enlarged with the Gigant Horse cannons, Zakyura and the trio of Sugormin give GokaiOh and GoZyuJin a hard time until the Greater Power of the Dairangers lets them defeat the Sugormin with the Gokai GoZyu Qi-Power Bomber. Zakyura tries to eat Fūraimaru and his clones to cancel Hurricane GokaiOh's Gokai Furai Attack, only to be destroyed from the inside out.

Eli: Zakyura! I remember you! You were sent to eat all the Earth's Food!

Zakyura: Good memory Eli. Yes that's right.

Eli: Yep.

Magas: Good to see you again Zakyura.

Zakyura: (GASP) Magas! You're alive!? But how!?

Magas: Long story.

Zakyura: I should've been adapted in America.

William: I know! Probably because only Kibaranger was adapted

Eli: I met Kou long ago and he is amazing. He is the youngest ranger of the Sentai series.

Nico: WHOA!

Volcana: I love that story too. Also we found out about the Crystal Onix thru learning about it from a glass maker named Mateo and his little sister Marissa. Volcana: Yep. We met Mateo and Marissa and we found out that Mateo didn't have a good enough creative spark going on and he was trying to find the Crystal Onix to help him out. We found the Crystal Onix in a cave not far outside of Nome and Brock was amazed when we saw the Crystal Onix and he never saw an Onix like that before.

Then, Lincoln tied him up, and we teleported to Bespin and we headed to the newly built Bespin Prison for Heartless and Awful Bullies and we threw that butt-faced moron inside a doorless windowless cell and chained to the wall with Neutronium Chains lined with rainbow energy! We cheered as we holstered our weapons and powered down.

Nico: That was awesome, and what was that new prison on Bespin?

Lincoln: That's The Bespin Prison for Heartless and Awful Bullies, a prison made for heartless and awful bullies that are beyond any form of rehabilitation, and I also made sure to also send Francis there as well after we took that moron down when we went after Serena and Deacon Frost.

Me: I was about to ask that.

Lincoln: And for 24 hours a day, the inmates in here will be put through all kinds of Hell and pranks for all eternity, and with my Gessius Flores Vengeance Curse on them, the money exploding from them will be used to pay back their victims. Now, there's one last thing to do and one last loose thing to tie up: Urizen.

We turned our attention to Urizen who tried to get out, but couldn't.

Suddenly, the 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large planets orbing around my legs, the 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large planets orbiting around Lincoln's legs, the large planets orbiting around the Loud Sisters and Parents' legs, the 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large planets orbiting around Nico's legs, the 105 large colored planets orbiting around Crash Bandicoot's legs, the eight large orange orbs orbiting Linka's legs the nine large orange orbs orbiting around TLPS Ms. Tarantula's legs, the 105 multi-colored orbs orbiting around Lachlan McLoud's legs, the eleven colored orbs orbiting around the legs of The Loud's friends, the twelve large dark blue planets orbiting around Ed Cowart's legs, the 105 large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the 100 large aqua blue planets orbiting around Girl Jordan's legs, the 25 large crimson red planets orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the twelve large fiery red planets orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lars and Dudley Puppy's legs, the eight large pink orbs orbiting around Lexx Loud's legs, the nine large rose pink orbs orbiting around Steven Universe's legs, the twelve emerald green planets orbiting around Yakko

Lincoln blasted Urizen with rainbow, white, golden yellow, and blue energy blasts and elemental forces and fired Omega Beams at him as well.

When all is said and done, what did you even achieve through your heinous actions? You walk the path of a coward creeping your way through the dark, that's a lonely path, and it's one that will follow you into death. Urizen, may you suffer for all eternity with not a kindred soul to give you solace, it's time to put an end to this once and for all.

Lincoln, Malacoda Malefic, Super Brother, Nico, and I went after Urizen, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Urizen, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and wolf claw and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Malacoda Malefic did the same by firing black and red, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Malacoda Malefic, Super Brother, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was really pissing Urizen off.

Suddenly, Lincoln's enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and four massive halos of rainbow energy with intricate designs formed behind him and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Urizen and we all found ourselves not only in Heaven, but also, in space.

Then, Lincoln charged and smashed his rainbow energy infused left fist into Urizen and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind him. Then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 3,800'11" massive, wide, double-edged gold blade of his massive greatsword.

RRGH!

And he also flexed his muscles even more which really aroused his harem even more, and at the same time, Ultima began growing weaker as all his powers was being sucked out of him one at a time and was pumped into Lincoln, and Urizen roared in pain.

Then, when Lincoln was done and the stingers changed back, nothing was left of Urizen, and Lincoln sucked out all of the remaining energy in Urizen and banished Urizen to The Black Abyss and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a

Alpha Male gorilla and he flexed his massive muscles as fire and elemental forces burst out of his massive biceps and massive muscles!

We cheered as we holstered our weapons and powered down and Malacoda Malefic's new body, clothes, weapons, jewelry, Third Eye, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long golden yellow wolf tails, large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold crescent moon ring-shaped frame around it with embedded red gems behind the gold halo with four large orbiting gold rings on each corner and four large Amaterasu's Heavenly Mirrors of The Four Holy Beasts with gold crescent moon ring-shaped frames around them with embedded red gems behind the gold rings behind her head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large black and red planets orbiting around her legs, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 smaller black and red planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized black and red planets orbiting around her wrists and ankles, and enormous black angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large black angel wings underneath her enormous black angel wings are permanent.

Malacoda Malefic: This where it ends for you, Urizen, and this is goodbye and good riddance. Thanks for helping me get rid of him, Lincoln. You too, guys.

Lincoln: (Smiles Warmly) You're welcome, Malacoda.

Me and Nico: Our pleasure, Malacoda.

Suddenly, Malacoda Malefic wrapped her arms around Lincoln's waist as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Malacoda Malefic's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Malacoda Malefic sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Lincoln: And that's it for Urizen, serves him right.

Me: Urizen got what he deserved in the end. So, Lincoln, who's the next girl we're meeting on your next rescue tomorrow?

Suddenly, we saw the symbol of The Ice Barrier Frost Masters of Loyalty and Caravan of the Ice Barrier appear in the sky.

Lincoln: (GASPS) The symbol of The Ice Barrier and Dai-sojo of the Ice Barrier!

Me: Who would fit that?

Amihan Frostine: That would be Lumi Frostine, Avatar and Gene-Slammer of Dai-sojo of the Ice Barrier, and you guys are gonna like meeting her, Lumi Frostine, Avatar and Gene-Slammer of Dai-sojo of the Ice Barrier, is Lincoln's

Guardian Angel from New York, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Dai-sojo of the Ice Barrier. She's The Ice Martial Artist of The Ice Barrier Frost Masters of Loyalty, a group of loyal girls who are the Avatars and Gene-Slammers of The Ice Barrier Duel Monsters and they're born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and their goal is to protect and defend Lincoln from his enemies, and they are the most loyal of Lincoln's Guardian Angels, and they would never ever betray Lincoln, his friends, and his family, nor their own, and they hate people who betray others for their own personal gain, and they've punished Lori, Lynn, Lola, Lisa, and Luan in the most fiercest way possible many times for their treacherous actions and murderous schemes against Lincoln. Lumi Frostine moved to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Dai-sojo of the Ice Barrier, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Cryokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Dai-sojo of the Ice Barrier, and Lincoln was already born with immortality and invincibility, and she also helped him grow and seriously bulk up in muscle mass and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Lincoln made her an ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lana, Alexis, and May a lot in using the powers of ice, and Lumi Frostine hated Lori with a passion, and she swore if that heartless bitch tries to kill Lincoln again, she would freeze her and shatter her body into pieces.

WE GASPED!

Luna: Oh, I remembered what that heartless bitch has done to piss her off.

Lincoln: And it always ended badly for her.

El Oso: Nice throw

Rhomboid: Aw, thank you.

Me: That was fun.

Dr. Light: (to Octagon) Surprised you didn't help with the finishing blow.

Octagon: When it comes to explosions, Boid nails them

Me: Too true.

Unicorn: Can't argue with that.

Bonz: Either way, Kyle's done

Captain Boomerang: Let's celebrate here!

Applejack: YEEHAW! That we can do!

Me: Yeah!

Nico: That was fun!

Applejack: (To the viewers) Y'all better be honest or y'all are not going to like the outcome.

Me: Ain't that the truth.

We had awesome food at the Neo Phoenix Land buffet.

We returned home, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to the hot springs in Lincoln's room.

Lily the Mermaid: We did it, we took down Kyle Finkster.

Anna Anyanova: He got what was coming to him.

?: (Beastly Gruff Manlier Voice) And we threw him in our new prison on Bespin where he'll remain there forever.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there in the hot waters of the now expanded hot springs was Lincoln in the hot waters, but they also saw his towel was on the rack along with his orange speedo, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Beastly Gruff Manlier Voice)(Flexes his massive arms and his massive biceps bulged even more with more veins forming)(Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln as they stripped off their clothes leaving them in their two-piece bikinis and they joined Lincoln and the hot water's minerals really did wonders for them. Then, they went to the massive expanding sauna, and the hot steam really did wonders in opening their pores.

Finally, they got out and the girls were on top of Lincoln as they kissed passionately.

Girl Jordan: (Rubs Lincoln's massive pecs)(Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fessterox's Perfect Gene-Slammer serum and Perfect God serum and Savage Serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility and fertility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful

aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his towel around his waist about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Beastly Gruff Manlier Voice)(Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

STORMS OF LOYALTY VS THE CHANGELINGS

Rainbow Dash's Day to shine

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: he saw a planet of eternal dark forests and cursed trees, and spiritual energy and with a massive Nightmare World Tree overflowing with darkness and protected by powerful omnipotent angels, the males who'd spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters and natural dark hunters, but they also had vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of cursed trees, undead spirits, void vines, darkness, death and fear, necromancy, illusions, soul-binding, cursed nature, and the immense omnipotent powers of the Nightmare Tree times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the males and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the males into his body gaining vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of cursed trees, undead spirits, void vines, darkness, death and fear, necromancy, illusions, soul-binding, cursed nature, and the immense omnipotent powers of the Nightmare Tree times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb their planet, Nightmare Tree, and its core into his body and their planet's Sun into his body to preserve their legacy.

Lincoln woke up.

Lincoln: Holy moly, what on Earth Omega was that?!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) No way, that world you saw, that was Scarydrasilliaira, a planet of eternal dark forests and cursed trees, and spiritual energy and with a massive Nightmare World Tree overflowing with darkness and protected by powerful omnipotent angels, the males who'd spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters and natural dark hunters, but they also had vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of cursed trees, undead spirits, void vines, darkness, death and fear, necromancy, illusions, soul-binding, cursed nature, and the immense omnipotent powers of the Nightmare Tree times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the males and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the males into his body gaining vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of cursed trees, undead spirits, void vines, darkness, death and fear, necromancy, illusions, soul-binding, cursed nature, and the immense omnipotent powers of the Nightmare Tree times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb their planet, Nightmare Tree, and its core into his body and their planet's Sun into his body to preserve their legacy.

Lincoln: Whoa! The Nightmare version of Yggdrasilliaira! Nico's gonna be stuffing his face full of buffalo wings!

Lincoln got up and got dressed, and he left a note explaining it, and he headed to Scarydrasilliaira.

Lincoln landed on Planet Scarydrasilliaira, and it was everything he saw in his dream and his rainbow energy aura exploded as he grew stronger.

Lincoln: I'm back on Planet Scarydrasilliaira.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) It's still as beautiful as ever.

?: (Strong Manly Voice)(Divine Heavenly Godly Voice) You have arrived, Lincoln Loud.

Suddenly, Lincoln saw a strong-looking man who was really tall at 950'11" with abnormally massive and powerful upper and lower body muscles and twelve-pack abs, he was shirtless with a purple sun and moon on his chest, he has long black hair going down to his shoulders, purple eyes, massive black angel wings, he has on a brown loincloth, and black sandals, and this was someone Lincoln recognizes all too well.

Lincoln: (GASPS) Matthew Scarydrasilliaira, King of The Scarydrasilliairans of Planet Scarydrasilliaira.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln, you know him?!

Lincoln: I do, he's the father of my Guardian Angel, Morvena Scarydrasilliaira. I did say I've been here before to Scarydrasilliaira eight years ago.

Then, all of the other septillions of trillions of male Scarydrasilliairans came to Lincoln.

Matthew Scarydrasilliaira: That's correct. (Smiles) And you've grown that much stronger and also much taller, you're now as tall as me, and you're also even more muscular than all of us males, and it's no wonder my daughter couldn't even keep her hands off you as you grew into the man she and the others had helped you become.

Lincoln had an embarrassed blush on his cheeks and muzzle as Matthew Scarydrasilliaira chuckled.

Lincoln: And there's something I need to tell you.

Matthew Scarydrasilliaira: I know. You had the dream, it's time.

Lincoln: Yes, it is.

Suddenly, Matthew Scarydrasilliaira chanted an ancient incantation and a magic circle appeared below Lincoln's feet and it glowed with incredible power.

Matthew Scarydrasilliaira: Do not worry, we will always be with you, Lincoln, now and forever. Our legacy will be preserved within you.

Suddenly, Matthew Scarydrasilliaira and the other septillions of trillions of male Scarydrasilliairans embraced Lincoln, and one by one, they began entering his body and they merged with him as he absorbed them: mind, body, and soul, and that led to Lincoln suddenly gaining an infinitely astronomical massive power boost and he gained their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of cursed trees, undead spirits, void vines, darkness, death and fear, necromancy, illusions, soul-binding, cursed nature, and the immense omnipotent powers of the Nightmare Tree times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! This feels incredible. RRGH! (WOLF ROAR)

When it was all done, Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces, animals, and mythological beasts and rainbow protective aura and holy white aura was raging like a really massive wildfire and he has a purple aura with souls and damned spirts surrounding him and overflowing with forbidden power as he pounded his chest like a gorilla.

Lincoln: Whoa...! (GROWLS) This feels so incredible!

Suddenly, Lincoln flexes his massive muscles as his massive biceps bulged even more with veins forming and the image of tank turrets firing formed on his massive biceps and the image of cannons firing formed on his massive pecs.

Lincoln: (GROWLS) RRGH! Ooh yeah, this is so awesome! (WOLF ROAR)

Matthew Scarydrasilliaira: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Letting the beast out, all the males of the Forbidden Zone planets including us do tend to do that on many occasions to show our virile dominance which made the many females swoon over us.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln's grown that much bolder and confident thanks to his Guardian Angels, now there's one last thing for you to do, Lincoln.

Lincoln flew deeper and deeper into the planet, and he found it: the cursed core of Scarydrasilliaira, the inner and outer cores of the planet and the million other planets consisted primarily of iron and nickel and are extremely infernally hot with the temperature at more than 999,999,999,999,999,999,999,999,999,999 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the core of Planet Scarydrasilliaira, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core, the planet itself, and The Nightmare Tree and its shadow roots into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura and holy white aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space.

Then, he flew into Scarydrasilliaira's massive Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla and he was sweating even more.

Lincoln: Now, that was so incredible! (Flexes his massive arms and his massive biceps bulged even more with veins forming)(GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Lily the Mermaid: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks)(Rubs Lincoln's massive pecs) And you're even more insanely ripped than ever and full of even more infinite energy.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him, but it suddenly became

even stronger due to the powers of the Eroticairans of Planet Eroticaira he has and his primal urges went wild.

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Suddenly, Lincoln pounced on his harem and he was on top of them and they were on his bed.

Lily the Mermaid: Whoa...! (Thinking) Now, he's really REALLY AROUSED!

Then, he kissed all of them passionately on the lips as they engaged in a hot make-out session, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate and even more hotter than ever.

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: That was the surprise you had planned for us. But, you're gonna have to explain it tomorrow.

Lincoln: I will. (Smirks Seductively) Now, then, where were we?

Lincoln and his harem had another intense and passionate lovemaking session, and they went back to sleep a few hours later. Then, as morning came, Lincoln, his harem, and his kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome!

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome!

J.D. 2: This was no ordinary planet. Lincoln, do you have a book about the world you went to?

Lincoln ran to his room and flew to the top of his massive vast collection of libraries and found the very book and brought it to J.D. 2.

J.D. 2: I knew it.

He opened the book, and we saw it: the planet Lincoln saw in his dream.

Me: Whoa! what is that place?

J.D. 2: This, J.D., is Scarydrasilliaira, a planet of eternal dark forests and cursed trees, and spiritual energy and with a massive Nightmare World Tree overflowing with darkness and protected by powerful omnipotent angels, the males who'd spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters and natural dark hunters, but they also had vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of cursed trees, undead spirits, void vines, darkness, death and fear, necromancy, illusions, soul-binding, cursed nature, and the immense omnipotent powers of the Nightmare Tree times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the males and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the males into his body gaining vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of cursed trees, undead spirits, void vines, darkness, death and fear, necromancy, illusions, soul-binding, cursed nature, and the immense omnipotent powers of the Nightmare Tree times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb their planet, Nightmare Tree, and its core into his body and their planet's Sun into his body to preserve their legacy.

He finished and returned the book to Lincoln's room.

Me: WHAT THE?! THE NIGHTMARE VERSION OF YGGDRASILLIAIRA?!

Nico: I hate it when I'm right.

Lincoln: There's also something else I should tell you, my Guardian Angel from Scarydrasilliaira gave me even more forbidden powers passed down from ancient Nightmare Priests years ago. Watch this.

Lincoln formed a ball of pure darkness surrounded by the cursed darkness of Scarydrasilliaira, and he fired it at the jerks, and they got hit and they began screaming in horror as their worst nightmares were brought to life.

Brittney: Unreal! I remember hearing about the ancient Nightmare Priests, they were masters of the forbidden powers of cursed trees, undead spirits, void vines, darkness, death and fear, necromancy, illusions, soul-binding, cursed nature, and the immense omnipotent powers of the Nightmare Tree.

Rainbow Dash was sleeping.

But then...

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,9

Adrien: Oh man, Robostus, and it's one that Dad made long ago.

Nico: Oh, I remember him, and he was tough.

Me: This should be good. But, where's he at?

Lincoln: You're gonna be in for quite a surprise: she's on the planet Wolfmoonraira.

Me: Whoa!

Lincoln formed an orb-sized version of Wolfmoonraira.

Nico: So, that's...!

J.D. 2: Yes, this is Wolfmoonraira, a planet of darkness and forests lit by an eternal full moon and inhabited by powerful humanoid werewolf warrior angels known as The Wolfmoonrairans, the males who'd spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters and night hunters, but they also had vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, immense regeneration, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, and immense omnipotent powers of darkness, moonlight, wolf moon fire, and the powers of The Wolf Moon times infinity, and the ability to grow stronger, and immense virility and male fertility, and like with Almightairaira, her people drove off the Infernairans, and they had the dream: when The Reincarnation of Amaterasu was forever purified, the Almightairairans would send a message to him in a dream inviting him to Almightairaira where he would also meet The Wolfmoonrairans and when he'd arrived, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the septillions of trillions of male Wolfmoonrairans into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, immense regeneration, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, and immense omnipotent powers of darkness, moonlight, wolf moon fire, and the powers of The Wolf Moon times infinity, and the ability to grow stronger, and immense virility and male fertility, and finally, he would absorb Wolfmoonraira and its core into his body and Wolfmoonraira's Sun and Moon into his body to preserve their legacy.

Me: WAIT, WHAT?!

MY MOUTH OPENED WIDE, AND MY SKULL MADE A 360 TURN!

Me: Oh man, this is gonna be so awesome!

Lincoln: You said it, now let's finish breakfast and head to Wolfmoonraira, so we can take down Robostus.

Nico: Right.

We finished breakfast and headed to Wolfmoonraira to help Serena and Erica unlock their Rainbow Power and take down Robostus.

WE WERE OFF TO THE WALKERVILLE SECTOR!

And we were there to have a fun field trip time with Ms. Frizzle and class before the rescue. It as raining a lot outside. Maria, Wanda and Arnold were in the girls bathroom to get water for Arnold's project.

Arnold: This is very embarrassing, Wanda.

Wanda: It's ok, Arnold, you're with me.

Maria: Don't worry Arnold we'll be out of here shortly.

Arnold: What if somebody catches us in here?

Wanda: Who's gonna catch you in the girls' bathroom? Tiffany..? [laughs]

Arnold: Tiffany? Who's Tiffany? I-I don't know any Tiffany.

Maria: I think it's fair to say that you know her.

Wanda: Yeah, right, whatever you say, Arnold.

Arnold: I say we don't need this water. My model of the Water Works shows exactly how water is collected and stored and cleaned and delivered and-

Wanda: Yawn burger with a side of snores, as your partner, I cannot do a report on water WITHOUT water. That's enough. I'll take the bucket to class, you clean up.

Arnold: Okay.

Maria: Don't worry I'll tell anyone that comes in you're with me.

Arnold: Okay.

(Liz backstrokes in the sink.)

Maria: Liz is sure having a fun time.

Arnold: Yep

Wanda: Oh and don't forget Miss Frizzle's keys.

Maria: We won't forget.

Wanda: Hi Tiffany.

Tiffany: Hi Wanda. Hi Arnold. Hi Maria.

Arnold: Tiffany?!

Maria: Hey Tiffany. We're just here to get water for Arnold's project. The bathroom across the way is broken. We were just leaving anyway.

Tiffany: Okay. Thanks for telling me.

Maria: You're welcome.

Maria got Ms. Frizzle's keys and left.

Tim: Come on, Arnold, it's time for your report.

Me: Yeah!

Arnold: I know. Thanks for helping us with this guys.

Me: No problem Arnold. I've always wondered how the cities water filtration system worked.

Wanda poured the water into a funnel.

Arnold: Careful, Wanda! You'll drown my Water Works!

Wanda: Arnold, a properly constructed Water Works cannot drown.

Rainbow Dash: We're going to be careful.

Then there was a rumble!

Me: UH OH!

Carlos: WHAT'S THAT NOISE?!

Natalie Frizzle: Sounds like mom is about to make an entrance!

Then the door bursted open and out came a wall of water and Ms. Frizzle was surfing on a surfboard on a wave out of her closet!

Miss Frizzle: Wa-ha-ha-hoo!

Me: HANG 10!

She landed

Ms. Frizzle: Good morning, class.

Me: Morning Ms. Frizzle. Nice entrance.

Class: Good morning, Miss Frizzle.

Natalie Frizzle: Morning mom.

We gave everyone towels and dried them off

Miss Frizzle: Oh, everyone ready to find out where water goes and what it does?

Me: Always ready.

Nico: This will be fun.

Arnold: Ready when you are, Miss Frizzle.

Wanda: Actually, I'd rather hit the Surf Ride at Waterland!

Ymir: Waterland?

Me: Oh it's a new water themed amusement park that they just built

Miss Frizzle: Oh, Waterland, of course! The perfect introduction to our investigation of water!

Ms. Frizzle threw her wetsuit and the skeleton put it on.

Wanda: [gasps] Are you suggesting that we really go there?

Miss Frizzle: I don't see why not.

Carlos: Yeah!

Keesha: Oh boy!

Wanda: What a great idea!

Me: This will be interesting.

Natalie Frizzle: Yeah! This will be fun mom!

Arnold: Wait, going to Waterland has nothing to do with the serious study of water.

Me: Actually it does.

Ralphie: Sure it does, Arn. We could think of a mighty river as we're riding the Floo-marang.

Me: Cool!

Carlos: This brochure shows the new storm cloud simulator they just built.

Keesha: And we could appreciate rainfall in the Raindrop parachute ride.

Me: That is going to be fun!

Arnold: But what about our report? it's all about how we use Water Works to get clean water where we need it when we need it. See?

Me: Yeah!

Miss Frizzle: Oh, it really is quite wonderful, Arnold.

Wanda: But compared to Waterland it's dry, dry, dry. Water's no fun unless you're in it.

Maria: I know the feeling myself.

Miss Frizzle: Oh, water. What goes around, comes around. A veritable merry-go-round of moisture. To the bus!

Me: Lets go!

Class: YAY!

We came out of the school and the storm was done.

Class: WATERLAND! YAY!

Dorothy Ann: Look at the rain gauge, it really rained a lot.

The rain gauge was half full.

Tim: Yeah, more than two inches in the last hour.

Me: Wow sure rained a lot.

Dorothy Ann: According to my research, that's a school record for rainfall.

Me: I've seen heavier storms that produce bigger rains than that.

Wanda: Come on you guys, we're going to study some serious water.

Me: Go for it!

They all got onto the bus except for Maria and me.

Maria: Yeah!

Miss Frizzle: Uh, Wanda, do you have the keys you borrowed from me?

Wanda: Um...

Miss Frizzle: Oh, never mind, I have a spare key somewhere in here I think. Here it is.

She opened the glove box and in it was a bunch of stuff. She moved it and found a spare key

She turned the key.

Ms. Frizzle: And here we go!

Arnold: Wait a minute, I have a hunch, this is not the way to Waterland!

She pulled the level and the buss turned into a WATER PITCHER!

Arnold: This is a-

The bus poured the class and everyone into the rain gauge and the bus turned into water and went in!

Class: Field trip! (everybody cheers)

Me: WHOA!

Maria: WHAT IN THE WORLD!?

Ralphie: What happened?

Miss Frizzle: Welcome to the real Waterland!

Wanda: Where everything is water! Even us!

She punched herself and it didn't hurt.

Me: Whoa you guys look so cool as water!

Maria: You guys are going to experience what I felt when I was made of water.

Me: Nico how do you guys feel like that?

Nico: It feels really cool!

Luna: Boy this is really awesome dudes! Now we get to see what Hydro Man goes through like this!

May: This is awesome though!

Arnold: I hate getting wet.

Miss Frizzle: As I always say, Arnold, a little water never hurt anyone.

Tim and Carlos bumped and they separated.

Carlos: Woah, this is awesome.

Me: That is cool though.

Eli: Boy this is awesome to be made of water.

Wanda: I hope we're not gonna stay in this rain gauge all day, that would be boring.

Me: Yeah that wouldn't be fun at all.

Miss Frizzle: And we wouldn't want that.

The sun then shined down.

Ralphie: Is it just me, or is it getting really warm?

Me: Whew. That's because the sun is starting the shine.

Arnold: Um, Miss Frizzle, what happens when water gets warm? Do I really want to know?

Then Phoebe started floating up into the air

Phoebe: Gosh, I'm rising into the air.

She turned into a vapor.

They all were rising into the air as a gas.

Me: Whoa!

Maria: Wait for us!

We flew up to them.

Ralphie: Whoa! See ya!

Wanda: Ralphie! Is it just you or are we all floating into the air?

Me: It's not just him it's all of you!

Miss Frizzle: When water is warmed by the sun, it evaporates!

Arnold: You mean we're evaporating?! HEEEEEEEELLLLLLP!

We were flying with them into the sky.

Arnold: At least being water meant we stayed on the ground. I wanna be water again.

Keesha: We still are water, Arnold. When water evaporates it becomes water vapor.

Wanda: It's a gas, Arnold.

Luan: Boy this is a GAS!

WE LAUGHED!

Eddy: (LAUGHS) Good one!

Ralphie: We're been vaporized!

Me: When water is heated by the energy of the sun to 212° Fahrenheit it turns into water vapor. It's part of water.

Nico: Like how you boil water on the stove.

Me: Exactly.

Arnold: I get it, first we were a liquid, then we became a gas. I still don't like it.

Me: You guys were once water before remember?

Wanda: (sneezes and shivers) Ah- ah- ah- AAAACHOO! Oh, it's getting cold up here!

Me: The temperature dropped significantly.

Phoebe: Hey, I'm unvaporizing, look at my hands! I'm turning into tiny droplets!

Phoebe and everyone turned into billions of microscopic water droplets.

Miss Frizzle: That's because we're changing back into a liquid. We're condensing. Water is as water does! Wheee!

Ms. Frizzle turned into a cloud and flew away!

Phoebe: Miss Frizzle, you turned into a cloouud!

They all turned into clouds!

Me: WHOA! You guys are all clouds!

Maria: That is so cool! Horsea how do you feel?

Horsea: This is so much fun!

Rainbow Dash: THIS IS AWESOME!

Miss Frizzle: Oh, isn't this heavenly!

Dorothy Ann: Wow, I never knew a cloud was water too!

Me: Clouds are made of many microscorpic water dropplets. About 50 to 300 water droplets per cubic centimeter. Remember?

Nico: I sure do.

The wind blew them.

Class: HEY! WE'RE MOVING!

Wanda: This is faantastic!

Me: Boy it sure is!

Maria: You guys are so puffy like marshmallows!

Ralphie: DUUUCK!

We saw a flock of ducks coming!

Me: Whoa! This way ducks.

I used my powers to help talk and guide them away.

Arnold: It's not easy being a cloud. N-now where are we going..?!

The wind blew them away.

Phoebe: Wherever we're going, it looks to me like it's not our choice.

Maria: But you guys are so puffy and cool as clouds.

Me: Ever heard of that old saying, you go where the wind takes you?

Tara: That's right. I once thought like that.

Miss Frizzle: As someone once said, clouds are the playful fancies of the mighty wind.

Me: That's right!

Keesha: Does that mean clouds go wherever the wind takes them?

Miss Frizzle: In a word, Keesha, YES!

Me: Clouds are guided by the wind of the sky 24/7.

Varie: He's right.

Ymir: But this is cool!

Keesha: Oh bad, Oh bad, Oh bad bad bad.

Arnold: Then we could end up... anywhere!

Miss Frizzle: Right as rain, Arnold. Water goes everywhere!

A massive blast of wind blew them far!

Arnold: OH NOOOOOOOOOOO!

We flew far.

Wanda: I always wondered what it'd be like to be a cloud. I love it!

Arnold: Hey, watch it!

Wanda: Lighten up, Arnold, you're a cloud!

They clumped together as a big cloud.

Tim: Now we're one big cloud.

Arnold: Well, clouds don't go to school, clouds don't give reports, they stay in the air. We'll never get doown! (TURNS

INTO A WATER DROP AGAIN) OH NOOOO!

Phoebe: Arnold!

They turned into droplets again.

Ralphie: We fell out of the cloud!

They fell out of the cloud.

Wanda: Water always falls out of the clouds, eventually.

Me: WEE!

Phoebe: It's raining!

Me: Rain is awesome guys! You guys were rain before too remember?

Tim: We sure do.

Phoebe: It's fun!

Dorothy Ann: We are the rain, Phoebe!

Wanda: This is even better than the Raindrop Parachute Ride. WAHOO!

Miss Frizzle: I hope you don't mind our dropping byyy!

Carlos: Hey, a frizzle drizzle! Ha ha!

Class: WOAH!

WE FLEW DOWN INTO THE RAINFOREST!

Miss Frizzle: Go with the flow, class.

Dorothy Ann: Wait for us, Miss Frizzle!

Arnold: We're out of control!

Wanda: Don't worry, Arnold!

Arnold: Wanda, we're thousands of miles from school, running into some strange forest.

Wanda: We're almost on the ground and then we'll stoOoOP-

Arnold: Or not!

They were in a stream in the rainforest.

Me: We landed in the rainforest.

Maria: Boy this is cool!

Natalie Frizzle: It sure is!

Keesha: Is it true that water always runs downhill?

Miss Frizzle & Wanda: Yes!

Me: Because the Earth's gravity makes rain and water go downhill.

Arnold: Oh No!

Nico: Don't tell me. We're about to go over a huge waterfall.

Me: Yep.

Nico: Sharp rocks at the bottom?

Maria: Most likely.

Nico: Bring it on!

Miss Frizzle: Water works, water runs, water FAAAAALLS!

THEY WENT OVER A HUGE WATERFALL!

Nico: WEEEEEEEEEEE!

Wanda: LOOK OUT BELOOOOOOOOOOOOWWWW!

Class: WHOOOAAAAAAAAA!

Phoebe: Where is all this water going in such a hurry?

Miss Frizzle: Water always flows to the lowest spot, Phoebe. And we're almost there.

Class: The ocean?

Me: We're at the sea. Wow!

Arnold: Well, that was an interesting field trip. Can we go back now, Miss Frizzle?

The sun shined again.

Me: Oh it's time for it to repeat.

Miss Frizzle: Oh, I'd like to help you out, Arnold. But-

Arnold: Oh no, we're evaporating again.

They turned into vapor again.

Wanda: I love this part.

Me: WEE!

Miss Frizzle: Who knows what happens next? Hands.

They turned into droplets again.

Wanda: We condense into water droplets.

Arnold: B-b-b-been there, d-d-done that.

Miss Frizzle: And it won't be the last time, Arnold. What happens next?

Phoebe: We become clouds.

They turned into clouds.

Tim: Then, we get blown who knows where by the wind.

Me: Yep.

Miss Frizzle: Oh! And next?

Wanda: And fall somewhere as rain again!

Me: Yep!

Miss Frizzle: (gasps) Excellent observation, Wanda.

They turned into droplets agai

Arnold: Are you suggesting that water never stops moving? Ever?!

Miss Frizzle: In the words of my Great Aunt Matilda, "No...hohoho..."

Arnold: Here we go again.

Me: Yep.

we fell.

Phoebe: You mean water keeps evaporating, condensing, raining, collecting?! Forever?!

Miss Frizzle: Oh, Bingo! That's why its movement is called the water cycle.

Me: The Water Cycle is always forever.

Dorothy Ann: But water has to go somewhere.

Miss Frizzle: Oh, it does. It goes around, and around, and around, and around, and around, 'round, 'round, 'round. 'Round, and around, and around, and around, and around, and around, and around, and around, and around.

Me: Funny. But the Water Cycle is an eternal force as long as there are different conditions.

Tim: We could be water for the rest of our lives.

Me: Lets not panic on that.

Wanda: We could stay stuck in the water cycle forever! WAHOO!

Me: You guys are having a fun time.

Nico: I agree there.

Arnold: Wait a minute. This is a field trip, right? I mean, we've got to get back by 3 o'clock. Don't we?

Me: And we got to get back for the rescue too.

Nico: Yep.

WE SAW THAT WE WERE IN LONDON!

Ralphie: Oh, no! It's already 3 o'clock! I'm gonna miss batting practice!

Keesha: And I've got a dance lesson!

Miss Frizzle: (British accent) Not to worry, mates. It's only 3 o'clock in London.

Class: London?

Me: Don't worry it's not London's time where we are. London is 6 hours ahead of us in Michigan.

Ralphie: Oh!

Class: WHOAA!

They landed in a cup I had.

Me: There!

Arnold: How do we get outta here?

Me: Well we'll have to get you guys back to normal.

Keesha: I've got it, Miss Frizzle. Since you're the one that turned us into water, just turn us back into regular kids.

Miss Frizzle: (sigh) Unfortunately, Keesha, I can't do that because the key I use to turn us all into water is also water.

The key was also water too.

Me: SLAG!

Keesha: Well... don't you have another key?

Miss Frizzle: Would you care to take that one, Wanda?

Wanda: Heheh... Well, I um- I borrowed Miss Frizzle's keys when Arnold and I um went into the girls' bathroom um- Arnold?

Arnold: I, uh- I- I left the key in the bathroom.

Class: (all glare at him) Arnold!

Maria: No he didn't. I have the keys right here.

She held them up after getting them out of her pocket.

Arnold: Oh thank you Maria. But, that's not all. I also forgot to empty the sink, and I think I forgot to turn the water off all the way.

We gasped!

Me: Uh oh.

Arnold: What if the whole school is flooded?

He thought the whold school would be flooded.

Nico: Oh boy.

Wanda: Oh, how could you?!

Me: Now guys lets not panic. We can get back.

Arnold: Well, if- if we just done our reports in the first place, none of this would've happened.

Me: Now we got to get back and fast.

Carlos: What do we do now?!

Miss Frizzle: Remember the water cycle. What comes after raindrops?

The sun was shining.

Class: Evaporation!

Me: Here we go.

The class and everyone turned into gas.

Arnold: I knew I should've stayed home today.

Natalie Frizzle: It'll be okay Arnold.

They turned into clouds

Wanda: It's cloud time again, you guys!

Keesha: Seems to me, the only way out of the water cycle is to stop being water.

Maria: That's a good idea. I'll hand you guys the keys when we settle this.

Natalie Frizzle: Good idea.

Miss Frizzle: (gasps) An absorbing solution, Keesha.

Wanda: I've got it! Clouds are water and can go everywhere, right?

Miss Frizzle: Wherever the wind blows, Wanda.

Wanda: So what if we could blow our clouds wherever we wanna go.

Miss Frizzle: I think that could be arranged. Don't you J.D.?

Me: You know it. Here we go!

I flapped my wings and blew them back with a powerful wind..

Miss Frizzle: Here we go!

Class: Yay! Woohoo!

They were being blown back.

They turned into a huge cloud and we saw the school.

Wanda: It's our school!

Arnold: And it's not flooded!

Me: Thank goodness.

They fell down.

Arnold: Weeee!

Me: Here we go.

Wanda: Almost... there... Whoops!

SPLAT!

Me: You okay?

Wanda: Yeah. Liz!

Me: Oh no! Liz is in there too! And she is stuck in the faucet!

Wanda: LIIIIIIIIIIIIIIZ!

She fell into a puddle.

Me: Oh man.

Class: (minus Wanda) Here we are, Wanda!

Arnold: Did you see the bathroom?

Wanda: That's not all I saw. The bathroom's flooded and Liz is stuck in the faucet!

Maria: I'll go to the Bathroom door and wait there for you guys. Okay.

Arnold: Maybe she was trying to escape!

Carlos: We've got to get inside!

Phoebe: But how? We're only water!

Me: I think Arnold has the answer.

Arnold: I know! The waterworks!

Class (minus Arnold): The waterworks?

Me: Through the Cities Water Filtration system! Of course!

Arnold: The real Water Works! The one my model is modeled after. It gets water to where we need it.

Maria: Good idea!

Keesha: And we're water, and we're needed in the girls' bathroom.

Arnold: And I know how to get us there.

Wanda: Arnold, you're a genius!

Arnold: I am?

Maria: We'll meet you guys there. Let me know when you are there.

Nico: Roger that.

Me and Maria went into the school.

The class and everyone evaporated.

The bus formed a fan s they were a cloud.

Miss Frizzle: To the Water Works.

They got to the reservoir.

Arnold: The reservoir. That's where the water is stored and that's where the Water Works start.

Nico: The reservoir is like a lake.

Miss Frizzle: Class, prepare to rain. Yee-he-he-ha-ha-ha!

They got to raining.

Wanda: There's no turning back now! We're in the reservior!

They got into the reservoir.

Arnold: At last, I get to get my report!

Dorothy Ann: According to Arnold's research, a reservior is where the water we drink is collected.

They went down the reservoir and it was full of dirt and filth!

Ralphie: Um, Arnold, if this is the water we drink, it's pretty disgusting.

Carlos: Yeah, it's full of dirt, yuck!

Nico: Well fresh water is usually filthy when it starts.

Carlos: I can't believe we drink this stuff.

Arnold: Follow me to the mixing basin. Step one in cleaning our water.

They got to the mixing basin and it was like a grate that gets rid of filth and unwanted grime.

Tim: Things are sure getting mixed up in here but it doesn't look any cleaner.

They saw fans mixing white globs to get the dirt off the water.

Carlos: Yeah, Arnold. What is this white stuff? More junk?

Arnold: Actually, it's alum and if you look closely, Carlos, you'll know that the dirt is actually sticking to it and thereby cleaning the water.

Lisa Loud: That's right and it's also known as potassium aluminum sulfate and it's used primarily to clean the water.

Phoebe: (laughs) It tickles!

Varie: (LAUGHS) It sure does!

Carlos: Yeah, but now the water is full of alum blobs.

Keesha: How do we get rid of this stuff?

Arnold: This way to the settling basin.

They went to the settling basin and saw the alum globs settling.

Wanda: Look, the dirty alum is settling to the bottom. And up here, the water's clear.

It was clear up above.

Tim: Are we clean yet?

Arnold: Almost, we need to get filtered. Onto the filtration tank, class.

They went into the filtration tank.

Arnold: We will now filter through the sand and gravel which you see below you. To get rid of any tiny particles that may have slipped through the cleansing process, so we can get really really clean.

Nico: Like how food gets filtered through a strainer.

Camie: Yeah!

Ymir: This will be fun.

Wanda: Then let's go!

They went through.

Phoebe: (laughs) Wee!

Carlos: Wee!

Arnold: Wahoo!

Arnold got stuck.

Arnold: Help!

Ms. Frizzle helped free him.

Arnold: Gee, thanks, Miss Frizzle.

Miss Frizzle: Aw, anytime, Arnold, don't let this dampen your enthusiasm.

Wanda: Hey, Arnold, now that we're clean, how much further to the girls' bathroom?

Arnold: Um, this pipe should lead to the school.

They saw a pipe.

Tim: Come on, you guys! Woah!

They went through it fast.

Class: WOoOaah!

I looked on my radar for them.

Me: Here they come.

I saw a bunch of blips coming.

Maria: Stand by.

Ralphie: Are we there yet?

Arnold: Almost!

They got to the pipe that leads into the Girls Bathroom Faucet.

Arnold: Look! A sea monster!

They saw a tail stuck in the pipe!

Wanda: Wait. That tail looks familiar. Why it's... It's Liz! Liz! It's us, we're inside the faucet! You can pull your tail out now!

She tried to move but her tail was wedged in there.

Arnold: It must be stuck.

Wanda: I hate to do this, Liz, but it has to be done.

CHOMP!

She bit it!

Liz jumped in pain!

Wanda: Hang ten!

They came out.

Ralphie: Hey, your bathroom is way nicer than ours.

Class: (Cheers)

They fell into the water in the floor.

Me: Now Maria!

Maria opened the door and like Yen Sin she pushed the water away and cleaned it up. Then she turned off the water and pulled the drain plug on the sink.

Maria: I've always wanted to do that!

She gave the keys to Ms. Frizzle and the bus turned back and they were all back to normal!

Me: WOW! What a watery trip!

Arnold: (chuckles) Uh, well, I guess you could say our field trip made a real "splash".

Class (minus Arnold): (all laugh)

WE LAUGHED HYSTERICALLY!

Me: (LAUGHS)

Nico: (LAUGHS) GOOD ONE!

Eddy: (LAUGHS) That was a good one!

Luan: (LAUGHS) YEAH!

Later the rescue started.

Later it was time for the rescue and the U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log Stardate, 14266.2: The U.S.S. Valorous Phoenix is en route to the planet Wolfmoonraira and our mission is to battle the akuma of Markov, a robot that was Akumatized that can bring inanimate objects to life. Our mission is to stop him and put him in the M.O.E.

Me: This will be so cool.

Qin: It sure will be!

Xenia: Yeah!

Qin: That was so fun learning all about what it was like to be water.

Nico: That was the most fun ever.

Lincoln: Yeah it was!

Camie: That was fun!

Me: Glad you had a lot of fun on that.

Nico: Crashhopper, I want to thank you, Ko Guy, and your teams for coming

Crashhopper: No problem Nico. This will be so fun.

Me: It sure will.

Natalie Orromov: I'm excited for this too.

Nico: Natalie, what do you like to do in your free time?

Natalie Orromov: I work as a gardener at a greenhouse.

Laney: I buy lots of seeds for herbs and spices and fruits and vegetables there.

Natalie Orromov: Yes it's true.

Me: Cool cool.

Nico: Awesome job there.

Natalie Orromov: Yep. It sure is.

Poromon: Can I have some?

Laney: I got lots and lots of seeds for everyone to use there.

Poromon: Neat!

Me: Yep.

Qin: Yeah! (LOUD FART) (FIRE BLAST) Oops. Sorry. Had some of of Samsara Curry's death curry for lunch after the field trip.

Me: Oh boy.

LOUD EXPLOSIVE FIERY FART IN MAY'S FACE!

May: (COUGHS)

Me: WHOA!

Qin: Oh man! May are you okay?

May: I'll be okay.

Manaphy hugged May

May: Aw thank you Manaphy.

Qin: Boy that curry is strong stuff.

Camie: It sure is.

Me: Manaphy how are you feeling?

Manaphy: Getting better. Just got a bit to go.

Xenia: You're making good progress though.

Eddy: Keep it up and you'll get 2 weeks worth of jawbreakers.

Manaphy: You know what? Okay!

Me: Awesome!

Eddy: (LAUGHS) That got your attention didn't it?

Me: Yep.

Qin: Yeah!

Applejack: Boy howdy. Yesterday was as amazing as a Texas Rodeo.

Me: It sure was Applejack. You did the Apple Family and Ponyville and us really proud.

Applejack: That was amazing! YEEHAW!

Nico: We awakened your other self

Applejack: We sure did.

Applejack (G5): It's great to be back after over 1,000 years.

Me: We just have Rainbow Dash to find and then we'll be ready for the Prophecy.

Nico: I agree.

Qin: No kidding.

Me: Only fulfilling the Prophecy will bring back Twilight Sparkle.

Nico: Won't be long now

Me: I don't know how much time we have but the planets will soon align and that's when it has to be done. Otherwise we'll have to wait another 500,000,000 years.

Qin: And that is time we don't have.

Fire Moon Bloom: What do you mean?

Me: Oh I was chosen to fulfill a prophecy that involves me slaying one of our most dangerous enemies during an EXTREMELY RARE planetary alingment. The Sun, Jupiter, Saturn, Uranus, Neptune, Venus, Mars, Mercury and Pluto are all going to align I have to kill an evil Powerhungry Fire Alicorn named Opaline Arcana with ultimate and powerful magic channeled into me. It's part of a powerful prophecy to help bring back Twilight.

Fire Moon Bloom: Oh man! I had no idea you were chosen for that.

Me: Yeah. Lincoln had his turn at his family's prophecy. Now it's mine.

Nico: It shouldn't be that long now

Me: I hope it's in the next couple of days. We're running out of time.

Qin: Yeah.

Nico: Just be patient.

Me: Okay. But either way, now Kyle the buttface is in prison.

Lincoln: On the planet Bespin.

Qin: Yep.

Nico: And he didn't have Salty Mike to back him up

Me: Thank goodness. He is still our prisoner thank goodness.

Qin: Yep.

Laney: And Applejack's Akuma was a REALLY SCARY Scarecrow!

Lola: No kidding!

Qin: Reminded me of The Demon Farmer and many scarecrow monsters Shaggy and Scooby faced.

Nico: At least this one had no fear gas

Me: True.

Qin: Yep.

Vierra Voltic: I heard about how that happened to you and J.D., Nico. (Mischievous Smirk) Too bad it didn't hit Jessie. I would have loved laughing my butt off at seeing her scream when she saw herself fat, old and ugly!

BURN! BOOM! ROASTED!

JESSIE GROWLED IN FURY AND RAGE!

James and Meowth laughed hysterically!

James: (LAUGHS) JESSIE GOT ROASTED BIG TIME!

Meowth: (LAUGHS) THAT WAS SO FUNNY!

Jessie: I AM GOING TO SNAP YOUR NECK YOU LIGHTNING MONSTER!

Vierra Voltic: BRING IT ON!

Nico: Eli?

Eli: What am I? Your bodyguard?

POW!

SHE PUNCHED JESSIE AND THEN...

ZZZZZZAAAAAAAAAAAAAAAAAAAAAAAAAAPPPPPPPPP!

SHE SCREAMED IN AGONY AS SHE GOT ELECTROCUTED WITH INTENSE ELECTRICAL ENERGY!

Jessie was burned to a crisp and knocked out.

Me: OUCH!

Qin: YIKES!

Vierra Voltic: When are you gonna learn Jessie? No one messes with Catatumbo Thunderqueen Vierra.

Me: You got that right Vierra!

Nico: I meant for you to bonk their heads together!

Eli: And I'm saying I'm not your bodyguard!

Me: Okay guys calm down.

Qin: Yeah!

Eli: Sorry.

Nico: Sorry.

But then...

CHOMP!

Nico: EEEEYEOWCH!

Nico got bit on his tail!

We saw the Snubbull on him.

Me: Hey now.

I grabbed the Snubbull.

Me: Now now Nico's tail is not a chew toy.

Sheena: I think that Snubbull is really unhappy back home.

Ash: Oh yeah. Madame Muchmoney pampered her Snubbull so much that she left and ran away.

Me: Oh man. Wait (To Naruto) Bro are you thinking what I'm thinking?

Naruto: That this happening with the Snubbull is very coincidental as Tora the Demon Cat?

Me: Bingo.

Nico: Huh? Tora the Demon Cat?

Me: Oh yeah. In 150,000 years, as one of our many D-Rank missions we had to catch Madam Shijimi's cat Tora and she was a REALLY NASTY nightmare for many of the ninjas and Genin of the Leaf.

Naruto: No kidding there. She would always run away because of all the love she got from her and it drove all the Genin and shinobi of the Leaf crazy.

Nico: I see what you mean.

Qin: Very coincidental.

Me: Yeah no kidding.

Naruto: I can't tell you how many times I got scratched all over from her.

Qin: YIKES!

Nico: (to Maria) Now we know what it's like to be in your shoes.

Maria: Yeah but you guys got to learn all about water too. That was cool.

Luna: It sure was dudes. Now I can see why Hydro Man had it rough.

Qin: Yep.

Lisa Loud: We have arrived at our destination!

Nico: On screen.

We saw Planet Wolfmoonraira!

Me: So that's Wolfmoonraira.

We landed.

We arrived on Wolfmoonraira, and it was everything Lincoln said and his rainbow energy aura exploded as he grew stronger, same with all of us.

Me: Whoa! So, this is Wolfmoonraira. (GULPS) This place sure is absolutely awesome.

Nico: And scary too.

Qin: Wow!

Lincoln: This place hadn't changed one bit, it's still as awesome as ever.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) I've heard of the stories of Wolfmoonraira, and like many other planets that hadn't been invaded by The Infernairans, it's a place full of life.

Lincoln: And guarded by the warrior angels, The Wolfmoonrairans.

Lola: Yeah.

Maria: That subject was perfectly fitting for me earlier.

Me: It sure was.

Qin: Yeah. We all got to see what it was like to be water.

Me: Yep. And Arnold learned a huge lesson about making sure to turn the water off and empty the sink when you're done.

Maria: Yep.

Nico: Yeah.

Maria: Also I got to do what Yen Sid did in Fantasia.

Mickey: I'll never forget that. That was so awesome.

Maria: I've been wanting to do that for a long time. Such a timeless classic.

Mickey: It sure was. You did great Maria.

Maria: Thanks Mickey.

Horsea snuggled up to Maria

Horsea: It was so fun being clouds too.

Qin: It sure was.

Lola: That was so much fun.

Nico: And J.D. that was really clever using your wings to blow us back to Michigan.

Me: I sure was clever.

Qin: Yep.

Little did we know that we were being watched.

Me: Uh guys is it just me or does anyone get the feeling we're being watched?

Nico: Is it one of Anti Monitor's goons?

Eli: I don't sense anything.

Me: (Sniffs) PHEW! It smells fishy.

?: You caught onto my scent.

We saw a shark girl in blue pants and has blue skates on.

Anabel Scott: Anabel Scott A.K.A. Scoutreef at your service.

Me: You're half Reef Shark! Awesome!

Qin: Cool!

Jillian Scott: Good to see you here sis.

Irena Scott: Same here.

Anabel Scott: Glad you're back to normal sisters.

Me: What do you do for the Tidal Fangs?

Anabel Scott: I'm the scout and Reconnaissance master for the team and get information to get around defenses and traps.

Me: Wow!

Nico: What were you doing before Gene Slamming yourself?

Anabel Scott: I was scouting out Paradigm's lair

She scouted out Paradigms lair for any security cameras and more and used SUPER HIGH TECH X-Ray and Infrared goggles to monitor the place. She then took a vial full of Reef Shark DNA and injected herself. It was pain and she turned into SCOUTREEF!

FLASHBACK ENDS

Anabel Scott: I use super high tech binoculars equipped with infrared, X-Ray, Gamma Radiation, Scanning and more and scout the area for all that.

Me: Wow very high tech.

Anabel Scott: It sure is.

Nico: And your personal hobbies?

Anabel Scott: I like doing skateboarding and stunt moves at the skate park.

Stacy Bolton: RIGHTEOUS! Looks like we're going to be skate partners too.

Anabel Scott: We sure are.

Nico: Even though you're our first reef shark

Ymir: That is cool!

Anabel Scott: It sure is.

John Bolton: We never encountered any reef shark gene-slammers before.

Anabel Scott: That makes me the first.

Me: Yep. Would you like to be reverted back to human?

Anabel Scott: I would like that.

I put on my blind man glasses.

Lincoln: Keep your eyes to yourselves perverts!

Nicole: Aw Lincoln I was going to say that!

Lincoln: Sorry Nicole. (LAUGHS)

Me: It's going to hurt though.

Anabel Scott: I'm ready.

Me: Here we go. (SNAPS FINGERS)

I snapped my fingers and she doubled over in pain and reverted back. She was a girl with grey hair and had blue eyes and had a Whitetip Reef Shark on her forehead.

I wrapped her in a blanket and we brought her over. But her pants, underwear and skates fell off.

Camie: I think her clothes are too big to fit now.

Me: Yep.

She felt her back.

Anabel Scott: Geez that really hurt.

Me: But you're human again.

I showed a mirror and she gasped!

Anabel Scott: (GASP) Wow! I'm human again!

Me: But you now have the power to transform at will.

Lola: Many gene-slammers we know can do that.

Me: Yep.

She pulled her pants

Anabel Scott: My pants won't fit me anymore.

Me: No they won't.

Rarity: Lets get you some new clothes darling.

The fashion brigade gave her new blue and gray clothes, a water sword and a belt for her scouting gear.

Anabel Scott: I look amazing.

Me: You sure do. And the shoes you have on can turn into skates.

Anabel Scott: Awesome. (SCREAMS) WHOA! Why does my back feel so heavy?

Me: (GASP) Your wings came in.

She gasped and saw Grey Angel Wings on her back!

Anabel Scott: Oh wow! I have wings! I'll have to practice with them later.

Me: Yep.

Nico: Now we got a job to do.

?: (Strong Manly Voice)(Divine Heavenly Godly Voice) You have arrived, Lincoln Loud.

Suddenly, Lincoln saw a strong-looking male brown-furred humanoid werewolf who was really tall at 950'11" with abnormally massive and powerful upper and lower body muscles and twelve-pack abs, he was shirtless with a purple sun and moon on his chest, he has long dark blue hair going down to his shoulders, long and massive brown tail, dark blue eyes, massive dark blue angel wings, he has on a dark blue loincloth, and black sandals, and this was someone Lincoln recognizes all too well.

Lincoln: (GASPS) Wolfgang Wolfmoonraira, King of The Wolfmoonrairans of Planet Wolfmoonraira.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln, you know him?!

Lincoln: I do, he's the father of my Guardian Angel, Wyrora Wolfmoonraira, and I've also been here to Frankensteinaira eight years ago.

Then, all of the other septillions of male Wolfmoonrairans came to Lincoln.

Wyrora Wolfmoonraira: (Strong Manly Voice) That's correct, you came here eight years ago when my daughter wanted to introduce me to you. (Smiles) You've grown that much stronger and taller, you're just as tall as me, and you're also even more muscular than all of us males, and it's no wonder my daughter couldn't even keep her hands off you as you grew into the man they and the others had helped you become.

Lincoln had an embarrassed blush on his cheeks and muzzle as Wyrora Wolfmoonraira chuckled.

?: Oh man, Linky, you're here! You got here just in time.

Suddenly, we saw a beautiful grey-furred werewolf girl who was tall at 250'11" in height, she has the body of a goddess and large breasts, tanned skin, long dark blue hair, dark blue eyes, she was dressed in a red plaid short-sleeved shirt, dark blue skirt and wolf moon symbol on it, she has massive black angel wings, and she has a darkness greatsword in her right hand.

Lincoln: (GASPS) Wyrora Wolfmoonraira, Queen of The Wolfmoonrairans of Planet Wolfmoonraira.

Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility and male fertility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln had undergone the rite of The Reincarnation of Amaterasu absorbing the septillions of trillions of male Wolfmoonrairans into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, immense regeneration, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, and immense omnipotent powers of darkness, moonlight, wolf moon fire, and the powers of The Wolf Moon times infinity, and the ability to grow stronger, and immense virility and male fertility, and finally, Lincoln absorbing Wolfmoonraira and its core and Wolfmoonraira's Sun and Full Moon into his body to preserve their legacy. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a blazing passion, and she swore to summon a massive pack of wolves and werewolves on the night of a full moon to hunt them down and rip them apart limb from limb!

Lincoln: And there's something I need to tell you.

Wolfgang Wolfmoonraira: I know. You had the vision, it's time.

Lincoln: Yes, it is.

Suddenly, Wolfgang Wolfmoonraira chanted an ancient incantation and a magic circle appeared below Lincoln's feet and it glowed with incredible power.

Wolfgang Wolfmoonraira: Do not worry, we will always be with you, Lincoln, now and forever. Our legacy will be preserved within you.

Suddenly, Wolfgang Wolfmoonraira and the other septillions of male Wolfmoonrairans embraced Lincoln, and one by one, they began entering his body and they merged with him as he absorbed them: mind, body, and soul, and that led to Lincoln suddenly gaining an infinitely astronomical massive power boost and he gained their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, immense regeneration, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, and immense omnipotent powers of darkness, moonlight, wolf moon fire, and the powers of The Wolf Moon times infinity, and the ability to grow stronger, and immense virility and male fertility, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! This feels incredible. RRGH!

When it was all done, Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces, animals, and mythological beasts and rainbow protective aura and holy white aura was raging like a really massive wildfire and he has a dark moon aura with shadow wisps surrounding him as he pounded his chest like a gorilla.

Lincoln: Whoa...! This feels so incredible!

Suddenly, Lincoln flexes his massive muscles as his massive biceps bulged even more with veins forming and the image of tank turrets firing formed and volcanoes erupting on his massive biceps and the image of cannons firing and volcanoes erupting formed on his massive pecs.

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln: (GROWLS) RRGH! Ooh yeah, this is so awesome! (WOLF ROAR)

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Wolfgang Wolfmoonraira: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Letting the beast out, all the males of the Forbidden Zone planets including us do tend to do that on many occasions to show our virile dominance which made the many females swoon over us.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln's grown that much bolder and confident thanks to his Guardian Angels.

Nico: That's for certain, and the girls in his harem wind up getting driven wild and wind up getting aroused even more from every single act of manliness Lincoln displays.

Me: And all that's left is for him to absorb your planet and its core along with its Sun into his body, and wait, you also included immense virility and fertility as well? That means...!

Wyrora Wolfmoonraira: We knew Lincoln's the infinite-times virile stud since he was born with hyperpuberty, and the genes of his parents and his own extremely high virility, fertility, testosterone, extreme levels of libido, and excessive sex drive, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes and constant years of training, he gained the powerful and massive body that all bodybuilders could only dream of: the body of all the male Gods and the ancient male warriors of ancient times and bodybuilders of history combined, and that along with his personality, gentleman nature, and noble heart, he'd attracted tons of girls, and every lovemaking session he has with his harem, his future wives winds up getting impregnated by him in less than a second, and it doesn't take long for the effects of pregnancy to kick in, which are much faster than ever.

Rita: We had no idea about it before. But, during Lincoln's check-ups with Dr. Feinstein, he did show us all of what you just told us.

Nico: Wow...!

Wyrora Wolfmoonraira: I know that shocked you all especially Regina's journal about Lincoln's health reports, but everything I told you is all true, and it's good to see you again, Lincoln, but wow, you've really grown a lot in height and muscle mass since last I saw you.

Suddenly, Lincoln pinned Wyrora Wolfmoonraira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with

gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Wyrora Wolfmoonraira with dark blue gems on the gold lightning bolts and dark blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

He then helped her up and he kept her close to his body as she took the time to rub his massive muscles and massive hairy pecs.

But, then, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged

even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle and beside his left and right thighs and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Eli: What's this?! Lincoln's power is rising even more.

Wyrora Wolfmoonraira: That's my special gift to him: Wolfmoonraira's Blessing of Divine Darkness Wolf Moon Power Justice, and each of the Forbidden Zone Planet Queens have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 950'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolfman with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Wyrora Wolfmoonraira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Wolfmoonrairans both males and females were extremely passionate when it came to sex and lovemaking.

Lily the Mermaid: Ooh boy.

Lincoln: That'll be for much later. Okay, guys, we're in for one intense battle, we're here on the planet of Wolfmoonraira to help Serena and Erica unlock their Rainbow Power and take down Robostus.

Nico: He's gonna be one tough opponent.

Me: But, we're ready for him.

Yumi heard a Pokemon cry

She then saw a bottle of medicine given to her by a Chansey.

Chansey: Here this will help you.

She gave her tussin medicine in a spoon and she drank it.

Yumi Orophelia: (GULP) Yuck! Tastes like an old shoe.

Chansey: I know.

Me: Hey a Chansey. Perfect for you Yumi.

Chansey: I know.

Lola: Yep.

Yumi Orophelia: Thank you very much. I'm always sick like this and it makes me crazy.

Chansey: You need to get some rest.

Yumi Orophelia: I should rest.

Nico: At least rest up for the usual battles later.

Yumi Orophelia: Okay. (COUGHS)

Me: Yumi is always sick like that.

Chansey: I think I understand. I'll gladly take care of her.

Me: Cool.

Poromon: Mr. Lynn's Chansey will get along great with you.

Chansey: I can tell.

Poliwag: Poor Yumi.

Me: Yeah.

Nico: I know.

Qin: Hey guys look what I found.

Qin had another Alolan Vulpix in her arms.

Me: Hey an Alolan Vulpix.

Lillie: Aww isn't she cute! Snowy has another playmate.

Me: So cute.

Nico: Wait. Something's up with it.

Me: I think it's one of Dark Gale's work.

Sheena: Yeah it is. And Lillie, it's someone you know named Gallilea.

Lillie: (GASP) It's my older sister Gallilea! I thought she was gone for good!

Horsea: Alolan Vulpix knows ice moves, right?

Brock: That's right. Unlike Vulpix in Kanto that knows Fire Moves, Alolan Vulpix is for Ice.

Me: That is amazing.

She fired an ice beam at Horsea and she put a clone in front of the beam and it hit the clone and froze it.

Me: WHOA! Cold! Okay then.

I snapped my fingers and she reverted back and was a girl with blond hair and green eyes and had blue angel wings and had Alolan Vulpix on her forehead and had a 3 lair snowflake on her arm as a cutie mark.

We wrapped her in a blanket and brought her over.

She woke up to see Horsea's smiling face.

Gallilea: (Groans) Huh? A Horsea? Wow I never saw one in Alola.

Horsea: And you attacked my clone!

Gallilea: (GASP) You can talk!

Maria picked Horsea up.

Maria: Long story on all that.

Lillie: Hey sis. You're okay.

Gallilea: (GASP) Lillie!

She hugged her.

Gallilea: I'm glad you're okay and you got over your fear of touching Pokemon.

Lillie: I sure did. And this is my Alolan Vulpix. Snowy. I raised her since she was an egg.

Gallilea: She's beautiful.

Me: And it's fitting too because you were turned into an Alolan Vulpix yourself by Dark Gale.

Gallilea: (GASP) Oh man. I was battling some of Team Skull when it happened.

Me: Those thugs love causing trouble.

Lillie: Yeah.

Horsea: They sure do

Lillie: Also Gallilea hates mom.

WE GASPED!

Me: How come?

Gallilea: I got fed up with her always treating her like a little baby and always obsessing with her work on the Ultra Beast Pokemon.

Me: I don't blame you. But Lusamine is not like that anymore. A while back we found out that she was like that because of the Pokemon, Nihilego.

Horsea: And she's not the worst parent

Me: No she's not. We saved her.

Lusamine came.

Lusamine: It's true Gallilea. I'm sorry.

Gallilea: Okay I forgive you. On the condition you stop treating Lillie like a baby. She is a big girl now.

Lusamine: Done.

Me: Good.

Rarity: Lets get you some new clothes darling.

The fashion brigade gave her new purple clothes and an ice sword.

Gallilea: I look amazing.

Me: You sure do.

Gallilea: Also i need your help later on. I need to find dad.

Me: What happened to him?

Gallilea: Our father Mohn vanished while researching Ultra Wormholes. We looked for him everywhere but we can't find him.

Me: We'll find him.

Horsea: Remind us to do that later on

Me: Noted. Now we got a job to do.

Allie Maxwell: Oh no! What the Hell are you assholes doing here?!

Gohan: You know them?

Allie Maxwell: I wish I hadn't, these five are the most notorious bastards and criminals ever to lurk New York and my hated archenemies other than that piece of shit, Drake Maxwell, but they're also the hated younger brothers of Caleb's friend from college, Conrad Devins, the guy you saw on the tape get turned into a werewolf back in 1985 and got cured by Caleb. The male tan-furred cat with a bodybuilder physique, black hair, black tail, blue eyes full of evil, and dressed in a blue tank top, blue jeans, and black boots is Vincent Devins, he's what we'd call our world's version of Vegeta before J.D.'s words changed him for the better. He was so damn arrogant and condescending to others, it pissed me off so much, I wanted to...!

Allie Maxwell paused at her words.

Vegeta: Let me guess, you wanted to rip his face off, or worse, rip out his tongue and shove it right back down his throat along with gouging out his eyes?

Allie Maxwell: That's...exactly what I would do to him. Anyways, the second male white-furred cat with a bodybuilder physique with purple hair, white tail, red eyes full of hate, and dressed only in blue jeans and black boots is Fabian Devins, he's what we'd call our world's version of Frieza, he was a cold-blooded narcissistic cruel remorseless black-hearted bastard, and he not only pissed off a lot of people, but he also killed a lot of innocents as well, and I swore to make sure he paid the price for his crimes with his life.

Nico spat in Fabian Devins' face.

Nico: It's bad enough having to deal with Frieza, but to also deal with your world's version of him as a cat! Disgusting!

Allie Maxwell: I had a feeling you'd get pissed at him for that. The third male white-furred cat with a bodybuilder physique with green hair, green tail, red eyes full of evil, and dressed in a black and green tank top, blue jeans, and black boots is Carson Devins, he's what we'd call our world's version of Cell, and he's a destructive evil psychopath who's killed many innocent people and drank their blood, but he's not a vampire, but The Council was disgusted by him and put out a bounty on that piece of crap.

Me: He's sick.

Allie Maxwell: You got that right. The fourth male tan-furred cat with a bodybuilder physique with pink hair, red eyes full of evil, pink tail, white pants, and black boots is Martin Devins, he's what we'd call our world's version of Majin Buu before his purification, he was a destructive psychopath with a desire for destruction and he's also raided the local stores and stole a lot of sweets. I got that close to breaking his neck, but the NYPD drove him back to his lair.

Lincoln: Yeesh, and the fifth guy, he's your world's version of Broly, right?

Allie Maxwell: That's right, the fifth male tan-furred cat with green hair, green tail, and dressed only in white pants, black boots and red fabric tied around his waist, but who's also an absolute monster towering like a mountain and built like one with massive upper and lower body muscles and twelve-pack abs is Bryan Devins, and like you said, Lincoln, he's what we'd call our world's version of Broly, and he's just as chaotic, messed-up, and destructive as that monster.

We were disgusted.

Me: Oh man, these guys are just evil!

Michael Brenton: You filthy animals! I'm gonna make you suffer for everything you did.

Michael Brenton had his massive Michael Brenton's True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Cosmic Star Ferocious Tiger Crimson Inferno Phoenix Fire Storm Fury Ferocious Tiger True Seraphim God Phoenix God Archangel Zanbatō of True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Cosmic Star Ferocious Tiger Crimson Inferno Phoenix Fire Storm Fury Ferocious Tiger True Seraphim God Phoenix God Archangel Justice ready.

Archangel Zanbatō of True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Cosmic Star Ferocious Tiger Crimson Inferno Phoenix Fire Storm Fury Ferocious Tiger True Seraphim God Phoenix God Archangel Justice and all the large swords and greatswords he'd gotten began merging together, and it's surrounded by a kaleidoscope of crimson red and black, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue energy, fire, flames, lava, tigers, creatures of fire, phoenixes, and angels, and when it emerged, it was transformed into Michael Brenton's True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Cosmic Star Ferocious Tiger Crimson Inferno Phoenix Fire Storm Fury Ferocious Tiger Mythical Fire Beast Master True Seraphim God Phoenix God Archangel Zanbatō of True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Cosmic Star Ferocious Tiger Crimson Inferno Phoenix Fire Storm Fury Ferocious Tiger Mythical Fire Beast Master True Seraphim God Phoenix God Archangel Justice, it's a brand-new massive Zanbatō measuring at 3,900'11" in length with embedded crimson red gems and the Elements of Harmony of Sunny Starscout and her friends and a tiger, dragon, phoenix, angel, and other creatures of fire surrounding a gold cross etched on the 3,800'11" massive, wide, double-edged hulking crimson red blade, large red tiger heads with crimson red gems for eyes for the crossguard and large white angel faces built in both sides of the crossguard and large crimson red gems embedded in the foreheads and surrounding them are the Elements of Harmony of Twilight Sparkle and her friends and The Unity Stones on top of The Element of The Magic of Friendship and large gold disc-shaped tsuba handguard with tigers around it and the kanjis for Fire and Blaze on the left and right on the bottom of the crossguard, long 100'11" midnight black handle, four large crimson red tiger heads with crimson red gems for eyes and large tiger head with crimson red gems for eyes and large crimson red gem in its mouth and crimson red fur tassel on the bottom of the large tiger heads for the pommel.

Vincent Devins: Shut up, you lowly insect!

The five assholes fired energy blasts at Michael Brenton who deflected them with swings of his massive Zanbatō.

Allie Maxwell: Wait, they also have the powers of Vegeta, Frieza, Cell, Majin Buu, and Broly as well?! Michael, hurry and kill them, they're now way too dangerous.

Michael Brenton went after the five assholes, and he fired extremely powerful blasts of crimson red and black, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue energy, fire, flames, lava, tigers, creatures of fire, phoenixes, and angels, and they explode with incredible power as they hit them, then, he slashed at them with his massive Zanbatō and he unholstered his newly evolved Michael Brenton's True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Cosmic Star Ferocious Tiger Crimson Inferno Phoenix Fire Storm Fury Ferocious Tiger Mythical Fire Beast Master True Seraphim God Phoenix God Archangel Rifle of True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Cosmic Star Ferocious Tiger Crimson Inferno Phoenix Fire Storm Fury Ferocious Tiger Mythical Fire Beast Master True Seraphim God Phoenix God Archangel Justice and fired at them as well.

(To Robustus) Now, for you.

We landed and faced him.

Poromon: You must be Robustus.

Robustus: (Robotic Voice) How dare you get in my way, Team Loud Phoenix Storm!

Lincoln: You think we're gonna let you run loose and not do anything about it, I don't think so, and you made a bad choice coming here!

Me: We'll see about that. KIBAL, LET'S HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into Wolf Moon as I let out a growl and my abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through my body, and my rainbow eyes with golden yellow circles around them turned dark blue and his pupils turned into slits and the rainbow iris of my Third Eye with golden yellow circles around them remain the same along with the slit pupils, my fangs then grew longer and my rows of straight teeth remained the same, my enormous rainbow angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large rainbow angel wings underneath my enormous rainbow angel wings remained the same, my 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and large brown wolf ears remained the same, my long wild rainbow hair with multi-colored highlights in it with multi-colored phoenix fire ombre streaks in the back going down to my upper back became wilder and my large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind my head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner turned dark blue, and I let out a loud howl!

Qin: THE WOLF HAS BEEN UNLEASHED!

Xenia: YEAH!

But then my dark blue aura got a massive and intensely powerful supercharge!

Me: WHOA! HOLY CRUD!

Nico: What power! What caused that?

Wyrona Wolfmoonraira: It's the full moon of the planet. It Supercharges those with the power of the Wolf here.

Me: WOW! Like what we saw in Paris when the Supermoon came out! That is amazing!

Nico: Are you really the first robotic Akuma?

Robustus: Yes I am!

Me: Well lets see what you can do.

I fired waves of blue fireballs and blasted him all over.

I fired blades of blew fire and slashed him.

Me: YEAH!

Chansey charged at him and blasted him with energy.

Chansey: Yumi is really sick and can't fight you.

Yumi groaned.

Me: See?

Robustus: I m not programmed to deal with those sick.

Me: Darn shame there.

Then Volcana, Roxy, Irma, Tea, Georgina, Sunset Shimmer, Kairi, Sheila, Gia and Julie summoned their keyblades and fired energy and elements and blasted him.

Jonny 2X4: How about having Plank talk?

Poromon: What do you mean?

Me: We were told he has the power to bring inanimate objects to life.

Robostus: LIke this.

He fired a beam of energy and it hit Plank.

Plank: HEY! WHOA HEY! I CAN TALK! I CAN TALK!

Jonny 2x4: YOU CAN TALK PLANK! HOW COOL!

Eddy: Maybe it can stay that way

Gallilea and Lillie: ICE STORM SUPREME BLAST!

They fired waves of ice and blasted him and froze him.

I snapped my fingers and made Plank talk permanently.

Plank: Now everyone can understand me!

Jonny 2X4: They sure can Plank!

Jimmy: This is gonna be amazing!

Sarah: I'll say!

Qin: Hey you tin can! Sniff on this!

Qin pointed her butt at him and then...

Marinette: LUCKY CHARM!

She got a MAGNET GUN!

Me: Magnetic!

Lodestar: Lets make this REALLY MAGNETIC!

She fired it and me, Magnet Man, Lodestar and Nico using Magneto's powers fired magnetic energy and we pulled him all over and pulled him apart.

Adrien: It really works!

Me: Yep.

Robostus screamed as we were pulling him all over.

Qin: Attractive and dangerous!

Nico punched him!

SMASH!

Nico: Take that junkheap!

Xenia; YEAH!

Poromon got onto a slingshot.

Me: FIRE!

He fired a bashed him all over.

Me: Here's a funny one!

I fired a blast of lightning and it hit Robustus and he turned into a toaster, then a blender, then the Appliance Bots and many more appliances! Then he fell apart into a million pieces!

Nico: Ouch!

While Robostus was fixing himself, I pulled out a bunch of parts.

Me: Good thing I learned all about robotics in school.

I got to building.

Nico: What are you building?

Me: You'll see.

I built a robot like how Bugs Bunny did against Yosemite Sam.

We hid.

Robostus: Now where did those jerkballs go?

He saw my robot.

Robostus: Oh greetings fellow robot.

KM-12: Greetings Robot. I am KM-12. Lovely weather.

Robostus: It sure is.

KM-12: Would you press this button on me? (Points to a button)

Robostus: Sure.

He pressed it and then..

KRASMASH!

My robot had a powerful metal fist come out of him and it punched Robostus and smashed him into a million pieces.

Me: A little thing I learned from when Bugs Bunny battled Yosemite Sam of Outer Space.

Nico: Boy it really came in handy!

Qin: Yeah!

Nico: Let's keep that one too!

Me: Good idea!

Robostus put himself back together.

Nico: You're not the first robot we've fought

Robostus: Really?

Me: We fought mant kinds of robots. Many of them were many years more advanced.

Bender: Yeah like me for example.

Robostus: I hope you're not a cheesy new years costume.

Bender: Bite my shiny metal ass!

Nico: He's real!

Me: Yeah!

I fired waves of energy and blasted him.

Lola: Take that robot face!

Nico punched him again and bashed him down.

Qin: Take that!

Eli: He's about to use the fire elemental variant of The Atavism of The White Wolf of Amaterasu!

Lincoln: (Speaking in Japanese) 夏の炎と天空の炎に呼びかけ、この忌まわしき悪を討ち滅ぼし、永遠の破滅の地へと送り届けよ！祝福された者たちの魂よ、蘇り、強大な狼の姿を取り、罪人たちに永遠の罰を与え、冥界の闇へと永遠に堕ちさせよ！　我が歌に天の審判を授け、この忌まわしき悪を永遠の安息の地へと送り届けよ！

Then, I held out my left hand and fired 999 massive balls of fire at Robostus, and they collided and exploded as they hit him, and I also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more along with the immense divine powers of The Gods and Goddesses of The Ancient World.

But one and the same

Like starlight and moonshine

We all have our place

We can't make a rainbow without all the colors

And we can't make a friendship without one another

'Cause there is nopony quite like you

So let your magic run wild

Let your magic run wild

If you could only see everything you could be

You would spend your whole life shinin'

Let your magic run wild

Let your magic run wild

(Now it's the time to light up the sky)

Let your magic run wild

(Now it's the time)

Look at the night sky, filled up with stars

Each one is perfect, just as they are

But they're brighter together, each leaving their mark

So beautifully different, all lighting the dark

'Cause nopony sparkles quite like you, ooh

So let your magic run wild (now it's the time to light up the sky)

Let your magic run wild (now it's the time)

If you could only see everything you could be

Suddenly, Lincoln's enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and four halos of rainbow energy formed with intricate designs behind him and a halo of gold energy with intricate designs formed above his head with intricate designs.

And my enormous rainbow angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,9

99,999,999,999 sets of large rainbow angel wings underneath my enormous rainbow angel wings spread out and four halos of rainbow energy formed with intricate designs inside it behind me and a halo of gold energy with intricate designs formed above my head with intricate designs.

And Nico's enormous golden yellow angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large golden yellow angel wings underneath his enormous golden yellow angel wings spread out and four halos of rainbow energy formed with intricate designs behind him and a halo of gold energy with intricate designs formed above his head with intricate designs, and they formed into a purifying field that hits Robostus, and we found ourselves not only in Heaven, but also, in space.

Then, Lincoln, Nico, and I charged out and we smashed our rainbow energy infused left fists into the stomach of Robostus and a cluster of rainbow, white and blue heavenly flames exploded out behind his back, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 3,800'11" massive, wide, double-edged gold blade of his massive greatsword, I formed a very massive glowing rainbow energy blade surrounding the 950'11" massive, wide, double-edged gold blade of my massive greatsword, and Nico formed a very massive glowing rainbow energy blade surrounding the 950'11" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln, Nico, and I attacked him with two powerful energy slashes, and then...!

Lincoln, Nico, and I: NOW, DIE AND ROT IN HELL FOREVER, YOU ASSHOLE!

Lincoln, Nico, and I did one final powerful energy slash that hit Robostus hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Robostus was on his last legs and he was really really mangled.

Then, Lincoln, Nico, and I fired waves of ruby red fire and ladybugs that hit Robostus hard and sent him flying into a portal that led to The M.O.E. and it closed as soon as he was in. We cheered as we holstered our weapons and powered down.

Nico: And that's that, and we also met your Guardian Angel, Wyrora Wolfmoonraira, Lincoln.

Lincoln: That we did. Now, there's one last thing to do.

Then, Lincoln flew into the core of Wolfmoonraira, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core and the planet itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and
999,999,999,999,999,999,999,999,999,999,999,999,999,9

99,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting Amaterasu's Heavenly Mirrors of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips of his large brown wolf ears, and the rainbow tips and rainbow flame patterns and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura and holy white aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space.

Then, he flew into Wolfmoonraira's massive Sun and Full Moon and he sucked them in and absorbed them into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, second smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips of his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla and he was sweating even more.

Then, we were back on Earth Omega and in the gym at Lynn's Table.

Lincoln: Now, that was so incredible! (Flexes his massive arms and his massive biceps bulged even more with veins forming) (GROWLS) RRGH!

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Suddenly, Lincoln pounced on his harem and he was on top of them.

Lily the Mermaid: Whoa...! (Thinking) Now, he's really REALLY AROUSED!

Then, he kissed all of them passionately on the lips as they engaged in a hot make-out session, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate and even more hotter than ever.

We laughed!

Luna: I can't even keep count of the many times that's happened to Lincoln! He also came home with his nose gushing out blood like a fountain along with getting covered in kisses and his tails wagging.

Nico: That's happened before? That must've been some intense make-out sessions Lincoln's had.

May: Just like ours, and it always ends with him engaging in one intense session of lovemaking and sex!

WHOOSH! CLANG!

Lynn almost whacked her in the head with a baseball bat.

Lynn: I thought I warned you not to say that!

May: YIPE!

Nico: Maybe you shouldn't say that out loud especially in front of Lynn who's the most physically aggressive of Lincoln's sisters.

Lincoln: Lynn, put the bat down, otherwise, you're gonna have problems with Caleb again.

Lynn did so.

Nico: Imagine what an Akumatized Optimus might be like

Me: Don't jinx it but man that would be scary.

Qin: No kidding.

Yumi coughed and gagged and she was REALLY sick.

Chansey: You'll be fine Yumi.

Yumi Orophelia: Thank you.

Me: Poor Yumi.

Nico: But great job Chansey.

Chansey: Thank you Nico. I just like to help out as a nurse Pokemon.

Me: Like All Chansey's do.

Qin: Yep.

Poromon: Want some beer?

Chansey: Oh no thank you. I can't drink beer.

Poromon: Oh got to keep a clean nursing record.

Me: Yep.

Poliwag: (Does Puppy Eyes) Pwetty Pwease?

Nico: Poliwag that's enough.

Chansey: Sorry kid.

Qin: Okay.

Zipp Storm: Oh guys I need your support for something.

Me: What's up Z.S.?

Zipp Storm held up a poster.

Me: (Reading) "Showing today in Zephyr Heights, the Annual Zephyr Heights Pegasi Air Show. Stunts, Tricks and Show Moves." Whoa that is cool!

Rainbow Dash: You'll do great Zipp. You are my legacy and I had to show off the same things in that too.

Zipp Storm: Really? Wow!

Lincoln: Trust me Zipp. You'll do great.

Pipp Petals: Yeah Zipp you have our support.

Nico: That is for sure.

Crashhopper: I am excited for it too.

Nico: Oh Crashhopper what do you do in your free time.

Crashhopper: I work at a store where everyone buys stuff in bulk. My bouncing abilities make it perfect to bring heavy pallets to restock.

Me: Wow! That is cool!

Cricket: That is really awesome guys.

Me: Yep.

Nico: Now for the Anothers.

Lincoln: (Sensed The Anothers) Ah, and the Anothers are coming.

Nico: You too. Rachel is known as the Storm of Terror because she has the power to bring intense fear through lightning and storms.

Me: Scary! By the way are the rest of the Anothers friendly or hostile?

Rachel Terrorwrath: Friendly and the Another Rainbow Dash is going to be someone who she is familiar with.

Rainbow Dash: Awesome!

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

She glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books and purified them.

Me: YEAH!

Rarity: Now it's time for my fun.

She had a club and golf clothes on and a golf ball ready.

Me: (Quietly) Rarity is up at the tee and ready for her shot.

She got her shot ready.

Rainbow Dash: That's right.

Kaito: (gets out Hibiki gear) Did Swartz promise you anything?

Zocks: (gets out Kabuto gear) Because we can grant it instead

They got weapons from said riders.

Gennadiya Ghidorah: No he didn't because he was frightened of our power.

Nimbus Comet: Yep. We ran as soon as he offered something after I used my lightning powers to shock him.

The Bull Dragon, the alpha male and leader of the dragons and his hordes of dragons have suddenly returned from the dead and they want revenge on us for killing them, but we've had enough, we're taking them down and Lincoln's going to absorb The Bull Dragon and his hordes of dragons, and through the process of absorbing them, Lincoln's going to find out the person responsible for the resurrection of the dragons of Reign of Fire was none other than an old enemy of Lincoln's, a necromancer by the name of Dorian Darkheart, he's a black-hearted evil psychotic monster who'd sold his own soul to The Devil for power to destroy all of mankind, but Lincoln used his powers of light to destroy his plans and sealed Dorian away in The Netherworld, but when Anti-Monitor came into being after Xehanort's eternal demise forever, he freed the dark necromancer, but he double-crossed Anti-Monitor and fled back to the world of Reign of Fire and resurrected the dragons there to get revenge on Lincoln and destroy mankind and the world again, but after Lincoln absorbs the dragons, we're heading after that black-hearted psychotic necromancer, and Lincoln's going to use a powerful spell he'd learned from his ancestor, King Arthur, to destroy Dorian Darkheart forever and banish his dark soul to The Black Abyss for eternity.

We had all of TLPS and The M.O.E. with us, but there were massive fires and infernos already raging in London in the world of Reign of Fire.

Lincoln: Whoa, we're back in London in the world of Reign of Fire, and I know what we're going todo here, not only am

I going to rescue the five girls here, but we also got bad news: The Bull Dragon, the alpha male and leader of the dragons and his hordes of dragons have suddenly returned from the dead and they want revenge on us for killing them, but we've had enough, we're taking them down and I'm going to absorb The Bull Dragon and his massive hordes of dragons.

Me: I should've known that alpha male dragon and his hordes would return!

Nico: And from the looks of it, they've been busy. Let's get to work.

We began traveling through London, and in the process, we've been sucking in and absorbing the massive fires and infernos into our bodies, but then, we saw snow falling, and it's also extinguishing more of the fires. Then, we headed for the territory of the dragons, and it was in the ruins of the capital of England, and then, we saw The Bull Dragon along with its massive hordes of female dragons, and they roared at us.

Lincoln: Keep roaring at us, you monster! But, this is where we put a permanent end to you and your species once and for all.

Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and stabbed them into The Bull Dragon's chest and he began absorbing him and he assimilated The Bull Dragon's Fire Breath, Flight, Burrowing Skills, Hunting Skills, Humungous Strength, Durability, Speed, Stamina, Giant Size, Cunning, Intimidation, Immortality, Reproduction, Leadership, Extremely High Intelligence, and

Sharp Teeth, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH! (WOLF ROAR)

And he also flexed his muscles even more which really aroused his harem even more, and at the same time, The Bull Dragon began growing weaker as all his powers was being sucked out of him one at a time and was pumped into Lincoln, and The Bull Dragon roared in pain.

Then, when Lincoln was done and the stingers changed back, nothing was left of The Bull Dragon, and Lincoln sucked out all of the remaining energy in The Bull Dragon's soul and banished him to The Black Abyss and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and he flexed his massive muscles as fire and elemental forces burst out of his massive biceps and massive muscles!

But, Lincoln didn't stop there, he morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and stabbed them into the chests of the female dragons and he began absorbing them and he assimilated the dragons' Fire breath (napalm stream and fire ball version), Sharp teeth, Flight, Stealth and Ambush Skills, Enhanced stamina, Cunning, Enhanced Metabolism, and Ability to hibernate for eons, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the

But, then, Lincoln saw memories, and he saw a man with long pitch-black hair and he was dressed in black robes, but he also saw the dark necromancer was freed from The Netherworld by Anti-Monitor only to double-cross him and head to London in the world of Reign of Fire and resurrect The Bull Dragon and hordes of female dragons.

Lincoln: Oh God, I know who resurrected The Bull Dragon and his hordes: it's Dorian Darkheart!

Nico: Whoa, he sounds like trouble!

Nicholette Torrington: He is! Dorian Darkheart is another old enemy of Lincoln's, he's a necromancer and a black-hearted evil psychotic monster who'd sold his own soul to The Devil for power to destroy all of mankind, but Lincoln used his powers of light to destroy his plans and sealed Dorian away in The Netherworld eight years ago.

Lincoln: But, when Anti-Monitor came into being after Xehanort's eternal demise forever, he freed the dark necromancer, but he double-crossed Anti-Monitor and fled back to the world of Reign of Fire and resurrected the dragons there to get revenge on me and destroy mankind and the world again.

Me: That piece of crap.

Lincoln: Well, I've had enough of him! Now that The Bull Dragon's out of the way, now we can hunt down Dorian Darkheart, and I'm going to use a powerful spell I'd learned from my ancestor, King Arthur, to destroy Dorian Darkheart and his dark powers forever and banish his dark soul to The Black Abyss for eternity.

We got a move-on to Stonehenge, and there we spotted Dorian Darkheart, and he saw what Lincoln did.

Suddenly, Lincoln was surrounded by a golden yellow energy aura with Celtic symbols and Arthurian symbols circling around, and the stones of Stonehenge glowed, and Lincoln said a Celtic incantation and he thrusted his massive greatsword forward and fired a massive beam of golden yellow energy with light, sunlight, solar fire, solar plasma, and holy magic that hit Dorian Darkheart, and he let out a scream of agonizing pain as his dark powers and dark magic was destroyed forever and he too was also destroyed forever as he was burned to ashes and his demonic spirit was banished forever to The Black Abyss.

We cheered as we holstered our weapons and powered down and returned home to The World Tree Estate.

Nico: That's that for those evil dragons.

Me: And we also got rid of another of Lincoln's old enemies.

Lincoln: Anti-Monitor made the huge mistake freeing Dorian from The Netherworld, he was never the trustworthy type even among villains, he was that evil and destructive. But, either way, Dorian's gone forever.

?: And this time, he's never coming back.

Then, we saw a beautiful girl who was tall at 250'11" in height, she has the body of a goddess and large breasts, long marine blue hair with marine blue flower in her hair, blue eyes, massive blue angel wings, she has The Ice Barrier Frost Masters of Loyalty symbol on her right arm and the pendant on her necklace, The Ice Barrier Crest on her forehead, and Dai-Sojo of the Ice Barrier on her marine blue skirt, marine blue short-sleeved blouse, ice blue sleeveless midriff top with Dai-Sojo of the Ice Barrier on it, marine blue bridal gloves, marine blue stockings, marine blue knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, snow, ice, snowflakes, ice crystals, phoenixes, and angels on the coattails, and on the back is Dai-Sojo of the Ice Barrier, and she has an ice greatsword and with her are the five girls.

Lincoln: (Gasps) Lumi Frostine, Avatar and Gene-Slammer of Dai-Sojo of the Ice Barrier.

Lumi Frostine: That's right, and I got the girls away from those monstrous dragons and that demonic necromancer, and I also extinguished some of the flames as well.

Me: So, that snowstorm was your doing.

Nico: You helped in extinguishing some of the flames.

Lincoln: While we absorbed most of the other raging fires and infernos in the process, you really helped us out greatly with that. (To Lumi Frostine) And it's so good to see you again, Lumi.

Lumi Frostine: You too, Lincoln, it's been eight years since we last met, but wow, you've really grown that much.

Suddenly, Lumi Frostine had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Lumi Frostine was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent)(Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Lumi Frostine: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Lumi Frostine's waist and hugged her, and Lumi Frostine was very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, thick brown goatee on his chin, fine hair on his

massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you two since you were seventeen, and as you can see, I really grew a lot since then.

Lumi Frostine: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 950'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath your enormous white angel wings, that's so awesome, and the large brown wolf ears on your head and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with

gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same true immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Anna Anyanova: And so do we, this is Lumi Frostine, Avatar and Gene-Slammer of Dai-sojo of the Ice Barrier, she's Lincoln's Guardian Angel from New York, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Dai-sojo of the Ice Barrier. She's The Ice Martial Artist of The Ice Barrier Frost Masters of Loyalty, a group of loyal girls who are the Avatars and Gene-Slammers of The Ice Barrier Duel Monsters and they're born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and their goal is to protect and defend Lincoln from his enemies, and they are the most loyal of Lincoln's Guardian Angels, and they would never ever betray Lincoln, his friends, and his family, nor their own, and they hate people who betray others for their own personal gain, and they've punished Lori, Lynn, Lola, Lisa, and Luan in the most fiercest way possible many times for their treacherous actions and murderous schemes against Lincoln. Lumi Frostine moved to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Dai-sojo of the Ice Barrier, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Cryokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Dai-sojo of the Ice Barrier, and Lincoln was already born with immortality and invincibility, and she also helped him grow and seriously bulk up in muscle mass and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Lincoln made her an ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lana, Alexis, and May a lot in using the powers of ice, and Lumi Frostine hated Lori with a passion, and she swore if that heartless bitch tries to kill Lincoln again, she would freeze her and shatter her body into pieces.

Me: Amihan explained everything about your story, and I knew Lori pissed you off.

Lumi Frostine: Between her callous arrogant attitude, her heartlessness towards Lincoln, and her violent temper tantrums and wrath, I was that close to murdering her!

Luna: By freezing her to death and shattering her into a million pieces.

Lincoln: Lori was really pushing her luck when trying to piss everyone off, and we warned her one of these days, she was gonna get what she deserves, and now that you're here, Lumi.

Lincoln with his massive muscular arms still wrapped around Lumi Frostine's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and

999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Lumi Frostine: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Lumi Frostine with marine blue gems on the gold lightning bolts and marine blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental

Thunderbird Choker of Eternal Love on her neck and a rainbow Thunderbird wedding ring on her left pinkie.

Lumi Frostine: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Lumi Frostine.

Lumi Frostine had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Lumi Frostine's waist, and he leaned down to her face and kissed her on the lips, and with Lumi Frostine's hands still on his massive hairy pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Lumi Frostine had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Lumi Frostine: (In Heaven) My God. Oh, Lincoln, tell the guys to run to their rooms, the five girls I rescued are...!

Red Savarin and Travis Tackett: GUYS, YOU KNOW THE SIGNAL! MOVE!

Lumi Frostine: HOLD...! (Saw us gone) It!

We ran into our rooms leaving Lincoln, Nicole, and his harem, then they went up to the five girls, and when Lincoln saw them, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the five girls are Jia, Sun-Bin Lee, Seo-Hyeon Jang, Min-Ji Jang, and Mi-Kyung Cho from Boarding Diary.

Lincoln: Oh whoa, it's Jia, Sun-Bin Lee, Seo-Hyeon Jang, Min-Ji Jang, and Mi-Kyung Cho from Boarding Diary.

Nicole: Sometimes, I wished the guys didn't run, but I know why, these girls are cute.

Lincoln: But, they're also targets for perverts and those who want to kill them and spill their blood. Are you girls okay?

Jia: Yes, we're okay thanks to you.

Then, when Jia and the other four girls saw who it was that saved them from the Dragons and Dorian Darkheart, their faces turned atomic red and their noses gushed out blood upon seeing the 950'11" Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Sun-Bin Lee: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Jia, Sun-Bin Lee, Seo-Hyeon Jang, Min-Ji Jang, and Mi-Kyung Cho with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: And that's it for those monstrous dragons.

May: But, I can't believe those beasts were brought back by a demonic necromancer.

Lincoln: And that it was someone from my past, and I thought I was done with him. But, Anti-Monitor just had to mess that up.

?: But, Dorian eventually paid the price for his crimes.

Suddenly, we saw a beautiful girl who was tall at 250'11" in height, she has the body of a goddess and large breasts, tanned skin, long black hair, purple eyes, dark angel wings, she has a scary greatsword in her right hand, and she has on a brown two-piece bikini.

Lincoln: (GASPS) Morvena Scarydrasilliaira, Queen of the Scarydrasilliairans of Planet Scarydrasilliaira.

Nico: No way, the only Scarydrasilliairan that only you know, Lincoln.

Lincoln: That's right.

Anna Anyanova: And we also know her too, this is Morvena Scarydrasilliaira, Queen of the Scarydrasilliairans of Planet Scarydrasilliaira, she's Lincoln's Guardian Angel from Scarydrasilliaira, a planet of eternal dark forests and cursed trees, and spiritual energy and with a massive Nightmare World Tree overflowing with darkness and protected by powerful omnipotent angels known as the Scarydrasilliairans, the males who'd spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters and natural dark hunters, but they also had vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of cursed trees, undead spirits, void vines, darkness, death and fear, necromancy, illusions, soul-binding, cursed nature, and the immense omnipotent powers of the Nightmare Tree times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, she's The Queen of The Scarydrasilliairans, and she's also far more powerful than her own people: in addition to being a a natural-born dark huntress and having vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of cursed trees, undead spirits, void vines, darkness, death and fear, necromancy, illusions, soul-binding, cursed nature, and the immense omnipotent powers of the Nightmare Tree times infinity, and the ability to grow stronger, but she was also born with black angel wings, vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of cursed trees, undead spirits, void vines, darkness, death and fear, necromancy, illusions, soul-binding, cursed nature, and the immense omnipotent powers of the Nightmare Tree times infinity, and the ability to grow stronger, and incredible godly powers, and just like Almightairaira, her people also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the Scarydrasilliairans and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the septillions of trillions of male

Scarydrasilliairans into his body gaining vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of cursed trees, undead spirits, void vines, darkness, death and fear, necromancy, illusions, soul-binding, cursed nature, and the immense omnipotent powers of the Nightmare Tree times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb their planet, Nightmare Tree, and its core into his body and their planet's Sun into his body to preserve their legacy. Morvena Scarydrasilliaira came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the immense powers of immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of cursed trees, undead spirits, void vines, darkness, death and fear, necromancy, illusions, soul-binding, cursed nature, and the immense omnipotent powers of the Nightmare Tree times infinity, and all the powers of her people, and over time, Lincoln gained even more immense superhuman strength, immense regeneration, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense omnipotent powers of cursed trees, undead spirits, void vines, darkness, death and fear, necromancy, illusions, soul-binding, cursed nature, and the immense omnipotent powers of the Nightmare Tree times infinity, and all the powers of The Scarydrasilliairans times infinity, and he was already born with immortality and invincibility and his powers also grew infinite-times stronger, and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him even more forbidden powers passed down from ancient Nightmare Priests throughout the eons, and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility and male fertility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln had undergone the rite of The Reincarnation of Amaterasu absorbing the septillions of trillions of male Scarydrasilliairans into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of cursed trees, undead spirits, void vines, darkness, death and fear, necromancy, illusions, soul-binding, cursed nature, and the immense omnipotent powers of the Nightmare Tree times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, and finally, Lincoln absorbing Scarydrasilliaira and its core and Scarydrasilliaira's Sun into his body to preserve their legacy. Lincoln made her a powerful soulsteel greatsword forged in ghostflame, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a blazing passion, and she swore to drag them screaming into the haunted roots of Scarydrasilliaira.

Me: That's incredible.

Morvena Scarydrasilliaira: Thanks, and I know last night, Lincoln had undergone the rite of absorbing the septillions of trillions of male Scarydrasilliairans along with my father into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of cursed trees, undead spirits, void vines, darkness, death and fear, necromancy, illusions, soul-binding, cursed nature, and the immense omnipotent powers of the Nightmare Tree times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, and absorbed Scarydrasilliaira, The Nightmare Tree and its shadow roots and its cursed core and its massive Sun and Moon into his body to preserve their legacy.

Arpina Infernaira: That's right.

Me: I was also shocked to find out about your planet, and it was that scary, and you also included immense virility and fertility as well? That means...!

Morvena Scarydrasilliaira: We knew Lincoln's quite the virile stud since he was born with hyperpuberty, and the genes of his parents and his own extremely high virility, fertility, testosterone, extreme levels of libido, and excessive sex drive, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes and constant years of training, he gained the powerful and massive body that all bodybuilders could only dream of: the body of all the male Gods and the ancient male warriors of ancient times and bodybuilders of history combined, and that along with his personality, gentleman nature, and noble heart, he'd attracted tons of girls, and every lovemaking session he has with his harem, his future wives winds up getting impregnated by him in less than a second, and it doesn't take long for the effects of pregnancy to kick in, which are much faster than ever.

Rita: We had no idea about it before. But, during Lincoln's check-ups with Dr. Feinstein, he did show us all of what you just told us.

Nico: Wow...!

Morvena Scarydrasilliaira: I know that shocked you all especially Regina's journal about Lincoln's health reports, but everything I told you is all true, and it's good to see you again, Lincoln, but wow, you've really grown a lot in height and muscle mass since last I saw you.

Suddenly, Lincoln pinned Morvena Scarydrasilliaira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Morvena Scarydrasilliaira with purple gems on the gold lightning bolts and purple crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up as he sat on the couch and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

But, then, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and

rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Eli: What's this?! Lincoln's power is rising even more.

Morvena Scarydrasilliaira: That's my special gift to him: Scarydrasilliaira's Blessing of Divine Dark Void Nightmare Tree Power Justice, and each Forbidden Zone Planet Queen have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 950'11" extremely tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs with enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Morvena Scarydrasilliaira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Scarydrasilliairans both male and female are extremely passionate when it came to sex and lovemaking.

Lily the Mermaid: Ooh boy.

After Lincoln and all of us killed the dragons and sent them to The Black Abyss forever, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well and we were really sweating up a storm, and when Lumi Frostine saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and he was sweating up a storm, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Lumi Frostine: My God, I was right that Lincoln's really grown into a 950'11" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 999 septillion-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet

plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Lumi, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Lumi Frostine: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Lumi Frostine: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,0

We also saw Ataru Moroboshi doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his

Lincoln: This'll be what you'll be doing during your extreme boot camp and intense rehab, Ataru, after that, you'll be doing 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 laps all over Earth Omega.

Ataru Moroboshi: Yes, sir!

Outside, Jiraiya and the other perverts on our team were starting to get antsy.

Jiraiya: This is starting to go too far! We need to act fast and tear down that boot camp! I know that Lincoln's one of Naruto's family members, but this is crossing the line!

But, then, Setsuna stepped out.

Setsuna: What's this? Planning to destroy Lincoln's boot camp and trying to get away with it?!

Jiraiya: What the?! Setsuna?!

Setsuna: This is unforgiveable, I'm not going to let you dirty perverts get away with this. Having no respect for women at all and acting lecherous towards them, that's just sick, you're going to pay for what you've done!

Suddenly, Setsuna's red eyes turned neon red, and his blue fur, blue hair, blue ears, blue tail with white tip, and enormous blue angel wings with white tips on the enormous 99,999'11" blue feathers with a very massive wingspan of 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999'0" and the 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large blue angel wings with white tips underneath his enormous blue angel wings with various incredible wingspans turned red with white tips and the blue fur on the shoulder blades of his enormous angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large angel wings underneath his enormous angel wings turned red.

Eli: Oh boy...!

Setsuna went after the perverts, and he fired extremely powerful blasts of red, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, red fire, red flames, light, foxes, phoenixes, and angels, and they exploded as they hit them, and he slashed at them with his massive greatsword and his Sacred Weapon! He also smashed them into the dirt with his enormous massive superhuman strength, and he was really showing them no mercy!

WE WERE SHOCKED: SETSUNA WAS SLASHING AND SMASHING THE PERVERTS ALL OVER THE PLACE LIKE A WILD ANIMAL IN A MASSIVE FIGHT CLOUD!

Me: JEEZ! THIS IS GETTING UGLY!

Nicole: Especially when he went through the color change from blue to red! Setsuna's known as a hot-blooded and active youth, and tends to attract the attention of girls. But, when they see him clobbering the perverts like that, oh man, this is gonna warrant us increasing security.

Lincoln: Still, I didn't count on Setsuna showing up to beat the daylights out of them, and they'd disregarded Ed Cowart's warning!

Ed Cowart: I warned those motherfucking perverted dirtbags yesterday of the consequences if they disregard that warning! Next time, it's gonna be me kicking their asses, and I'll make sure to wear steel-toed boots!

Then, when Setsuna was done, the perverts were on the ground with their eyes swirling like crazy and with some pretty banged up bruises and black eyes, and Setsuna was breathing heavily due to the adrenaline in his veins.

Juvia: At least, Gray wasn't among them.

Lincoln: No, he knew the consequences and didn't do anything to piss Ed off, but the others. (Sighs) It's gonna take a long while before they get the message.

Nicole: Which is never.

Then, Setsuna powered down and holstered his massive greatsword on his back. But, before he was about to head in, he got jumped on by some nearby high school girls we knew and college girls that Lanaia knew, and they proceeded to kiss him on the face and lips.

Lincoln: Lanaia, did you invite some old friends of yours to see the fight? And did you send the video of it to the blog?

Nebula Lanaia: Yep. With this, your reputation as a reformer of perverts has been cemented, but it pissed off our resident perverts, and this happened. Still, I didn't expect Setsuna to jump in and attack them.

Then, when they were done, Setsuna came back inside and he was covered in lipstick marks, and he fell to the floor!

FWOMP!

Lanaia snickered.

Eli: I have a feeling this'll be a daily thing every day.

Ed Cowart: If he does so, then it looks like I'll have help in keeping those perverts in line.

We got a shower, and then, Lincoln, Ashley Adderley, Plum, Oro S, Chelsea, Marty, and Irene are heading to Torch Lake, Michigan, and joining them are the rest of his harem.

Lincoln snapped his fingers, and the 950'11", handsome and extremely muscular wolfman had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Ashley Adderley, Plum, Oro S, Chelsea, Marty, and Irene and the rest of Lincoln's harem were dressed in colored two-piece bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Ashley Adderley, Plum, Oro S, Chelsea, Marty, and Irene had feelings for Lincoln, and Lincoln also had feelings for them too, and he saved them from a group of musclebound thugs and he sucked out all of their muscle mass, virility, testosterone, strength, and energy which killed them all.

Ashley Adderley: Wow, we're here in Torch Lake, it's so beautiful.

Lincoln: You said it, Ashley, and it's perfect for our first date. Shall we?

Lincoln, Ashley Adderley, Plum, Oro S, Chelsea, Marty, and Irene and the rest of his harem dived into the waters and they began swimming and they also saw the marine life living there, and then, they came back to the beach, and Ashley Adderley, Plum, Oro S, Chelsea, Marty, and Irene and the rest of his harem also gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, Lincoln did the same thing giving Ashley Adderley, Plum, Oro S, Chelsea, Marty, and Irene and the rest of his harem a deep tissue massage, and when he was done with that, they were relaxed. Then, they had an awesome game of volleyball, and they went to a workout area Lincoln created, and Ashley Adderley, Plum, Oro S, Chelsea, Marty, and Irene and the rest of Lincoln's harem got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift massive 999 Septillion ton-lb barbells Lincoln summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his extremely massive muscles.

Lily the Mermaid: (Swooning) My God, Linky's still such a handsome and manly wolfman hunk.

Suddenly, they saw Beisht, Osial's wife, from Genshin Impact coming after them.

Anna Anyanova: Oh no, Beisht.

Lincoln: What the?! Looks like she wanted revenge on me for absorbing Osial. I got her.

Lincoln went after Beisht and he morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of Beisht and he began absorbing her and he assimilated Beisht's Hydrokinesis, Brute strength, and Jetstream, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH! (WOLF ROAR)

Then, when Lincoln was done and the stingers changed back, Lincoln's rainbow, white, golden yellow, and blue energy aura flared up even more with elements around him and Lincoln sucked out the last of Beisht's energy and he sent her to The Black Abyss, and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and fire exploded out of his massive biceps and muscles and he generated wind gusts from his enormous white angel wings and

999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and cooled down his harem.

Then, they had some lunch, and then, as the sun was about to set, Lincoln went up to Ashley Adderley, Plum, Oro S, Chelsea, Marty, and Irene and the rest of his harem and he hugged them in his abnormally massive and powerful muscular arms, and Ashley Adderley, Plum, Oro S, Chelsea, Marty, and Irene and the rest of his harem placed their hands on Lincoln's massive hairy pecs, but Lincoln wasn't done.

Then, Ashley Adderley, Plum, Oro S, Chelsea, Marty, and Irene and the rest of his harem were lying down on a massive beach towel with Lincoln on top of Ashley Adderley, Plum, Oro S, Chelsea, Marty, and Irene and the rest of his harem.

And then, Lincoln shared a passionate and romantic kiss with Ashley Adderley, Plum, Oro S, Chelsea, Marty, and Irene and the rest of his harem and Lincoln slowly sank his fangs into their right trapeziuses and he began feeding on the blood of Ashley Adderley, Plum, Oro S, Chelsea, Marty, and Irene and the rest of his harem, and Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,9

99,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln and I slowly unlatched our fangs from the right trapeziuses of our harems as they healed and the puncture marks sealed up, and we also kissed where we bit them. We came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Nico: (Whistles) Wow, it looks like you really had a good time at Torch Lake, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ashley Adderley, Plum, Oro S, Chelsea, Marty, and Irene with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Thunderbird Chokers of Eternal Love appearing on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Lily the Mermaid: And now, Ashley Adderley, Plum, Oro S, Chelsea, Marty, and Irene are in your harem, Linky.

Ashley Adderley, Plum, Oro S, Chelsea, Marty, and Irene showed the marks on their right trapeziuses Lincoln made.

Jenna: We had trouble though.

Lincoln: Unfortunately, we did. Beisht from Genshin Impact came after us!

EVERYONE GASPED!

Nico: Oh shit!

Lincoln: Don't worry, I used my Cell stingers and absorbed her and assimilated all of her powers and abilities, and I sucked out the last of her energy and sent her to The Black Abyss.

Me: Smart move.

Lily the Mermaid: But, our date went smoothly, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted massive 999 septillion ton-lb barbells he summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous angel wings had spread out and they generated a cool breeze cooling us down and fire and wind exploded from his massive biceps and muscles.

Serena Logan: Lincoln really got that confident and bold, we really made him into a really strong and powerful manly wolfman.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know, we made a clone of that mutant.

Lincoln: That's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for the next Skylanders adventure.

Nico: Who's Next?

Me: Aquaman, Mera, Rarity, Varie, Sirius, Chill, Thumpback, Lob Star, Freeze Blade, Dive Man, Aqua Man and Launch Octopus and we're going to a place called Time Town and we're going there to battle Cross Crow.

Qin: COOL!

Nico: This will be cool!

We went into the Simulator and it activated and we were in Time Town.

Me: WHOA! Time Town is really cool!

Lola: It sure is!

Camie: I think it's amazing.

Nico: I'll say!

Xenia: It sure is cool. Look at the cool clock towers and all that.

Nico: This is in Skylands, right?

Qin: Yep.

Me: That's right

Xenia: It sure is

Nico: Just checking.

We walked around.

Xenia: So awesome.

Rarity: It sure is.

Sirius: Yeah no kidding.

Me: Yep.

But then we smelled a REALLY NASTY AND HORRIBLE ODOR!

SEAL BARK!

Me: (Sniffs) OH GOOD GOD! WHAT THE FUCK IS THAT HORRIBLE STENCH!? ED!

Ed: Not me!

Laney: It's actually from that!

We saw a Rafflesia Flower themed Bellossom!

Me: WHOA! Is that a Bellossom!?

Lincoln: Oh man! That's Erica's Akuma, Raffleslbellossom! The Hypothetical Akuma of Erica the gym leader of Celadon City Gym and she is a Bellossom that is as stinky as the largest and stinkiest flower in the world, the Rafflesia. She was made because of Team Rocket blowing up and burning down the Celadon City gym and vowed to make them pay with her overwhelming stench as strong as 100,000 Gloom times 10,000,000.

WE GASPED!

Qin: OH GOOD GRIEF!

Lola: No kidding! SHE SMELLS WORSE THAN LORI'S FARTS!

Lori: (Offscreen) I HEARD THAT!

Ymir: Didn't Nico dress up as a...

KRABLAM!

I SMASHED NICO RIGHT IN HIS FACE AND KNOCKED HIM INTO THE GROUND SO HARD THAT HE WAS IN A LOT OF PAIN!

Nico got up and had a HUGE LUMP ON HIS HEAD! He was dazed and stupid.

Nico: OW!

Camie: Ouch.

Me: Sorry. But I've NEVER BEEN SO HUMILIATED IN ALL MY LIFE! Ever since then I've never been able to live that down!

Nico: I can see that

Me: I know. Lets just get rid of this stench before it makes us throw up!

Qin: Agreed.

Lola: Yeah!

Flare Corona: Allow me and Magmar!

Me: Go for it!

Flare Corona: Lets do it Magmar!

Magmar: I'm ready!

Flare Corona: (FLARES UP AN INTENSE FIRE AURA) FROM THE FLAMES OF THE SUN AND THE FIRES OF REDEMPTION! FEEL THE FIRE OF MY Z-POWER!

She channeled her fire into Magmar! He was ready!

Flare Corona: USE INFERNO OVERDRIVE!

Magmar fired an intensely massive huge white fireball and it hit Raffleslbellossom and exploded with intense and powerful flames in a massive fiery explosion!

She was knocked out!

Me: HOLY SHIT! THAT WAS POWERFUL!

Magmar: THAT'S HOT!

Nico: YEAH! AKUMABALL GO!

He threw a ball with the Rainbow Badge on it and he caught it!

Me: Nice one!

Qin: YEAH!

Nico: Yeah! OWWWW! JEEEZZZ! J.D. did you have to hit that hard!?

Magmar: He's right

Me: Sorry! Jeez I don't know my own strength.

Nico: No kidding.

Then we saw Cross Crow!

Me: Cross Crow!

Cross Crow: (Russian Accent) What an amazing display of fireworks!

Xenia: Why thank you very much.

Me: It sure was awesome!

Cross Crow: But now, you deal with me!

Me: Bring it on!

Chill: (Russian Accent) Stay Cool!

Thumpback: HAIL TO THE WHALE!

Lob Star: STAR BRIGHT STAR FIGHT!

Freeze Blade: KEEPING IT COOL!

They were ready!

We fired waves of energy, ice and water and jewels and smashed him all over.

Cross Crow: Have some of this!

He went at me and I dodged his punches.

He then fired water arrows and I dodged them.

Me: Lets show teamwork!

Aquaman, Mera, Rarity, Varie, Sirius, Chill, Thumpback, Lob Star, Freeze Blade, Dive Man, Aqua Man and Launch Octopus: WATER FURY ULTRA BLAST!

They fired a massive blast of water and energy and blasted him down.

CROSS CROW DEFEATED!

He was trying to crawl away.

Cross Crow: "Cross Crow has no need to get crossed up here!"

Rarity: Then this will change you darling.

She held up a blue trap and a Blue Vortex appeared and sucked him in.

Cross Crow: "You cannot capture CROSS CRRRROOOOWWWW!"

He got locked into the trap!

Cross Crow: "So, think you can capture Cross Crow and get away with it, eh? He's just waiting for right opportunity to take flight!"

Me: We'll see about that.

CROSS CROW TRAPPED!

Rarity: Ah ah ah darling. Now you have to be good from now on.

Cross Crow: "Cross Crow crossing onto the side of good? Then consider me crossed."

We left the simulator.

At the Zephyr heights stadium, Ponies from all across Equestria and all of us were gathered with many stunt equipment while the crowd are chattering in excitement while the Mane 8, san Zipp, and all of us are at the VIP lounge while Queen Haven, with Alphabittle and Flurry Heart behind her, were at the throne section.

Scootaloo: We got first seats!

Qin: We sure do.

Me: HOLY COW! Wow everyone is here for this.

Xenia: We're truly honored to be here for this Queen Haven.

Queen Haven: It's my pleasure everyone

Twilight Sparkle: "Wow. This VIP section is amazing."

She was given a piece of cucumber sandwich.

Twilight Sparkle: "Thank you. (Eating) And the food is good too."

Queen Haven: "Think nothing of it Twilight. Zephyrina's performance today will be marvelous,"

Me: We're rooting for her.

Pipp Petals: "Thanks right. Because my sister is the best there is."

Rainbow Dash: And she is my legacy after all.

Sunset Shimmer: "No doubt. (Takes a sip of a drink) Zipp is the legacy of Rainbow Dash. She and Zipp together could make a tie.

Me: That is true.

Izzy Moonbow: "So true!"

She was eating a cupcake whole.

Hitch Trailblazer: "Hey, Pipp…"

He guided Pipp away from her mother as the others regrouped.

Hitch Trailblazer: "Aren't you planning on telling your mother about what's wrong with Zipp? What if Zipp doesn't show up?"

Pipp Petals: "Are you kidding? Knowing how mom is, if she finds out what's wrong with Zipp, she'll fly all the way to Maretime Bay and overreact."

Me: Yeah.

Sunny Starscout: "But if Zipp doesn't show up, she'll definitely be more worried than that."

Sunset Shimmer: "Yeah, it's not easy keeping secrets, Pipp. Remember? You keep lying, it will come back to bite you."

Applejack: That is too true.

Izzy Moonbow: "I don't think it could really bite."

Sunset Shimmer: "Not literally, Izzy."

Me: It's just an expression Izzy.

Izzy Moonbow: "Oh, yeah."

Pipp Petals: "I know, but you know my mom. She can overreact at the very details, especially me and my sister."

Me: I see what you mean.

Sunny Starscout: "Us switching her crown around is proof of that."

Me: Really?

Sunset Shimmer: "And the time when we wreck her throne when finding a piece of an old glowing blanket, we were lucky we weren't there."

Me: Yeah.

Hitch Trailblazer: "Yeah, that was not our best moment." Hitch added.

Misty Brightdawn: "Wait, you ponies did what?"

Sunny Starscout: "Long story, Mist." "But with how Zipp is lately, I doubt she might come."

Rainbow Dash: Zipp is going through what I went through when I was in the Great Flyers Competition. She is having a case of nervousness fearing she'll mess up.

Fluttershy: Oh I remember that.

Nico: I do too.

Me: That was an amazing contest to watch.

Twilight Sparkle: "Yeah I remember that. Well, if Zipp is Rainbow Dash's legacy no doubt there and I have a feeling she'll show up right about-"

She was about to finish before a white and magenta blur zipped down.

Twilight Sparkle: "Now."

Me: There!

Zipp Storm: "Did you ponies really think you can start the games without me?"

Me: Not at all Zipp!

Pipp Petals: "Zipp!"

She flew towards her sister and gave her a hug as the others huddled around her.

Lincoln hugged her too.

Izzy Moonbow: "Surprised to see you here."

Sunny Starscout: "And you're flying again,"

Rainbow Dash: We were afraid you wouldn't show up.

Zipp Storm: "Did you really think I wouldn't stay in the ground forever?"

Queen Haven came in.

Queen Haven: "Zipp. Darling, you have arrived."

She walked up to her daughter and gave her a hug.

Queen Haven: "I was wondering where you were,"

Zipp Storm: "Just thinking about some things, mom. But it's cool."

Queen Haven: "Oh?"

Zipp Storm: "Never mind that. Are the games about to start? Am I late?"

Me: Actually you arrived just in time.

Queen Haven: "Oh, they're at the starting lines, dear. You should…"

ZOOM!

Haven was caught off as Zipp flew past her and went into the starting line.

Queen Haven: "Go."

She finished with an amusing smile as Flurry giggled.

Flurry Heart: "Zipp is so much like Rainbow Dash, doesn't she, aunty?"

Twilight Sparkle: "You have no idea.

Rainbow Dash: She is my descendant and my legacy.

Scootaloo: And she is just as awesome!

Rainbow Dash: I'm so proud of her

Me: Yep.

Queen Haven approached her microphone and cleared her throat,

Queen Haven: "Ponies of Equestria, I have pleased to announce that I am honored you all have come to the opening to Zephyr Heights new sky stadium and our new Spectacular Sky Games."

Everypony in the crowd cheered.

Queen Haven: "And I like to welcome the Crystal Ponies and their ruler, Princess Flurry Heart, to attend the first games they have ever been to since their return."

Flurry Heart gave a light blush at the compliments she was receiving.

Queen Haven: And to Team Loud Phoenix Storm for being here to witness this for the first time.

Me: We are truly honored!

We waved to the crowd.

Queen Haven: "And now, as you can see we've assembled the strongest, fastest and most skilled flyers from across Equestria,"

The Competitors stretched them.

Me: HOLY WOW! There are more competitors here than there was the last time I saw an event like this when Twilight and friends joined us.

Zipp was at the starting line, feeling a bit nervous as she was sweating a bit while seeing so many ponies among the crowd while having flashbacks when she crashed at the obstacles as she was feeling uneasy if she could go or not.

Queen Haven: "And now, as ruler of Zephyr Heights, I would gladly say, let the games begin!"

The crowd cheered as the chief coach with a flag was at the starting line.

Coach: "On your marks…"

The Pegasi stunts got ready, so did Zipp afterwards.

Coach: "Get set…"

He raised a flag.

Izzy Moonbow: "Go Zipperooni!"

Izzy was cheering while holding two flags with Zipp's Cutie Mark on it.

Coach: "Go!"

He swung the flag down, which the pegasi stunts and Zipp took off as they started making their way to the obstacle course.

AND THEY ARE OFF!

They made their way through the sky poles and slithered their way through them, though Zipp had a bit of trouble making the turns.

Me: COME ON ZIPP! YOU CAN DO IT!

Nico: YEAH! GO ZIPP! GO!

Zipp Storm: "W-Whoa! Okay. Didn't see this coming."

She sloppily made some turns around the poles.

Hitch Trailblazer: "I think Zipp might be a little rusty."

We watched Zipp in concern.

Izzy Moonbow: "Does she need cleaning?"

Her friends gave her dull looks.

Me: Izzy that means she is starting rough. She'll pull out of it.

Zipp and the other stunts went past the poles as they then made their way to parkour course, jumping from standing pole over the cloud obstacles, while some of the Pegasi fell due to their inexperienced on clouds as Zipp hopped on each one as best she could as she barely kept her balance.

Zipp Storm: "How could the pegasi from the ancient past stand on these things? They're like bouncing on trampolines."

She nearly tripped if she hadn't quickly grabbed hold of another cloud as she gave a yelp.

Zipp Storm: "Okay, it's just like a fun house, yeah. Only on air and limited ground."

She kept bouncing.

Me: Boy this is like a funhouse in here!

Izzy Moonbow: "That looks like fun!"

Sakura Knudson: I wouldn't mind trying my stuff in this kind of competition too.

Sunny Starscout: "How do you ponies even get those clouds down?"

Sunset Shimmer: "Eh, it takes skills."

Rainbow Dash: It's something we pegasi can do and all that. It's awesome.

Twilight Sparkle: "Oh, and we and Flurry Heart caught some clouds for the obstacles while flying. If you're an Alicorn, a Pegasi or any other flying creature, you can touch clouds like a soft pillow."

Me: And I have that kind of power too. We all do.

PIpp Petals: "Wait, you mean we can actually control the weather?"

Me: I don't really know if Alicorns can do that too.

Pipp Petals: "Aww, sad face."

She slouched her wings.

Pipp Petals: "I wanted to keep a great sunny day."

Hitch Trailblazer: "Don't even bother, Pipp. Nature has laws."

Me: You're right.

Izzy Moonbow: "Sssh! Zipp's about to reach the next obstacle!"

On the Course, the pegasi were doing barrel rolls through the rings. Some Pegasi missed their targets and went over or hit the side of the rings while Zipp flew through them easily while also making it through to the higher ones.

Misty Brightdawn: "Well, Zipp seems to be having it easy with the rings."

Me: She sure is!

Hitch Trailblazer: "Oh, you just had to jinx it, didn't ya?"

As Zipp did another barrel roll, she aimed her target off as she hit the top of a ring, which caused her to start rolling.

Zipp Storm: "W-W-W-WHOA!"

She was flung to the end of the ring obstacle as she groaned.

Me: WHOA MAN!

Zipp Storm: Well, at least I made it to the other side. Okay, just one more stunt left,"

She was looking up and gulping,

ZIpp Storm: "The High Dive,"

Queen Haven: "Ooh, looks like Zipp is about to go through the Hive Dive."

Me: Oh boy.

Sunny Starscout: "What's a High Dive?"

Twilight Sparkle: "The High Dive is where Pegasi dive down at impressive speed and gained some attitude after flying up at that speed after diving down."

Me: WHOA! Like faster than a speeding bullet!

Misty Brightdawn: "Wait, so Zipp has to fly up and dive back down to see how fast she can get?"

Qin: (GULPS)

Pipp Petals: "Oh ponyfeathers."

We watched as Zipp just stood there as the Pegasi flew up to the sky while Zipp gave an uncertain look.

Zipp Storm: "Come on, Zipp. You can do this."

Zipp remembered her crash a week ago and was starting to get scared again before she saw a certain man standing at the stadium edge. Lincoln was leaning against a pillar and looking Zipp right in the eye as he nodded with a resolute expression.

Lincoln: (In her head) 'Bravery may have been something you might have had before, but bravery comes when facing those fears. It's never gone, just blocked off by something that you need to face to find it again.'

Zipp then opened her eyes with a determined expression as she then spread her wings and looked up as she then took off into the air at high speed.

Zipp Storm: "I'm a princess of a different kind, always trying to figure out why."

She flew upwards and was glowing as she reached the highest point possible,

Zipp Storm: "When my Cutie Mark comes to life, I blast freely across the sky!"

Her wings were spread and a rainbow glow enveloped her as she then dove down.

Crowd: "Oooh!"

The crowd and us were awed when we saw Zipp glow in rainbow color as the rest of the Mane 8 looked up

WE GASPED!

Me: WHOA! WHAT POWER!

Hitch Trailblazer: "What's happening to Zipp?"

Twilight Sparkle: "She's a glowing rainbow?"

Sunset Shimmer: "Wait, I've seen this glow before. Izzy, didn't this happen to you before?"

Izzy Moonbow: "Oh, yeah, I think it was during my Blockywocky's thing when I created the Boardtrot.

Me: She unlocked her RAINBOW POWER!

Izzy Moonbow: Wait, you mean that Zipp…"

While diving down, Zipp was still glowing as her mane and tail then extended as she then gain rainbow streaks of herself as she was envelope in a golden flash as she kept diving down as she then started to break a barrier as she then sparked up before she then blasted past and then...

BOOOOOOOOOOOOOOMMM!

She flew incredibly fast and was creating an all too familiar sonic boom in her wake as a rainbow shockwave was made from where she took off as she dived down at high speed as every pony, including the stunt ponies, looked up in shock and awed at what they are seeing.

WE WERE IN SHOCK AND IN AWE!

Pipp Petals: "O…M…P…"

She got the whole thing on video.

Me: RAINBOW DASH I THINK I KNOW WHAT THAT WAS!

Sunset Shimmer: "Twilight, is that what I think it is?"

Twilight Sparkle: "T-T-That's the

Me, Rainbow Dash, Fluttershy and Twilight Sparkle: THE SONIC RAINBOOM!

Sunny Starscout: "The very same technique Rainbow Dash made that got you and your old friends Cutie Marks together?!"

Twilight Sparkle: "The same one! Zipp did a Sonic Rainboom! A legendary move that Equestria hasn't seen in centuries!"

Rainbow Dash: THAT IS SO AWESOME! SHE REALLY IS MY LEGACY!

Queen Haven: "My daughter did a legendary technique?! I, I, I just, I can't…!"

It was all too much for Haven as she fainted before Alphabittle caught her.

Alphabittle: "She's just happy."

He chuckled

Mindwipe: Alright, Zipp!

Me: WAY TO GO!

We continued to watch Zipp fly down before she then got into an arch formation as she then formed a rainbow over the stadium, which she stopped as she realized what happened as she looked at herself and saw her new Rainbow Form.

Zipp Storm: "D-Did I just do that?"

She looked down and saw her friends and the crowd cheering to her from the final performance as the rainbow Zipp made shined over her with sparkles as Zipp gave a wide smile at what she just accomplished as she then flew in a loop around her rainbow she created as the crowd cheered louder.

Me: WAY TO GO ZIPP!

Nico: THAT WAS AWESOME!

A bit later after the show, Zipp, who is still in her Rainbow Form, regrouped with her friends and us who were chatting about what happened.

Sunny Starscout: "Zipp, that was amazing!"

Hitch Trailblazer: "That was the best show we've seen in our lives!"

Sparky babbled in excitement.

Spike: Sparky said he was happy too!

Twilight Sparkle: "You created the Sonic Rainboom!"

Sunset Shimmer: "And the first Rainboom I've seen since I missed out on Rainbow's."

Rainbow Dash: You were absolutely awesome Zipp! YOU did the Sonic Rainboom!

Misty Brightdawn: "I have never seen a rainbow shined like that!"

Izzy Moonbow: "It was so sparkly than the Brighthouse's rainbow!"

Pipp squealed and rushed to her sister,

Pipp Petals: "Oh my Glitter, Zipp you were so super glamtaculously amazing out there! And look at your Rainbow Highlights, they are so you!"

Me: And you unlocked your rainbow power too! Way to go!

Zipp laughed before she was pulled into a tight hug by Queen Haven who nuzzled her cheek with tears of joy.

Queen Haven: "Oh my dear little Zipperpoo! I am so proud of you!"

Haven wept happily while she hugged her daughter.

Zipp Storm: "Mom! My friends are watching."

She was blushing in embarrassment as her mother kept nuzzling her.

Lincoln: They are just so happy for you Zipp! Just like us.

Queen Haven: "Zephyrina, you will let your mother hug and love you as much as she want. You have made the most memorable event that nopony will ever forget!"

Me: That is for sure!

Zipp Storm: "Thanks Mom, I guess I was wrong, I am still the Element of Bravery,"

Me: There was never any doubt.

Pipp Petals: "I knew you weren't really scared of flying,"

Zipp Storm: "Oh no, I was terrified, But it was only until I realized that Bravery is choice not a destiny, and that it means overcoming what scares to do what you want to do,"

Me: That's right.

Sunset Shimmer: "And I guess because you found your true purpose of bravery, you unlocked your rainbow magic of your element."

Rainbow Dash: And it sure is awesome!

Twilight Sparkle: "It looks similar to how me and my friends had when defeating Tirek the first time. This is amazing. And I'm a bit jealous since me and my friends only had that power once thanks to the Tree of Harmony."

Me: And how we got the estate.

Pipp Petals: "Ooh, I can't wait until I get my Rainbow Look!"

Sunset Shimmer: "Give it time, Pipp. Zipp, you really embrace your element like Izzy has. And you created the most ancient move that no other pony has ever done in generations."

Cosmos: You should be proud of yourself

Zipp Storm: I am.

Me: The Prophecy is right around the corner. But it will be awesome.

Zipp Storm: Yeah!

Then figure flew in and a Staraptor landed on Zipp's head.

Me: Zipp you got a little friend on your head.

Zipp looked.

Zipp Storm: Whoa! A Staraptor!

Qin: Cool!

Zipp Storm: Boy that is awesome!

Nico: Wait. Something's off about it

Qin: Yeah.

Me: Must be one of Dark Gale's work.

Sheena: Whoa this one is very interesting. Her name is Sharayia Thunderhawk. She is Half Thanagarian and is a plumber girl.

WE GASPED!

Qin: WHOA! Half Thanagarian?

Hawkgirl: One of my kind in the plumbers?

Ben: We decided to have some of the Plumber Kids of the planets of the Justice League be in the Plumbers too.

Xenia: That is cool!

Hawkgirl: It sure is. Lets go help her then.

We went over.

Hawkgirl: It's okay there.

She pecked Nico and he screamed in excruciating agony!

POINK POINK POINK POINK POINK POINK!

Nico: (SCREAMS)

Qin: OH MAN! Nico are you okay?

Me: That punch I dealt Nico must still hurt bad.

Nico: OW! OW! OW!

Poromon: I thought he healed by now!

Me: Poromon with my kind of strength it will take a while. You saw how strong I was.

Xenia: Yeah.

Me: I hope I didn't smash Nico's skull!

Nico: J.D. I'm going to strangle you for that!

Me: I said I'm sorry! You know how HUMILIATING THAT WAS FOR ME!

Nico: I think I'm at least past 75 percent healed.

Qin: Yeah.

Vierra Voltic: Keep getting hurt like that Nico and it'll be worse than when Jessie and James smashed that truck full of Pokemon and got them all hurt! It'll be bad for them.

BURN! BOOM! ROASTED!

Ash: (GASP) THAT WAS YOU GUYS!?

James: It was Jessie's idea!

Jessie: Hey! (STRANGLES JAMES) IT WAS ALL YOUR FAULT! IF YOU HADN'T SWERVED AND HIT THAT FIRE HYDRANT WE WOULDN'T HAVE CRASHED!

Eli grabbed them...

KRABLAM!

Eli bashed their heads together!

Eli: That will shut you up.

Me: Now lets get Sharayia Thunderhawk back to normal.

I snapped my fingers and she reverted back. She was a girl with brown hair and had blue eyes and had brown angel wings and had Staraptor on her forehead and had Hawkgirl with the Alchemy Symbol for Air on her arm as a cutie mark.

We wrapped her in a blanket and brought her over.

She woke up.

Sharayia: (Groans) What hit me?

Hawkgirl: Are you okay Sharayia?

Sharayia: Shayera? Whoa it's nice to meet you.

Hawkgirl: Same here.

Me: You were turned into a Staraptor by Dark Gale.

Sharayia: Oh man! I was battling a bunch of pig guard creatures.

Eli: Those were the Gamorrean guards. They were the bodyguards of Jabba the Hutt.

Me: I remember seeing those guys.

Luke Skywalker: Me too.

Me: Yep.

Nico: Also you pecked my head!

Me: Nico if you don't be quiet I'm going to smash your skull out of your head!

Nico: I'm just saying!

Me: Sorry. Just angry that was brought up.

Qin: Oh. (Whispers to Sharayia) J.D. is very sensitive about something that happened to him in Celadon city.

Sharayia: Oh. I see.

Rarity: Lets get you some new clothes darling.

The fashon brigade gave her new brown and yellow clothes and a new Thanagarian Sword.

Sharayia: I look awesome.

Me: You sure do.

Lincoln: We don't have long before our next mission starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift an extremely mountain-sized massive 999-septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Me: Yep.

Ransack: (to Plank) This isn't the first time we've heard you speak. You first did it in Erica's Ambassador missions.

Lola: It's true.

Qin: Yeah.

Plank: Wow!

Nico: But how does it feel to be able to talk permanently?

Plank: It feels amazing.

Jonny 2X4: Right on!

Qin: Awesome!

Nazz: He still can't eat anything though.

Plank: I know. What a shame there.

Xenia: Yeah!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his large gold halo and second smaller halo of light in the center and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo that's behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Dark Chrysalis, she's come back from The Warp and she wants revenge on us, and she's taken on the form of Princess Platinum's daughter, Princess Goldstar. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: So, you've finally come back at long last, Dark Chrysalis!

Eli: It's time.

Lincoln: Yep.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's Dark Chrysalis, she's come back from The Warp and she wants revenge on us, and she's taken on the form of Princess Platinum's daughter, Princess Goldstar.

EVERYONE GASPED!

Princess Platinum: Oh no!

Rainbow Dash: I knew that parasite would show up again, and she's taken on the form of Princess Platinum's daughter. That's it, she's done for.

Lincoln: (Sensed Princess Goldstar) And I found Princess Goldstar, she's in the abandoned mine in Equestria.

Me: Whoa, that was quick.

Lincoln: I got a plan to deal with Dark Chrysalis and rescue Princess Goldstar, but I'll tell you once we get to Equestria.

Nico: Good idea, this should be good. Alright, team, let's get going, this is the last time we deal with that parasitic bug of hatred.

Lincoln: Dark Chrysalis' time is up, this is where we bring an end to her once and for all.

The previous group came.

Copperhead: Can me, Larxene, Zexion, Demyx, Hsi Wu, El Oso, Dr. Light, Unicorn, Bonz, and Captain Boomerang go with you guys?

Nico: Yes you guys can come with.

Qin: Cool.

Me: First we got to go to Zephyr Heights. Guardian of Harmony work.

Ember McLain: Nico, which Gene Slammer do you think you'll meet next?

Nico: Elemental HERO Tempest next.

Qin: Cool!

Xenia: Storm power!

Camie: Yep.

Ymir: Awesome.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo and second smaller halo of light in the center and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo that's behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was The Eldrazi, a race of alien devourers and major antagonists in Magic: the Gathering, and they're here to destroy us. When we saw it, we knew it meant trouble.

Lincoln: Uh oh...!

Me: Lincoln, was that...?!

Lincoln: The Eldrazi, a race of alien devourers and major antagonists in Magic: the Gathering, and they're here to destroy us.

Luna: Oh man, I know about them. Ulamog, Kozilek, and Emrakul, The Eldrazi Titans have traveled throughout the Multiverse, going to planets and consuming their mana resulting in the destruction of numerous planes and an untold number of deaths.

Violet Malefic: Lincoln, I hope you absorb them.

Lincoln: I will, they're gonna pay for what they've done.

Nico: Taking down another enemy from Magic The Gathering, this should be good. Alright, team, let's get to Equestria and bring an end to Dark Chrysalis.

Lincoln: That parasitic bug of hatred has lived for too long, this is where she meets her end, and once we get done with her, you're next, Ulamog, Kozilek, and Emrakul.

Violet Malefic: All the crimes you've committed can never be forgiven, you Eldrazi monsters, now the time for your hellish judgement is close at hand!

Lincoln put up a powerful rainbow energy field around The World Tree Estate and we headed to Equestria to rescue Princess Goldstar and expose Dark Chrysalis and end her forever and send her to The Black Abyss, and once we get done with her, Violet Malefic and Lincoln are going to face and take down Ulamog, Kozilek, and Emrakui, The Eldrazi Titans, and Lincoln's going to absorb them.

We were off to Zephyr Heights first.

We arrived.

Me: Good to be back here.

Qin: Yep.

Larxene: Let's call Tchang Zu.

Me: Good idea.

We called him.

THUNDERCLAP!

In a flash of lightning came Tchang Zu!

Tchang Zu: What took this day so long for Rainbow Dash?

Me: Long story. First we got to do Guardian of Harmony work.

We walked to the castle throneroom of Queen Haven.

We saw Queen Haven on her throne.

Queen Haven: Oh welcome Team Loud Phoenix Storm and everyone.

Me: Good to see you too Queen Haven. We're here on official Guardian of Harmony business.

Queen Haven: What sort of business?

Me: We have strong reason to believe that Rainbow Dash of Sunny's and your world is hidden right underneath your throne.

Queen Haven: (GASP) Oh my goodness! Are you sure?

Me: My dreams and Galaxia Starscout's notes all confirm it.

Xenia: It's all true.

Queen Haven: Oh my,.

Nelson Muntz: Anyone got garlic?

Me: We're going to need it today.

I went over to Queen Haven's throne.

Me: I apologize Queen Haven. Lets see.

I felt around the floor and felt around for something. Then under the throne seat I felt something.

Me: Aha!

I pressed a button and then the throne opened up and revealed a huge staircase!

Nico: WHOA!

Queen Haven: OH MY GOODNESS!

Pipp Petals: We never saw that before!

Me: Wow!

We went down the stairs and it was a dark tomb.

Xenia: Wow.

I formed an energy ball to use as a flashlight.

We walked and got to a huge door and it had Rainbow Dash's Cutie Mark on it.

Nico: This is it.

Me: Yep.

My sword was glowing.

Me: My sword is reacting to it.

I pushed open the door and in it was a bunch of wonderbolt stuff and more.

Me: WHOA! Look at all this!

Qin: Wow!

Xenia: So much Wonderbolt Memorabilia.

Camie: Yep.

Laney: Look there!

We saw in a crystal coffin, Rainbow Dash of Sunny's World!

Me: There she is!

Queen Haven: My goodness! We had Rainbow Dash here!

Qin: You sure did!

Dr. Light: Let's open it

Zipp Storm went over to her and then tapped the coffin and then a massive FLASH OF LIGHT BLASTED OUT AND A MASSIVE SURGE OF MAGIC WAS FELT! IT HIT CLOUDSDALE AND THE PEGASI LOCATIONS OF EQUESTRIA AND MADE THEM AMAZING AND AWESOME THAN EVER!

She woke up for the first time in 1,000 years!

Rainbow Dash (G5): (Groans) What happened?

Me: Welcome back to the land of the living R.D.

Rainbow Dash (G5): J.D., Nico, everyone and Everypony!? Wow!

She hugged me!

Me: We have over 1,000 years of history to tell you. You were asleep for over 1,000 years because of Opaline Arcana.

We told her everything.

Rainbow Dash (G5): Oh man! I missed out on so much.

Me: I know.

Bonz: Remember Ish?

Rainbow Dash (G5): How can I forget. We took down Wild Card together and that was awesome!

Me: It sure was.

Rainbow Dash (G5): I will gladly help you guys take down Opaline again.

Me: Awesome!

Suddenly my eyes glowed and then I gasped!

I ran fast.

Nico: J.D. what's wrong!?

Everyone followed.

I went out and looked at the sun. Sure enough, I saw the planets Jupiter, Saturn, Uranus, Neptune and Mars in view and that can mean only one thing! The prophecy is upon us!

Me: Its begun!

Nico: What is it!?

Me: I was just told by the Spirit of Harmony! The planets are starting to align even as we speak! The Prophecy is almost upon us! Look!

Everyone saw I was right!

Nico: Oh man! Jupiter, Saturn, Uranus, Neptune and Mars are in view! How much time do we have?

Me: 48 hours!

Nico: 2 Days!

Twilight Sparkle: That means my day is coming!

Me: That's right! It's time to end this for good. But we have until the day after tomorrow!

Lola: Yeah!

Nico: Yep!

But then...

FLASH!

THERE WAS A MASSIVELY INTENSE BLINDING WHITE FLASH OF LIGHT!

It enveloped the world and it meant only one thing and that another version of the world merged with ours!

Me: WHOA! That was intense!

Nico: What world merged with ours this time?

?: I think our world did.

We saw 7 kids.

Me: Whoa who are you girls?

Comet Stardust: I am Comet Stardust, Adopted Daughter of Twilight Sparkle, and this is my sister Daylight Savings.

Daylight Savings: Hello.

Storm Hawk: I'm Storm Hawk, Adopted Daughter of Rainbow Dash.

Apple Shine: I'm Apple Shine, Adopted Daughter of Applejack.

Winter Breeze: (Icelandic Accent) I'm Winter Breeze, Adopted daughter of Fluttershy.

Rose Lotus: I'm Rose Lotus, Adopted Daughter of Pinkie Pie.

Golden Charm: (Irish Accent) And I'm Golden Charm, Adopted Daughter of Rarity.

WE GASPED!

Me: Wow it's a pleasure to meet you all.

Burner Man: Adopted?

Comet Stardust: We should explain. We are special girls. We come from Earth.

They told us everything. They were once humans from Earth that were given a second chance at life in the world of Equestria. They came to Equestria thru pregnancy brought on by the Maternity flower and also thru wishes and the interventions of Princess Luna. We were told they had VERY TRAGIC PASTS and they were really terrible.

WE WERE SHOCKED AND HORRIFIED!

Me: Oh man! You all had it really rough. I'm sorry you went through all that.

Winter Breeze: We're happy and living a great life in Equestria now.

Me: That's good.

We also learned they they have amazing powers too. They all are amazing and powerful martial artists and Comet and Daylight can call upon the spirits of the wild to help them and they can talk to the spirits as well. Rose Lotus can see auras and life force and she is a fortune teller, Winter can communicate with animals too and more, Apple Shine is strong and gifted in the rodeo and beyond, Golden Charm is amazing in fashion and more and Storm Hawk is a REALLY FAST flyer and more.

We were amazed!

Me: WOW! That is impressive.

Golden Charm: It is lad.

Me: Yep.

Stefan: You'll have to tell us about your tragic pasts at another time.

Me: We're kind of in the middle of a mission right now.

Lincoln: I guess this makes me your dad now since your moms are now in my harem.

Comet Stardust: It sure does.

Me: Awesome! Now we got to go over the battle plan.

Lincoln: Alright, everyone, gather around.

Lincoln pulled up a hologram of Equestria, and he zoomed in on our target and it was at Canterlot.

Lincoln: Now, as we already figured out, our main target is Dark Chrysalis who's taken on the form of Princess Goldstar, Princess Platinum's daughter, and the real Princess Goldstar is in the abandoned mine held captive by the Dark Changelings. Here's how we're going to do this: J.D., you'll need to use a spell to rat out Dark Chrysalis' dark aura, and Comet Stardust, Daylight Savings, you and I will go to the abandoned mine to rescue Princess Goldstar.

Comet Stardust: Understood, Dad.

Lincoln: Then, we'll have our airforce bombard and blast Dark Chrysalis' Changeling minions in a massive ambush as they attack the barrier. Then, while the swarm is preoccupied, we'll blast Dark Chrysalis and expose her into the open, and that's when we'll attack and end her.

Me: Great idea. What does she look like?

Lincoln showed us a picture of her.

Me: Easy to remember. And she is an alicorn princess too.

Suddenly, Lincoln's deep sapphire eyes turned crimson red and his pupils turned into slits, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored

Lincoln let out an extremely massive and savage roar as he pounded his chest like an Alpha Male Gorilla.

Lincoln: (Beastly Gruff Manlier Voice) Ah, you've made it back, Ataru, this'll be your next step, you'll be beating up Dark Chrysalis, after we do our entrance on her. Can you do that?

Lincoln: (Beastly Gruff Manlier Voice) Good.

Nico: Wow, your rehab program's working, and with Ed Cowart's warning delivered, our resident perverts will keep their noses out of this. Now, let's get after that evil bug.

Demyx: We need to get her out of there ASAP

Me: Right. But we better keep a low profile. We don't want Dark Chrysalis catching onto us early.

We nodded.

We went through the barrier and went to the tower of Twilight Sparkle that she had for her studies.

Twilight Sparkle: This is my old study tower. We can use this as our base of operations for this.

Me: Good idea.

Lincoln: Okay. I'll form a portal that will lead into the mines and we'll go there.

Me: Keep in constant communication.

Lincoln: Right.

He formed a portal and he, Daylight and Comet went through it and we watched from a viewing window.

Nico: Do we still visit this place?

Twilight Sparkle: We haven't visited this tower since I moved to Ponyville.

Me: It has been a while.

They were looking around.

Lincoln: Looks like this mine had a kitchen.

Comet Stardust: I know.

Daylight Savings: "Comet, come here."

Daylight called out as she approached next to her sister in the fridge.

Comet Stardust: "What is it?"

Daylight Saving: "Look."

She pointed at the fridge which had three jars that said, 'Pickled Vampire Wings', 'Werewolf Snacks Chunky Style', and 'Fried Moonbeams'.

Comet Stardust: "Wow, 'Pickled Vampire Wings'? Yuck! 'Werewolf Snacks'? 'Fried Moonbeams'?! Double yuck yuck!"

Comet shuddered as she and Daylight slammed the fridge shut.

Comet Stardust: "What a menu!"

Daylight Savings: "Yuck!"

Lincoln: Shaggy and Scooby saw gross jars like those in Franken Castle at one time and it was gross.

Me: BLECH! Those snacks sure are gross.

Poromon: Can I have some?

Me: Poromon I don't think you would want to eat those. They would be REALLY ROTTEN by now.

Poromon: Oh.

Qin: Yeah.

Lincoln: (Sniffs) She's close. Shine magic that way.

Lincoln pointed to something and Comet and Daylight used their magic as flashlights and they saw a green Alicorn and she had messed up hair and yellow eyes.

Lincoln: Princess Goldstar!

Princess Goldstar: Lincoln? What are you doing here?

Lincoln: We came to get you out of here. We'll explain later. Lets get you out of here.

They got her and formed a portal and came back.

Me: Good work guys!

Princess Platinum: Goldstar! Oh thank goodness!

Princess Goldstar: Oh mom!

They hugged.

Me: Awesome!

THUNDERCLAP!

Me: What the!?

We saw a ball of lightning emitting INTENSE LIGHTNING moving slowly coming to us.

Me: WHOA! That is intense lightning coming off of her!

Lincoln: Oh my god! That's Rainbow Dash's Akuma, Lightningbane! The Hypothetical Akuma form of Rainbow Dash and yes she is a living ball of lightning. She is INTENSELY ELECTRIFYING! And she was made when she was accused of being reckless and more and was thrown out of the Wonderbolts in Disgrace and she vowed revenge on them and electrocute them with intense electricity

WE GASPED!

Qin: WHAT!? Rainbow Dash would never be thrown out like that!

Rainbow Dash: I am not that reckless.

Lightning Dust: Yeah that's more my department.

Storm Hawk: Yeah I know mom. She would never do stuff like that.

Rothar: (to Rainbow Dash and Lightning Dust) It's pretty much a role reversal for you two there

Lightning Dust: That is very unusual.

Nico: Yeah.

Lincoln: HOLY CRUD! Look at this voltage reading.

It showed she had 600,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 volts of electricity in her!

Me: HOLY WOW! That is intense voltage!

We went to face her.

Me: Don't get too close guys.

Lightningbane: Looks like the fun is about to begin.

She fired waves of intense lightning and blasted many of us and we got intensely supercharged from the electricity!

Me: HOLY SHIT! WOW!

Captain Boomerang: (Australian Accent) Rainbow Dash? Is that you?

Lightningbane: Yes it's me and I'm still awesome.

Me: Yes you are. But when you're like this its'for the wrong reasons.

Lola: Yep.

Tchang Zu: So you need to calm down

Lightningbane: Not until the Wonderbolts pay.

She fired more lightning blasts and we absorbed it all and it supercharged us intensely.

I fired waves of energy and blasted her.

Tchang Zu fired waves of lightning and it supercharged her!

Tchang Zu: Okay bad idea.

She fired more intense lightning more powerful than ever and we absorbed it.

Lightningbane: My turn.

She fired amassive beam of intense lightning and we absorbed it all. We fired waves of energy and blasted her and knocked her out.

Me: YEAH!

Jean Bison: That was shocking

Me: It sure was.

Qin: Yep.

Nico: Now for Dark Chrysalis.

Me: This is it, now's our chance.

Nico: All that's left is to expose her.

Lincoln: (Beastly Gruff Manlier Voice) Let's do it.

Comet Stardust: Time for some action.

Unicorn: We just need to find her

Eli: I sense her in the church of Canterlot.

Me: Right. Lets go.

Suddenly, the spirits of the Wonderbolts appeared and they attacked Dark Chrysalis with fury along with sudden blasts of red, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, elemental forces, magic, mythical beasts, phoenixes, and angels from Alexander Avalon, and one of my energy blasts hits her, and the imposter Princess Goldstar had turned back into Dark Chrysalis.

Pony: (GASPS) DARK CHRYSALIS!

Then, the spirits converged and a massive explosion erupted as a Thunderbird Screech, Dragon Roar, Wolf Howl, Tiger Roar, and Phoenix Cry was heard, and we appeared and that pissed Dark Chrysalis off even more.

Me: I knew you'd one day break out of The Warp to cause us more grief yet again, Dark Chrysalis, but this is where it ends for you!

Dark Chrysalis: (HISSES) YOU DAMN PESTS! I HAVE HAD IT UP TO HEAR WITH ALL OF YOU TO LAST AN ETERNITY, I WILL KILL EVERY LAST ONE OF YOU AND ALL OF EQUESTRIA WILL FINALLY BELONG TO US!

Me: We'll see about that!

But then...

ZOOM!

NUMEROUS STARSHIPS AND STARFIGHTERS FLEW IN!

Jared and the air force flew in and were blasting the Changelings left and right.

LASER FIRE AND MISSILE BLASTS!

Dark Chrysalis: NO! CURSE YOU ALL!

Me: We have a force that is more powerful than your love sucking! PURE UNADULTERATED HATE! DIRECTED AT YOU!

Xenia: YEAH!

El Oso: (to Sunset) (Spanish Accent) Are you proud of Rainbow today?

Sunset Shimmer: I sure am.

Rainbow Dash flew and went fast and blasted Dark Chrysalis all over.

Dark Chrysalis: You're the one facing me? (laughs evilly) You fools must be running out of Core members!

Nauthilax: We have plenty more to go!

Me: That's right!

I used the Force and hurled numerous objects at Dark Chrysalis and bashed her all over the place with intense ferocity.

Hsi Wu: Rainbow Dash isn't the only one who can fly fast!

ZOOM!

SMASH!

Hsi Wu bashed her with intense force.

I kicked her.

I ignited my green blade and purple blade lightsabers.

Dark Chrysalis fired blasts fo green lightning and I deflected the blasts back and blasted her all over.

Nico: Wait how did J.D. get a green blade lightsaber too?

Lynn: He has had that lightsaber since he moved in.

Nico: Wow!

Kevin Levin: How about a knuckle sandwich, bitch?

He turned into metal and bashed her with a massive mace ball!

Chill Bill: Who else is with you?

Nico: Yeah!

?: (INSANE LAUGHTER)

Out came a woman who had black hair. But her face and body were all partially scarred and horribly disfigured and she had a Straitjacket on and she was laughing like an insane nut!

WE GASPED!

Charisma Tettherby: (GASP) MOM!?

Me: Wait Valencia Tettherby!? Oh man!

Nico: My god! What happened to her!?

Me: Those are acid burns!

Zexion: Jesus fuck!

Qin: NASTY!

Me: What happened to her that lead to that.

Charisma: Well it was back when I was 4 years old, my mother went insane and went after my dad and I splashed her face with corrosive acid and burned her bad. She was REALLY horribly scarred and disfigured over 94% of her face and body and it was nasty! She was sent to a maximum security insane asylum and vowed to escape and kill me.

WE GASPED AGAIN!

Dark Chrysalis: This woman is more crazy than me!

Lola: That we can agree on!

Charisma: She HATES ME BEYOND ALL RECOGNITION and wants nothing more than to kill me. (CRYING) She hates me with a vengeance and she called me a REALLY PATHETIC PIECE OF GARBAGE and a mistake she never wanted to have!

WE WERE DISGUSTED AND ENRAGED!

Me: YOU DISGUSTING AND HEARTLESS BITCH!

Rarity: That is absolutely the most disgusting and most selfish and insane thing I've ever heard in all my life!

Nico: You know what to do

Charisma: I've had it with you mom! YOU ARE NO MOTHER AND HAVE NO RIGHT TO CALL YOURSELF A MOTHER TO ME OR ANYONE FOR THAT MATTER! I'm going to do what should have been done long ago! I'M GOING TO KILL YOU!

They fired waves of energy and blasted her all over.

I separated her with a blast of energy. We scanned Anti-Drillerpillar and banished her to the black abyss!

Deadpool: Here Charisma.

He gave her one of his guns.

She went over and pointed the gun at her head.

Deadpool: Wait. I forgot to put in ammo. Hold on!

He gave her ammo. They were super explosive bullets.

Deadpool: There you go.

Charisma: Thanks.

She pointed the gun at her so-called mother's head.

Valencia Tettherby: You wouldn't kill your mother will you?

Charisma: What mother?

BANG!

SHE FIRED AND HER HEAD EXPLODED!

IT KILLED HER INSTANTLY AND SHE WAS SENT TO THE BLACK ABYSS!

DARK CHRYSALIS GASPED AND HURLED HER GUTS OUT!

Nico: While Dark Chrysalis is distracted!

I fired waves of energy and blasted her!

Eli fired blasts of Force Lightning.

Nico fired waves of fire.

Lana fired ice blasts.

Lola and Qin fired fireballs.

Lincoln, me, Eli and Nico fired massive blasts of lightning and blasted her all over.

Lily fired waves of water.

The blasts all hit her and blasted her all over.

Nico: Charisma, out of the people who helped you, who do you feel is a sibling to you?

Charisma: I have DIamond Tiara and Silver Spoon like that.

Diamond Tiara: The reason my mother treated me like that before she was redeemed.

Me: Oh yeah!

I fired waves of energy and blasted Dark Chrysalis.

Silver Spoon: And I think it's unfair for Charisma to go through all that.

Time to die, Dark Chrysalis.

Ho Oh charged at her

Ho Oh: Fear the Sacred Fire!

He blasted her with intense sacred fire blasts!

Sharayia: Time for some flying doom!

Hawkgirl: Lets do it!

Sharayia and Hawkgirl: THANAGARIAN BLAST WAVE!

They fired waves of energy and blasted her all over.

Sharayia was surprised as her body started trembling. She yelled out in surprise as her body started expanding

Same with Anabel and Gallilea!

Gallilea: NO! We control the power. It doesn't control us!

They concentrated and reigned in the powers of Alolan Vulpix, Staraptor and the Whitetip Reef Shark.

They transformed and blasted Dark Chrysalis all over.

Ocellus: Watch this.

He turned into Darth Vader.

She walked up to Chrysalis

Ocellus: (As Darth Vader) You do not yet realize your importance. You have only begun to discover your power. Join me and I will complete your training. With our combined strength we can end this destructive conflict.

Dark Chrysalis: I WILL NEVER JOIN YOU!

Ocellus: If you only knew the power of the Dark Side.

Nico: We already have 2 versions of you with us. You joining us isn't necessary. The offer was merely a courtesy

Eli: That's right!

Ocellus turned back.

Ocellus: YOU WERE NEVER OUR QUEEN!

SHE KICKED DARK CHRYSALIS AND SMASHED HER FACE DOWN!

Poromon pecked her!

Meowth was slashing her all over and she couldn't get out a single word as she was getting clawed.

Duskmon: Good thing she can't order us around right now.

Villamax: We would never follow her anyway.

Marluxia: No, we wouldn't.

Me: That we can agree on.

Pyros: Nice job, Meowth.

Meowth: Thanks!

Rotten Patty (to Yumi): You should take care of that Chansey

Yumi Orophela: (COUGHING AND GAGGING) I think she is doing a good job of taking care of (COUGHING AND GAGGING) me.

?: That is for sure.

A figure came out and it was DIGITRON from episode 5 of Beast Morphers!

Digitron was created off-screen from an unknown object and was first seen in the Crystal Dimension when Scrozzle showed him off to Robo-Blaze and Robo-Roxy and gave the Robotron the mission to absorb all kinds of technology so he can be strong enough to kill the Power Rangers. Digitron traveled to Coral Harbor and appeared at a building complex where he scared off a group of civilians before absorbing an abandoned laptop computer and a personal transporter into himself. The Rangers, along with Cruise, confronted him and he summoned two squads of Tronics, forcing the Rangers to split up. The battle soon moved into a park, where Digitron briefly fought Ravi and Zoey, before they went back to help Devon and Cruise with the Tronics. While Cruise was shooting the Tronics with his new blasters, Digitron blasted him from behind, causing Cruise to drop the blasters. While the Tronics held back Devon, he assimilated Cruise, tremendously augmenting his power. Devon, Ravi, and Zoey fought him, but he used his new strength to easily beat them. Nate and Steel regrouped with them, and Devon tried to capture Digitron with Cable Strike, but the Robotron teleported away.

Back in the Crystal Dimension, Robo-Roxy remarked she was impressed by Digitron's performance. Robo-Blaze then ordered the Robotron to return to Earth, absorb as much tech as possible, and destroy all the Rangers. Digitron returned to Coral Harbor to absorb more tech but was confronted by the Rangers again. Although he easily overwhelmed them, the Beast-X Visors were now ready and Devon summoned his. With Ravi and Zoey providing cover fire with their Beast-X Blasters and Nate and Steel restraining Digitron, Devon was able to punch into Digitron's stomach area with his new Morph-X Key and pull Cruise out of the Robotron, weakening him. The three main Rangers then activated their new Beast-X Modes, using their digitized Beast Bots to create armor that enhanced their Beast powers.

Digitron called upon Tronics but the newly empowered Rangers easily took them out. Digitron tried to destroy the Rangers with his strongest attack but they deflected it easily. He was easily overpowered by Zoey's Jackrabbit Spin Strike and taken down by Ravi's Gorilla Slam (which involves generating and then throwing a massive boulder) before Devon took him out for good with the Beast-X Cheetah Charge (a move where Devon transformed into a blazing orange energy cheetah and rammed straight through Digitron)

Devon: DIGITRON!

Digitron: Been a while rangers.

Me: I remember you! You were sent to absorb lots of technology to kill the rangers when you had enough strength!

Digitron: That's right! Good memory.

Me: Yep.

Ben: You're actually similar to Upgrade.

Digitron: I do feel like that don't I?

Me: You sure do.

Qin: Yep!

Nico: LETS GET IT ON!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

We got the battles underway!

Duskmon was first.

Duskmon: (to Jeri) Nico was Learning All about how the Water Cycle Works with Ms. Frizzle and her class. And he battled Robostus on the planet Wolfmoonraira.

Jeri: Boy you should have seen it! We all got turned into water except for J.D. and Maria and it was so awesome to be water. We got to know what it was like. We were evaporated and then turned into clouds and went to the Ocean and to London. But we went back to school and had to save the school from flooding. We accidentally forgot to empty the sink and turn the water off.

Duskmon: Oops. But at least you figured it out. That was cool though!

Jeri: It was. Also we faced Robostus and we found out that it was a robot that was Akumatized by Gabriel this time.

Duskmon: WHOA! Bet that was a mistake by Gabriel.

Leomon: It was. It backfired big time.

Leogun: It sure did.

Shirley: It was like really crazy.

Twilight Sparkle: Robostus had the power to bring inanimate objects to life which was really cool and amazing.

Comet Stardust: Yeah no kidding. Oh sorry I'm Comet Stardust, I just joined everyone.

Duskmon: Pleasure to meet you and we heard about what happened to you in your world and we're really sorry you went through that.

Comet Stardust: Thank you.

Daylight Savings: I'm Daylight Savings. I'm Comet's sister and it's going to be fun to be with you guys.

Duskmon: Glad to have you here.

Stellar Sparkle: This was a fun rescue for us though.

Harmony Sparkle: It sure was and we all had fun.

Starshine Sparkle: I agree there myself. We found out that Comet and friends were humans from Earth turned into ponies because of the Maternity Flower as well as Princess Luna's interventions in helping them which was really amaizng.

Spyro: It sure was.

Duskmon: WOW! That is incredible! But they must've had really rough lives.

Nadira: We met a gene-slammer of Alolan Vulpix and her name was Gallilea and she is Lillie's sister. But she hates Lusamine.

RRGH! (WOLF ROAR)

And he also flexed his muscles even more which really aroused his harem even more, and at the same time, The Eldrazi Titans began growing weaker as all their powers were being sucked out of them one at a time and was pumped into Lincoln, and they roared in pain.

Then, when Lincoln was done and the stingers changed back, nothing was left of The Eldrazi Titans, and Lincoln sucked out all of the remaining energy in The Eldrazi Titans and banished The Eldrazi Titans to The Black Abyss and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and he flexed his massive muscles as fire and elemental forces burst out of his massive biceps and massive muscles!

We cheered as we holstered our weapons and powered down and Violet Malefic's new body, clothes, weapons, jewelry, Third Eye, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long golden yellow wolf tails, large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold crescent moon ring-shaped frame around it with embedded red gems behind the gold halo with four large orbiting gold rings on each corner and four large Amaterasu's Heavenly Mirrors of The Four Holy

Violet Malefic: This where it ends for you, Eldrazi Titans, and this is goodbye and good riddance. Thanks for helping me get rid of them, Lincoln. You too, guys.

Lincoln: (Smiles Warmly) You're welcome, Violet.

Me and Nico: Our pleasure, Violet.

Suddenly, Violet Malefic wrapped her arms around Lincoln's waist as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Violet Malefic's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Violet Malefic sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Lincoln: And that's it for The Eldrazi Titans, serves him right.

Me: Urizen got what he deserved in the end. So, Lincoln, who's the next girl we're meeting on your next rescue tomorrow?

Suddenly, we saw the symbol of The Ice Barrier Frost Masters of Loyalty and Dance Princess of the Ice Barrier appear in the sky.

Lincoln: (GASPS) The symbol of The Ice Barrier and Dance Princess of the Ice Barrier!

Me: Who would fit that?

Amihan Frostine: That would be Nevada Frostine, Avatar and Gene-Slammer of Dance Princess of the Ice Barrier, and you guys are gonna like meeting her, Nevada Frostine, Avatar and Gene-Slammer of Dance Princess of the Ice Barrier, is Lincoln's Guardian Angel from New York, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Dance Princess of the Ice Barrier. She's The Ice Dancer of The Ice Barrier Frost Masters of Loyalty, a group of loyal girls who are the Avatars and Gene-Slammers of The Ice Barrier Duel Monsters and they're born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and their goal is to protect and defend Lincoln from his enemies, and they are the most loyal of Lincoln's Guardian Angels, and they would never ever betray Lincoln, his friends, and his family, nor their own, and they hate people who betray others for their own personal gain, and they've punished Lori, Lynn, Lola, Lisa, and Luan in the most fiercest way possible many times for their treacherous actions and murderous schemes against Lincoln. Nevada Frostine moved to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Dance Princess of the Ice Barrier, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Cryokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Dance Princess of the Ice Barrier, and Lincoln was already born with immortality and invincibility, and she also helped him grow and seriously bulk up in muscle mass and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Lincoln made her an ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lana, Alexis, and May a lot in using the powers of ice, and Nevada Frostine hated Lynn with a passion, and she swore if that bad-tempered belching farting gym bag tries to kill Lincoln again, she would freeze her and shatter her body into pieces.

WE GASPED!

Luna: Oh, I remembered what Belchy McFarty had done to piss her off.

Lincoln: And it always ended badly for her, and it led to Lynn getting sent to the hospital more than once.

Me: It sure did.

Black Knight Ghost: The evil deeds Chrysalis did can now be easily forgotten

Seadramon: And all of Telught's friends are saved

MetalSeadramon: Now we just need to find Twilight

Me: I already found her earlier. Her tomb is underneath the Canterlot Library.

MetalSeadramon: Oh right.

Loki: And there's also the new problem

Me: The planets are starting to align even as we speak and we have two days till Twilight's day to shine.

Loki: The prophecy is coming!

Pinkie Pie: I'll plan the victory party!

Beast Man: Go ahead. we're in Equestrian turf after all

Me: Awesome!

Nico: Sugar Cube Corner?

Qin: Awesome!

Rainbow Dash: (To the viewers) Now we've seen the last of the evils of Chrysalis.

Me: Yep.

We went to Sugar Cube Corner and had an awesome party.

We returned home, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to the hot springs in Lincoln's room.

Lily the Mermaid: We did it, we got rid of Dark Queen Chrysalis once and for all.

Anna Anyanova: And now, we are one step closer to our ultimate showdown with Queen Opaline.

?: (Beastly Gruff Manlier Voice) And finally, we'll fulfill the prophecy that'll restore what Twilight Sparkle in Sunny's time had built.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there in the hot waters of the now expanded hot springs was Lincoln in the hot waters, but they also saw his towel was on the rack along with his orange speedo, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Beastly Gruff Manlier Voice)(Flexes his massive arms and his massive biceps bulged even more with more veins forming)(Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln as they stripped off their clothes leaving them in their two-piece bikinis and they joined Lincoln and the hot water's minerals really did wonders for them. Then, they went to the massive expanding sauna, and the hot steam really did wonders in opening their pores.

Finally, they got out and the girls were on top of Lincoln as they kissed passionately.

Girl Jordan: (Rubs Lincoln's massive pecs)(Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fessterox's Perfect Gene-Slammer serum and Perfect God serum and Savage Serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility and fertility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-

times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his towel around his waist about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Beastly Gruff Manlier Voice)(Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

EXTERMINATING THE HIVE

This is the End of Brother Blood

In the early morning hours at 11:25 PM, Lincoln had a dream, and he saw two figures hiding out and living in Music Park. But, there were no ordinary two figures, they were Nyan Katt, daughter of Lincoln's future wife, Neon Katt. and Tick-Tock, son of Lincoln's future wife, Tock. Lincoln woke up from the dream, but he wasn't the only one, Neon Katt, Tock, Black Alpha, Nico, and I also had the same dream.

Lincoln: Same dream?

Black Alpha: We all did, Lincoln.

Tock: And it also means that we found out where our kids are at.

Me: They're at Music Park.

Nico: The third course of the Flower Cup in Mario Kart 7? Oh man, that's not good at all.

Lincoln: I know right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Black Alpha: we're on it, Lincoln.

Lincoln, Neon Katt, Tock, Black Alpha, Me, and Nico were heading to Music Park. Then, Lincoln saw a petite young 12 years old human-Faunus hybrid who has light skin, sea green cat-like eyes and moderate red-orange hair with light blue and white streaks in her bangs styled of a long ponytail with a pink bow on her head that resembles cat ears. She also has a pink cat tail with lighter pink toward the tip. She wears a light blue cropped tank top, dark purple short shorts under a pink combat mini-skirt and white belt with a yellow cat on the buckle, a white cat bell collar around her neck, a pair of bracers on her arms and pads on her shins and knees, and red trick roller blades. She wields glowstick-like nunchucks. And a tall and large 16 years old human-faunus hybrid who has greyish-green skin with shady green scales all over his body and face, a messy dark greyish-green mohawk with white stripes, and yellow eyes. He also has sharp iron metal teeth, black nail-like claws, dark spikes on his back, and long crocodile tail. He wears a dark green collared shirt, dark brown fingerless gloves, black and gray striped trousers, and black shoes. He wields twin swords and carried a large stopwatch around his waist. Lincoln saw who they were, they were Nyan Katt and Tick-Tock.

Lincoln: Excuse me, are you Nyan Katt and Tick-Tock?

Nyan Katt: Of course we are. Who are you?

Lincoln: I'm Lincoln Loud of Team Loud Phoenix Storm, and that's the Dark Knight and Leader of the Elemental Heroes, Black Alpha, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan. And there's also someone you know all too well.

Then, Neon Katt and Tock came out, and when Nyan Katt and Tick-Tock saw them, they were stunned.

Nyan Katt: Mother?

Neon Katt: I'm here, my little kitty.

Nyan Katt and Tick-Tock ran up to Neon Katt and Tock, and they hugged, and they cried tears of happiness, and we looked on at the scene. Then, Lincoln joined in on the hug, along with me, Nico, and Black Alpha.

Lincoln: And there's something you should know, Neon, Tock, your mothers are one of my many future wives.

Nyan Katt and Tick-Tock: Does that mean...you're our father.

Lincoln: (smiled) What else I wouldn't be?

That filled Nyan Katt and Tick-Tock with joy, as Lincoln picked them up and they hugged, and we had a smile on our faces and tears in our eyes.

Lincoln: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Nyan Katt and Tick-Tock to the rest of his siblings, who are now their aunts. We were proud of what Lincoln did in reuniting Neon Katt and Tock with their kids, and Nyan Katt and Tick-Tock now have a loving, strong, brave, and caring father in their life. We went back to sleep.

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: he saw a silver male dominated planet of light and absolute Alpha and Omega Male Godly Superhuman Strength and Godly Power and protected by the powerful male omnipotent angels who'd spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they're not only natural born and powerful fighters and Alpha and Omega Males, but they also had vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of light, absolute Alpha and Omega Male Godly Superhuman Strength and Godly Power, and the immense omnipotent powers of all Alpha and Omega Males times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the males and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the males into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of light, absolute Alpha and Omega Male Godly Superhuman Strength and Godly Power, and the immense omnipotent powers of all Alpha and Omega Males times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb their planet, and its core into his body and their planet's Sun into his body to preserve their legacy.

Lincoln woke up.

Lincoln: Holy moly, what on Earth Omega was that?!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) No way, that world you saw, that was Alphaira, a silver male dominated planet of light and absolute Alpha and Omega Male Godly Superhuman Strength and Godly Power and protected by the powerful male omnipotent angels known as The Alphairans who'd spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they're not only natural born and powerful fighters and Alpha and Omega Males, but they also had vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of light, absolute Alpha and Omega Male Godly Superhuman Strength and Godly Power, and the immense omnipotent powers of all Alpha and Omega Males times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the Alphairans and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the Googol of Vigintillions of Alphairans into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of light, absolute Alpha and Omega Male Godly Superhuman Strength and Godly Power, and the immense omnipotent powers of all Alpha and Omega Males times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb their planet, and its core into his body and their planet's Sun into his body to preserve their legacy.

Lincoln: Whoa!

Lincoln got up and got dressed, and he left a note explaining it, and he headed to Alphaira.

Lincoln landed on Planet Alphaira, and it was everything he saw in his dream and his rainbow energy aura exploded as he grew stronger.

Lincoln: I'm back on Planet Alphaira.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) It's still as awesome and intense as ever.

?: (Strong Manly Voice)(Divine Heavenly Godly Voice) You have arrived, Lincoln Loud.

Suddenly, Lincoln saw a strong-looking man who was really tall at 950'11" with abnormally massive and powerful upper and lower body muscles and twelve-pack abs, he was shirtless with a silver sun and moon on his chest, he has long silver hair going down to his shoulders, silver eyes, massive silver angel wings, he has on a silver loincloth, and black sandals, and this was someone Lincoln recognizes all too well.

Lincoln: (GASPS) Adrian Alphaira, King of The Alphairans of Planet Alphaira.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln, you know him?!

Lincoln: I do, eight years ago, my Guardian Angels took me to Alphaira where they began training me in everything they know, and as a result of that intense training, I'd gained even more vast countless eons of combat experience, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of light, absolute Alpha and Omega Male Godly Superhuman Strength and Godly Power, and the immense omnipotent powers of all Alpha and Omega Males times infinity, and the ability to grow stronger, and even more incredible godly powers, and I was already born with immortality and invincibility.

Adrian Alphaira: Yes, plus, I personally trained you on how to show your confidence to others and prove your manhood by protecting everyone around you which you did perfectly, and you'd also built up your confidence even more as the years passed, and you've naturally learned how to show your manly side to the girls around you, but I also personally helped you in that field as well, which also led to you not only growing your harem, but also, helping you become the man that you are now.

Lincoln: Along with being a loving, strong, brave, and caring father to many children and I was already a loving, strong, brave, and caring brother, son, and friend to everyone around me.

Then, all of the other Googol of Vigintillions of Alphairans came to Lincoln.

Adrian Alphaira: (Smiles) That's true, but I think it worked way more than I expected, in the span of eight years, you've grown that much stronger and also much taller, you're now as tall as me, and you're also even more muscular than all of us, and it's no wonder the ladies couldn't even keep any of their hands off you as you grew into the man your Guardian Angels and everyone around you had helped you become.

Lincoln had an embarrassed blush on his cheeks and muzzle as Adrian Alphaira chuckled.

Lincoln: Along with being a True Alpha Male on my own, and there's something I need to tell you.

Adrian Alphaira: I know. You had the dream, it's time.

Lincoln: Yes, it is.

Suddenly, Adrian Alphaira chanted an ancient incantation and a magic circle appeared below Lincoln's feet and it glowed with incredible power.

Adrian Alphaira: Do not worry, we will always be with you, Lincoln, now and forever. Our legacy will be preserved within you.

Suddenly, Adrian Alphaira and the other Googol of Vigintillions of Alphairans embraced Lincoln, and one by one, they began entering his body and they merged with him as he absorbed them: mind, body, and soul, and that led to Lincoln suddenly gaining an infinitely astronomical massive power boost and he gained gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of light, absolute Alpha and Omega Male Godly Superhuman Strength and Godly Power, and the immense omnipotent powers of all Alpha and Omega Males times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf

ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! This feels incredible. RRGH! (WOLF ROAR)

When it was all done, Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces, animals, and mythological beasts and rainbow protective aura and holy white aura was raging like a really massive wildfire and he has a silver aura with male symbols surrounding him and overflowing with forbidden power as he pounded his chest like a gorilla.

Lincoln: Whoa...! (GROWLS) This feels so incredible!

Suddenly, Lincoln flexes his massive muscles as his massive biceps bulged even more with veins forming and the image of tank turrets firing formed on his massive biceps and the image of cannons firing formed on his massive pecs.

Lincoln: (GROWLS) RRGH! Ooh yeah, this is so awesome! (WOLF ROAR)

Adrian Alphaira: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Letting the beast out, all the males of the Forbidden Zone planets including us do tend to do that on many occasions to show our virile dominance which made many females swoon over us.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln's grown that much bolder and confident thanks to his Guardian Angels, now there's one last thing for you to do, Lincoln.

Lincoln flew deeper and deeper into the planet, and he found it: the massive of Alphaira, the inner and outer twin core of the planet consisted primarily of iron and nickel and are extremely infernally hot with a temperature at more than 1,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the cores of Planet Alphaira, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the cores and the planet itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf

ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura and holy white aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space.

Then, he flew into Alphaira's massive Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the

rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla and he was sweating even more.

Lincoln: Now, that was so incredible! (Flexes his massive arms and his massive biceps bulged even more with veins forming)(GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Lily the Mermaid: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks)(Rubs Lincoln's massive pecs) And you're even more insanely ripped than ever and full of even more infinite energy.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him, but it suddenly became even stronger due to the powers of the Eroticairans of Planet Eroticaira he has and his primal urges went wild.

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Suddenly, Lincoln pounced on his harem and he was on top of them and they were on his bed.

Lily the Mermaid: Whoa...! (Thinking) Now, he's really REALLY AROUSED!

Then, he kissed all of them passionately on the lips as they engaged in an extremely hot make-out session, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: Oh my God, that was so much more passionate and even more hotter than ever.

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: That was the surprise you had planned for us. But, you're gonna have to explain it tomorrow.

Lincoln: I will. (Smirks Seductively) Now, then, where were we?

Lincoln and his harem had another intense and passionate lovemaking session, and they went back to sleep a few hours later. Then, as morning came, Lincoln, his harem, and his kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome!

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome!

J.D. 2: This was no ordinary planet. Lincoln, do you have a book about the world you went to?

Lincoln ran to his room and flew to the top of his massive vast collection of libraries and found the very book and brought it to J.D. 2.

J.D. 2: I knew it.

He opened the book, and we saw it: the planet Lincoln saw in his dream.

Me: Whoa! what is that place?

J.D. 2: This, J.D., is Alphaira, a silver male dominated planet of light and absolute Alpha and Omega Male Godly Superhuman Strength and Godly Power and protected by the powerful male omnipotent angels known as The

Alphairans who'd spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they're not only natural born and powerful fighters and Alpha and Omega Males, but they also had vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of light, absolute Alpha and Omega Male Godly Superhuman Strength and Godly Power, and the immense omnipotent powers of all Alpha and Omega Males times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the Alphairans and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the Googol of Vigintillions of Alphairans into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of light, absolute Alpha and Omega Male Godly Superhuman Strength and Godly Power, and the immense omnipotent powers of all Alpha and Omega Males times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb their planet, and its core into his body and their planet's Sun into his body to preserve their legacy.

He finished and returned the book to Lincoln's room.

Me: Whoa!

Nico: And you went there eight years ago, Lincoln?

Adrian Alphaira: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Yes, that is correct, Nicholas, it was actually thanks to his Guardian Angels, and I personally trained him on how to show his confidence to others and prove his manhood by protecting everyone around him which you did perfectly, and he'd also built up his confidence even more as the years passed, and he'd naturally learned how to show his more manly side to the girls around him, but I also personally helped him in that field as well, which also led to him not only growing his harem, but also, helping him become the man that he is now: a True Alpha Male and a loving, strong, brave, and caring father to many children and he was already a loving, strong, brave, and caring brother, son, and friend to everyone around him.

J.D. 2: That's right, but I think it worked too well.

Adrian Alphaira: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Yes, it had worked way more than I expected, in the short span of eight years, Lincoln had grown that much stronger and smarter in the process and also much taller becoming as tall as me, and even more buffer and muscular than all of us, and it's no wonder the ladies couldn't even keep any of their hands off him as Lincoln grew into the man his Guardian Angels and everyone around him had helped him become.

Me: He grew on his own naturally, but you're right, he had help from his Guardian Angels and all of us as well.

Lincoln then suddenly demonstrated by going into the training room and summoning dummies in the forms of the Power Rangers' enemies. Then, he drove his hands into the ground and...!

Lincoln: (ROARS)

Lincoln let out a mighty roar and he lifted his hands and sent a massive surge of earth right at the dummies and sent them flying, and he brutally pulverized them with his massive godly immense superhuman strength, and he even ripped their arms and legs off along with their heads with his bare hands, and when he was done, the training room was a mess of body parts, and Lincoln let out another roar of victory!

OUR JAWS DROPPED TO THE FLOOR!

CLANG!

Lincoln came and closed our jaws using telekinesis.

Nico: HOLY SHIT! You ripped the training dummies to shreds with your bare hands! Now, I really do need to have a sparring match with you!

Lincoln: (Smirks) Maybe sometime in the future, Nico, and I'll probably even take on J.D. too in a sparring match as well.

Me: It has been a number of years since we had a sparring match, alright, we accept your challenge.

Cyborg was on his rack platform bed sleeping.

Wobuffett pressed a button on Cyborg.

Cyborg woke up to see Wobuffett staring at him

Cyborg: Oh morning Wobuffett.

Cyborg got up.

Wobuffett: Time for breakfast Cyborg!

He went to the table.

We were learning morning about Comet and friends backgrounds.

Comet Stardust: My real name is really Ellia Duncan. I came from Brooklyn, New York on Earth. Not too long ago, my parents were trying to raise me the best they can, until my Uncle Alonzo and Aunt Giovanna made things harder for us since they're affiliated with the Italian Mafia instead of helping my parents. I was being picked on and get into fights by kids my age because of me being related to my uncle and aunt, and I'm being discriminated from my heritage. Dana is the only friend I have, and she accepted of who I am along with her cousin and the gang. After my 6th birthday, it got even worse since Uncle Alonzo made it even harder for them because he wanted me to become a mafia member. But one night, I ran away from home, and I couldn't handle the pressure because of Uncle Alonzo and Aunt Giovanna making our lives harder. And next I knew, I got myself involved in the crossfire because Dana is hiding from the other gang members. So, I helped Antonie and his gang, but the cost was that...I...I was shot

WE GASPED IN HORROR!

Xenia: Oh man!

It made the girls and Spike gasped, Rarity and Fluttershy covered their mouths with their hands. I kept calm, but Lincoln got angry which it confirmed of his suspicions. Twilight tightened her hug and rubbed Comet's back as she began to cry.

Me: That is awful.

Qin: Yep.

Apple Shine: My real name is Emily and I'm from Houston, Texas. Ah was raised by mah family at the ranch and helpin' them do the morning chores by raising farm animals like: cattle, pigs, chickens, and horses. Also, we do everythin' together, rounding up the cattle, tending the pens, fetching the eggs, and grooming the horses mane. Ah was livin' a very good life, Ah was the most outgoing Texan that anyone would meet. But that change so sudden."

Nico: "What happened?"

AppleShine: "The Tropical Storm Imelda happen. After hearin' the weather news and heard the storm is about to hit Houston, we were startin' to work fast to get the farm animals sheltered, so the animals won't get hit by the storm, or gettin' them killed either. And the next thing I knew, I was bit in the leg by that timber rattlesnake."

WE GASPED!

Qin: Oh man! I've heard that the timber rattlesnake are considered the most dangerous snakes, yet deadly."

Me: And their bite is fatal!

Camie: Yeah!

Rose Lotus: My real name is Penelope. I was born in Varanasi, India."

Me: That's in Central Northeastern India.

Rose Lotus: "That's right. But my family and my people don't tend to stay for long because we traveled around with the caravans. My family, my people, and I are gypsies. You see, we have a tendency to travel from place to place and not staying in place. I never went to school Because many of my people were being discriminated for a long time over the centuries, and it's been going on. So, I was home schooled, learning on a daily basis. I've also learned between fortune-telling, dancing, and magic. But I've also learned how to steal."

That got us surprised about it, but we knew that gypsies do steal blindly from the people, but not all of gypsies are bad.

Me: Oh man.

Nico: That's awful.

Rose Lotus: "But what choice do I have? Yes, I know that stealing is wrong, but we were desperate for the money to travel. We sometimes do honest work. Anyway, when I turn 6 during my birthday, my father gave me this dagger when I was 4. My mother gave me the dress, which she made it on her own. And I've got Djali."

Me: Oh man.

Rarity couldn't help but looking at the gypsy attire Penelope is wearing.

Rose Lotus: "Well, your mother made an impressive dress. I really wanted to give compliments to her."

Esmeralda (Disney): Reminds me of my attire.

Penelope is now starting to shed tears in eye, starting to cry.

Rose Lotus: "She...She's no longer with me...or my papa...or my people... The Anti-Romani somehow manage to find us, and they destroyed the caravans, killing my people. My parents got me to safety inside of the caravan, but they pulled out the mirror...a mirror that has magic...They want me to promise them that I can live, and to be safe...I don't want to leave them because they're the only ones I cared...But they want me to go through it...And next thing I knew as me and Djali went through that mirror, I've turned into a pony...Next thing I knew, my parents smashed the mirror and...the Anti-Romani killed them...

WE GASPED!

Me: Those monsters! I knew the Anti-Romani were monsters and they did stuff like this for centuries but that is horrible!

Eli: Thank goodness we killed people like Frollo.

Nico: How many backstories are left.

Me: SHH!

Nico: Oh sorry.

Winter Breeze: (Icelandic Accent) Well like Lilja here, My real name is also Lilja and I was born in Akureyri, Iceland. I used to live with my parents and a loving home. My mother was a nun at the church and my father was a fisherman. They were trying to earn some money while try to keep their home afloat because they were poor. However, they decided to find a new place to live and new jobs. So, they left me behind and have someone to watch over her until they get back to pick me up when they found a place to live and a new job to find. However, my parents were killed when they get swept by a tsunami."

WE GASPED!

Lilja: (Icelandic Accent) We have almost the same backstories and lives too. Except my mother sacrificed herself to save me

Me: Wow! That is coincidental.

Storm Hawk: My real name is Dana. I was part of Comet's gang before. After Comet's parents moved to Virginia and put those fools in death row, the Mafia were on edge and they've been hunting us down. They killed my foster parents, and I was forced to drop out of school because Antione and his gang were on a run. We've been hiding and running for 2 years. I was saved by Princess Luna and brought to Equestria.

WE GASPED!

Me: Those monsters!

Daylight Savings: My real name is Lisa and I'm Comet's sister. I was taken to Equestria after our father died of cancer. I didn't want to be part of the mafia. So I was given a better life in Equestria.

WE GASPED AGAIN!

Me: Oh man! I'm sorry! But it's good you didn't join the mafia.

Golden Charm: (Irish Accent) My real name is Odella. Me and my sister Flora here in my arms were born from Galway, Ireland. Our parents were killed by a group of criminals and the Social Services were trying to split us up. Of course, I didn't let it happen since I took my baby sister away from them and ran away.

We were shocked!

Me: Oh man. You guys went through hell

Nico: That is an understatement.

Qin: Yeah.

Laney: Boy you guys all had it really bad.

Camie: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his large gold halo and smaller halo with intricate designs made of light and The Sun and The Moon in it in the center and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun

Cyborg: What the?! Krall's back?!

Sarasim: Along with his witch. But, this means today's your day, Victor.

Cyborg: And I know just the villain who we're going after.

Me: Brother Blood.

Nico: The headmaster of The H.I.V.E. Academy, I should've known, but he's in for one nasty surprise, but first, we got to deal with Krall. Where's he at, Lincoln?

Lincoln: Oh, you're gonna scream your heads off for this, he's on the planet, Nighttreeiara!

LIGHTNING CRASHES! CAT YOWLS! DEMONIC LAUGHTER! BLOODCURDLING SCREAMS!

Nico: N-Nighttreeiara!?

Brittney: Ooh, I've heard about Nighttreeiara, it's a planet of eternally dark forests trapped in eternal night with menacing storms raging over the eternally dark skies and in the center of the planet, a massive wicked dark tree where no life ever takes root! Any whose hearts full of darkness that dare to set foot on this planet will be confronted by The Nighttreeiarans and captured and taken to the Nightmare Tree of Nighttreeiara whose dark roots will latch onto said wicked individual and suck them dry of the darkness and left as a withered corpse!

WE SCREAMED IN TERROR!

Nicole: (To Lincoln) You always seem pretty chill when it comes to visiting nightmarish planets like that! So much so, it scares me!

Lucy Loud: Lincoln's dealt with scarier stuff in the past, and he became accustomed to the scary planets that many of his Guardian Angels lived on.

Lincoln: That's right.

Nico: Plus, you'd have to be strong of mind and spirit not to freak out at this sort of thing, any regular person would be scared shitless.

Lincoln: When I went to Umbraira, Mortemaira, Lupusaira, Werewolfaira, and Vampiraira, I didn't show any fear at all. Plus, I also drank Alpha Male Werewolfairan blood and Alpha Male Vampirairan blood five years ago, and it tasted really good, but I also felt it: the immense godly power of a True Alpha Male Werewolfairan and True Alpha Male Vampirairan flooding my veins, changing my body, and growing even more immensely stronger than ever, I was so much more stronger and so much more powerful than a regular vampire and werewolf, I felt so much more wilder than ever and I felt like I could take on the most dangerous and powerful vampire and werewolf lords in fantasy and drain them dry of blood and absorb their powers and abilities and make them mine.

Laney: Luckily, you showed control over your primal instincts, especially when a Supermoon and a full moon showed themselves.

Lincoln: Exactly. Now, let's finish breakfast and head to Nighttreeiara, Krall's going to pay for his crimes with his life.

Nico: I also alerted Kellaway, and he's got a surprise for the witch who killed him all those years ago.

We finished breakfast and headed to Nighttreeiara to help Pipp Petals, Hitch Trailblazer, Sprout Cloverleaf, and Misty Brightdawn unlock their Rainbow Power and destroy Krall and send that barbarian to The Black Abyss.

We were off.

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 14268.1: The U.S.S. Valorous Phoenix is en route to the planet Nighttreeiara for an epic battle. It's going to be where we battle Krall and his followers and make them all pay for their crimes. Especially for what they did in 3,000 BC.

Qin: Boy this will be so fun!

Varie: Yeah it will!

Lola: This will be interesting.

Me: Yeah! Last time we faced Krall was back in 2021 and we discovered that our recklessness was caused because of Dark Orb Contamination.

Qin: Yep.

Lola: It sure was.

Varie: And we have Danny Phantom to thank for helping in that.

Carol: Yeah!

Nico: Ultimate Rath, I want to thank you, Marquis de Leon, and your teams for coming

Ultimate Rath: LEMME TELL YA SOMETHIN NICHOLAS SISSYPANTS CHAN! I AM HONORED FOR THIS!

Me: YEAH! And Sissypants!?

Ultimate Rath: There are worse insults!

Me: Oh boy.

Qin: Yeah.

Maya Ikusaba: This is gonna be brutal.

Vierra Voltic: I can name one for Jessie. She is old and ugly.

BURN! BOOM! ROASTED!

Jessie growled!

Jessie: NO ONE CALLS ME OLD AND UGLY!

SMASH!

Eli bashed her on her head with a big mallet.

Nico: Maya, what do you like to do in your free time?

Maya Ikusaba: I like practicing my martial arts moves and more.

Me: Wow! I heard you have a deadly punch that can kill anyone?

Maya Ikusaba: You heard right.

Horsea: That's dangerous.

Me: Yeah.

Maya Ikusaba: I know.

Qin: But it works.

Rainbow Dash: Boy yesterday was so awesome!

Qin: Yeah it was!

Camie: We destroyed Dark Chrysalis and her hive.

Nico: She had it coming for a long time

Me: Yep.

Qin: She sure did.

Camie: Yep.

Laney: And we found out that the Prophecy is coming. We saw the planets aligning right now

Nico: So now, we have a new problem.

Me: Twilight's day is tomorrow.

Twilight Sparkle: But we're ready for this.

Camie: We sure are.

NIco: We still have time to take out another of Anti Monitor's goons

Me: Yep.

Qin: That's for sure.

Me: Also Kellaway is going to get payback on the witch that killed him.

Ymir: Really?

Me: Yep. She splattered his bloody corpse all over his office.

I went over what happened.

It was during the events of chapter 1372 of The Loud House Revamped.

When it was done everyone was shocked!

Nico: It was that brutal!

Hymeno Ren: Oh man!

Lola: That was intense!

Poliwag: It sure was!

Vypra: I'll never forget hearing about that. That was intense!

Nico: Cyborg encountered Krall the first time

Me: This was the second time actually.

Nico: Oh right. I forgot he faced him before.

Cyborg: Yep. And Sarasim was an amazing force too.

Sarasim: That was fun too.

Ymir: And this happened in the year 3,000 BC? Whoa!

Eli: That's the year I was born.

Ymir: Really?

Eli: Yep. I was originally born in the year 3,000 BC. In Egypt and I was sent to the future for protection.

Me: Long story. But it was cool.

Cyborg: I may have to don some personal armor for this

Me: Okay but we have lots of armor. Just in case.

Cyborg: Thanks guys.

Ymir: But we're ready for this.

Varie: We sure are.

Rainbow Dash: My Akuma was shocking!

Me: INTENSELY Electrifying!

Qin: No kidding there!

Lola: YEAH!

Nico: But that was an awesome day for us.

Poromon: And the calm before the storm

Me: Yep.

Lisa Loud: We have arrived at our destination!

Nico: On screen.

We saw that we were at a black and purple planet.

Me: Whoa. So that's Nighttreeiara.

We got to landing.

We arrived on Nighttreeiara, and it was everything Lincoln said and his rainbow energy aura exploded as he grew stronger, same with all of us.

Me: (GULPS) So, this is Nighttreeiara, man this place is absolutely scary!

Nico: And frightening!

Lincoln: This place hasn't changed one bit, it's still as awesome as ever.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) I've heard of the stories of

Nighttreeiara, and like many other planets that hadn't been invaded by The Infernairans, it's a place full of darkness, nightmares, and dark trees.

Qin: Scary!

Me: This place gives me the creeps.

Lucy Loud: I don't mind.

Brittney: Me neither.

THUNDERCLAP!

Horsea shivered in fright!

She hopped into Maria's arms

Horsea: So scary!

?: It's a scary planet though.

We saw a figure and it was a Frilled Shark girl with green pants and boots.

Me: Whoa! Who are you?

Henrietta Wesker: My name is Henrietta Wesker. But I also like going as Gillzon. I'm the stealth operative of the Tidal Fangs.

Me: Whoa you strike from the shadows and unseen. I like that.

Nico: What were you doing before Gene Slamming yourself?

Henrietta Wesker: Well I was getting ready to ambush some of Paradigm's experiments.

She was a blond hair girl and had blue eyes and was armed with lots of weapons.

She injected herself with Frilled Shark DNA that she stole from Paradigm.

She then underwent an excruciatingly painful transformation and turned into Gillzon! She the took the weapons and blasted and bombed Paradigm's lab all over and blasted his men.

FLASHBACK ENDS

Henrietta Wesker: I got his forces reduced big time.

Me: Wow that is impressive ambush tactics there.

Henrietta Wesker: Thanks.

Jillian Scott: Henrietta is known to be really brooding too.

Me: Uh oh. Are you motivated by revenge?

Henrietta: No. I just find brooding fitting for me. And don't compare me to the Evil Sasuke of Team Buktu

Me: Actually we weren't going to do that.

Nico: Yeah.

Henrietta: Good.

Me: As long as it's not that kind of attitude that pisses people off.

Henrietta: I do have an attitude like that

Me: Sorry it makes me think of Sasuke every time someone broods like that.

Henrietta: But I don't call people curs.

Me: That's good.

Nico: Would you like to revert back?

Henrietta: I would like that.

I put on my blind man glasses.

Nicole: EYES TO YOURSELVES PERVERTS!

Lincoln: Now Nicole said it. Not me.

Me: Yep. Okay it's going to hurt.

Henrietta: I'm ready.

I snapped my fingers and she doubled over in pain and reverted back. She was a girl with blond hair and blue eyes and had a Frilled Shark on her forehead and arm.

We wrapped her in a blanket and brought her over. But her clothes were too stretched for her to fit in.

She felt her face.

It was normal.

Me: Look.

I showed her a mirror and she saw herself.

Henrietta: Oh wow! I am normal again.

Me: Yep.

Camie: But your clothes are too big for you.

Rarity: Lets get you some new clothes for you darling.

The fashion brigade gave her black clothes and black camouflage pants and she had a darkness sword.

Henrietta: I look awesome.

Me: You sure do.

Henrietta: Yep. (SCREAMS) WHOA! My back feels so heavy.

Me: Your wings came in!

She saw that she had black angel wings!

Henrietta: I have black angel wings! Wow!

Poromon: Any hobbies?

Henrietta: Just reading books. I like mystery novels.

Qin: Cool!

Laney: Neat.

Poromon: Good to know

Me: Yep.

Lola: Awesome.

?: (Strong Manly Voice) (Divine Heavenly Godly Voice) You have arrived, Lincoln Loud.

Suddenly, Lincoln saw a strong-looking male who was really tall at 950'11" with abnormally massive and powerful upper and lower body muscles and twelve-pack abs, he was shirtless with a purple sun and moon on his chest, he has long black hair going down to his shoulders, purple eyes, massive black angel wings, he has on a purple loincloth, and black sandals, and this was someone Lincoln recognizes all too well.

Lincoln: (GASPS) Nathan Nighttreeiara, King of The Nighttreeiarans of Planet Nighttreeiara.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln, you know him?!

Lincoln: I do, he's the father of my Guardian Angel, Nadara Nighttreeiara, I've been to Nighttreeiara eight years ago as well.

Then, all of the other septillions of male Nighttreeiarans came to Lincoln.

Nathan Nighttreeiara: (Strong Manly Voice) That's correct, you came here eight years ago when my daughter wanted to introduce me to you. (Smiles) You've grown that much stronger and taller, you're just as tall as me, and you're also even more muscular than all of us males, and it's no wonder my daughter couldn't even keep her hands off you as you grew into the man they and the others had helped you become.

Lincoln had an embarrassed blush on his cheeks and muzzle as Nathan Nighttreeiara chuckled.

?: Oh man, Linky, you're here! You got here just in time.

Suddenly, we saw a beautiful girl who was tall at 250'11" in height, she has the body of a goddess and large breasts, tanned skin, long black hair with purple streaks, purple eyes, she was dressed in a purple two-piece bikini, she has massive black angel wings, and she has a darkness greatsword in her right hand.

Lincoln: (GASPS) Nadara Nighttreeiara, Queen of The Nighttreeiarans of Planet Nighttreeiara.

Me: You know her, Lincoln?

Lincoln: Indeed I do, J.D.

Anna Anyanova: And so do we, this is Nadara Nighttreeiara, Queen of The Nighttreeiarans of Planet Nighttreeiara, she's Lincoln's Guardian Angel from Nightreeiara, a planet of eternally dark forests trapped in eternal night with menacing storms raging over the eternally dark skies and in the center of the planet, a massive wicked dark tree where no life ever takes root, and any whose hearts full of darkness dare to set foot on this planet will be confronted by The Nighttreeiarans and captured and taken to The Nightmare Tree of Nighttreeiara whose dark roots will latch onto said wicked individual and suck them dry of the darkness and left as a withered corpse! and protected by powerful omnipotent angels known as the Nighttreeiarans, the males who'd spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters and natural dark hunters, but they also had vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of dark trees, dark spirits, dark vines, darkness, necromancy, illusions, soul-binding and soul-sucking, cursed nature, and the immense omnipotent powers of the Nightmare Tree times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, she's The Queen of The Nighttreeiarans, and she's also far more powerful than her own people: in addition to being a a natural-born dark huntress and having vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of dark trees, dark spirits, dark vines, darkness, necromancy, illusions, soul-binding and soul-sucking, cursed nature, and the immense omnipotent powers of the Nightmare Tree times infinity, and the ability to grow stronger, but she was also born with black angel wings, vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of dark trees, dark spirits, dark vines, darkness, necromancy, illusions, soul-binding and soul-sucking, cursed nature, and the immense omnipotent powers of the Nightmare Tree times infinity, and the ability to grow stronger, and incredible godly powers, and just like Almightairaira, her people also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the

Nighttreeiarans and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the septillions of trillions of male Nighttreeiarans into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of dark trees, dark spirits, dark vines, darkness, necromancy, illusions, soul-binding and soul-sucking, cursed nature, and the immense omnipotent powers of the Nightmare Tree times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb their planet, Nightmare Tree, and its core into his body and their planet's Sun into his body to preserve their legacy. Nadara Nighttreeiara came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the immense powers of immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of dark trees, dark spirits, dark vines, darkness, necromancy, illusions, soul-binding and soul-sucking, cursed nature, and the immense omnipotent powers of the Nightmare Tree times infinity, and all the powers of her people, and over time, Lincoln gained even more immense superhuman strength, immense regeneration, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense omnipotent powers of dark trees, dark spirits, dark vines, darkness, necromancy, illusions, soul-binding and soul-sucking, cursed nature, and the immense omnipotent powers of the Nightmare Tree times infinity, and all the powers of The Nighttreeiarans times infinity, and he was already born with immortality and invincibility and his powers also grew infinite-times stronger, and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him even more forbidden powers passed down from ancient Nightmare Priests throughout the eons, and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility and male fertility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln had undergone the rite of The Reincarnation of Amaterasu absorbing the septillions of trillions of male Nighttreeiarans into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of dark trees, dark spirits, dark vines, darkness, necromancy, illusions, soul-binding and soul-sucking, cursed nature, and the immense omnipotent powers of the Nightmare Tree times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, and finally, Lincoln absorbing Nighttreeiara and its Nightmare Tree and its core and Nighttreeiara's Sun into his body to preserve their legacy. Lincoln made her a powerful dark greatsword forged in ghostflame and has the power to steal the souls of the guilty and drain them of energy and turn that energy into power for its wielder, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a blazing passion, and she swore to drag them to The Nightmare Tree of Nighttreeiara where its dark roots will latch unto them and suck them dry of all the darkness and energy inside them and leave them as withered corpses.

Lincoln: And there's something I need to tell you.

Nathan Nighttreeiara: I know. You had the vision, it's time.

Lincoln: Yes, it is.

Suddenly, Nathan Nighttreeiara chanted an ancient incantation and a magic circle appeared below Lincoln's feet and it glowed with incredible power.

Nathan Nighttreeiara: Do not worry, we will always be with you, Lincoln, now and forever. Our legacy will be preserved within you.

Suddenly, Nathan Nighttreeiara and the other septillions of male Nighttreeiarans embraced Lincoln, and one by one, they began entering his body and they merged with him as he absorbed them: mind, body, and soul, and that led to Lincoln suddenly gaining an infinitely astronomical massive power boost and he gained their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of dark trees, dark spirits, dark vines, darkness, necromancy, illusions, soul-binding and soul-sucking, cursed nature, and the immense omnipotent powers of the Nightmare Tree times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! This feels incredible. RRGH!

When it was all done, Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces, animals, and mythological beasts and rainbow protective aura and holy white aura was raging like a really massive wildfire and he has a black and purple aura with shadow wisps surrounding him as he pounded his chest like a gorilla.

Lincoln: Whoa...! This feels so incredible!

Suddenly, Lincoln flexes his massive muscles as his massive biceps bulged even more with veins forming and the image of tank turrets firing formed and volcanoes erupting on his massive biceps and the image of cannons firing and volcanoes erupting formed on his massive pecs.

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln: (GROWLS) RRGH! Ooh yeah, this is so awesome! (WOLF ROAR)

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Nathan Nighttreeiara: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Letting the beast out, all the males of the Forbidden Zone planets including us do tend to do that on many occasions to show our virile dominance which made the many females swoon over us.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln's grown that much bolder and confident thanks to his Guardian Angels.

Nico: That's for certain, and the girls in his harem wind up getting driven wild and wind up getting aroused even more from every single act of manliness Lincoln displays.

Me: And all that's left is for him to absorb your planet and its core along with its Sun into his body, and wait, you also included immense virility and fertility as well? That means...!

Nadara Nighttreeiara: We knew Lincoln's the infinite-times virile stud since he was born with hyperpuberty, and the genes of his parents and his own extremely high virility, fertility, testosterone, extreme levels of libido, and excessive sex drive, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes and constant years of training, he gained the powerful and massive body that all bodybuilders could only dream of: the body of all the male Gods and the ancient male warriors of ancient times and bodybuilders of history combined, and that along with his personality, gentleman nature, and noble heart, he'd attracted tons of girls, and every lovemaking session he has with his harem, his future wives winds up getting impregnated by him in less than a second, and it doesn't take long for the effects of pregnancy to kick in, which are much faster than ever.

Rita: We had no idea about it before. But, during Lincoln's check-ups with Dr. Feinstein, he did show us all of what you just told us.

Nico: Wow...!

Nadara Nighttreeiara: I know that shocked you all especially Regina's journal about Lincoln's health reports, but everything I told you is all true, and it's good to see you again, Lincoln, but wow, you've really grown a lot in height and muscle mass since last I saw you.

Suddenly, Lincoln pinned Nadara Nighttreeiara to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with

gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Nadara Nighttreeiara with purple gems on the gold lightning bolts and purple crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

He then helped her up and he kept her close to his body as she took the time to rub his massive muscles and massive hairy pecs.

But, then, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged

even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle and beside his left and right thighs and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Eli: What's this?! Lincoln's power is rising even more.

Nadara Nighttreeiara: That's my special gift to him: Nighttreeiara's Blessing of Divine Darkness Night Tree Power Justice, and each of the Forbidden Zone Planet Queens have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 950'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolfman with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Nadara Nighttreeiara: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Nighttreeiarans both males and females were extremely passionate when it came to sex and lovemaking.

Lily the Mermaid: Ooh boy.

Lincoln: That'll be for much later. Okay, guys, we're in for one intense battle, we're here on the planet of Nighttreeiara to help Pipp Petals, Hitch Trailblazer, Sprout Cloverleaf, and Misty Brightdawn unlock their Rainbow Power and destroy Krall and send that barbarian to The Black Abyss.

Nico: This had been a long time coming for him.

Me: This time, Krall dies here and now!

She was dancing.

Lionheart Starburst Katou: She's quite the dancer.

She danced to Lionheart.

Lionheart Starburst Katou: You sure are graceful.

Gardevoir: I sure am.

Lionheart gave her apples and Gardevoir ate them.

Lionheart Starburst Katou: You like that?

Gardevoir: I do. Thank you.

Lionheart Starburst Katou: You're welcome. Want to come with me?

Gardevoir: I Would be honored

Lionheart gave her a Mega Evolution necklace with Gardevoir's Mega Evolution Gem and Lionheart wore a Mega Evolution Necklace too.

Nico: We're gonna need that.

Me: Cool.

Ash: You guys would love meeting our friend Diantha. She has a Gardevoir and she can Mega Evolve too.

Serena: She's also a Champion

Me: Cool! She must be awesome and beautiful.

Serena: She is.

Lola: Wow!

But then...

SPLAT!

INK SQUIRTED INTO NICO'S FACE!

Nico: HEY! HORSEA!

Horsea: It wasn't me!

Nico: Then who was it?

Me: (Sniffs) And hey I smell Takoyaki. Yummy!

Qin: I think that is responsible for it.

We saw an Octillery!

Me: Cool an Octillery!

Nico: Where did it come from?

Me: Must be one of Dark Gale's work.

Sheena: It is. Her name is Taryn Takoyaki.

Me: (GASP) The awesome Queen of Nuclear Spicy Takoyaki?! Yummy!

Xenia: Cool!

Lola: Wow!

Me: Lets go help her.

Me and Sheena went over to her.

Me: Easy there kid.

She squirted ink and it hit Nico and drenched him.

SPLAT!

Me: Nasty.

I snapped my fingers and she reverted back. She was a girl with neon red hair, orange eyes and had fire angel wings and Octillery on her forehead and she had Takoyaki in front of a volcano with a flaming chili pepper and had Takoyaki Dimension on it on her arm as a cutie mark.

We wrapped her in a blanket And brought her over.

She woke up.

Taryn Takoyaki: (Groans) What hit me?

Me: You were turned into an Octillery by Dark Gale.

Taryn Takoyaki: Oh man! I was battling a bunch of mobsters. I used my fire powers and my super deadly Takoyaki on them.

She then used her powers and made her Takoyaki

Taryn Takoyaki: Want to try some J.D.?

Me: Sure.

I took some and ate it.

Me: Mmm!

But then...

VOLCANO ERUPTION!

SUN FIRE!

NUCLEAR EXPLOSION!

FLAMES BURN!

HELLFIRE!

And then...

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMM!

MY FIRE AURA BLASTED OUT WITH INTENSE FORCE! Then...

WHOOSH!

A MASSIVE BLAST OF FIRE EXPLODED OUT OF MY MOUTH AND IT HIT NICO AND BLASTED HIM ALL OVER! HE WAS BURNED ALL OVER AND THEN HE FAINTED!

FWOMP!

Nico:...ow.

Me: WOW! That was intensely spicy!

Taryn Takoyaki: Those were my Super Volcanically spicy Takoyaki.

Me: It's awesome!

Rarity: Lets get you some new clothes darling.

The fashion brigade gave her new orange and red clothes and a nature sword.

Taryn Takoyaki: I look great.

Me: You sure do.

We revived Nico.

Me: We got a job to do.

Qin: Yep.

Me: Those were awesome though.

Nico: Now for Krall.

Lincoln: (Sensed for Krall) AHA! Gotcha, you bastard! I just sensed Krall, he's 20 yards away, and he and his witch are coming after us!

Tyler Maxwell, Allie Maxwell, and Alexander Maxwell: TIME TO DIE, ASSHOLE!

Lincoln: Calm down, Ataru. That'll be left to Setsuna, Shiki, and Tamaki to restrain Caleb, Tyler, Alexander, and Allie, and we know this always happens when those four get violent. In any case, let's get going to kill Krall.

Suddenly, Lincoln was surrounded by an immense orange and yellow aura with flames surrounding her and with wolves surrounding him as The Sun shined even brighter and heavenly lights shined down from Heaven.

Eli: He's about to use the fire elemental variant of The Atavism of The White Wolf of Amaterasu!

Lincoln: (Speaking in Japanese) 夏の炎と天空の炎に呼びかけ、この忌まわしき悪を討ち滅ぼし、永遠の破滅の地へと送り届けよ！祝福された者たちの魂よ、蘇り、強大な狼の姿を取り、罪人たちに永遠の罰を与え、冥界の闇へと永遠に堕ちさせよ！　我が歌に天の審判を授け、この忌まわしき悪を永遠の安息の地へと送り届けよ！ (Translation: I call upon the flames of Summer and The Heavens to bring down this terrible abomination of evil and send him to his place of eternal damnation! Let the souls of the blessed rise and take the forms of mighty wolves that bring the damned their eternal punishment and send him to the darkness of the Underworld forever! Let my song bring forth the judgement of The Heavens and send this abomination to his eternal resting place!)

Lincoln sang a heavenly song and let out a howl as immense light shined down from the sky, The Sun, and from the Heavens and flames formed behind Lincoln and formed into red wolves with glowing yellow and orange markings on their paws that look like flames and they ran at Krall and attacked him with fierce fury.

Then, I held out my left hand and fired 999 massive balls of fire at Krall, and they collided and exploded as they hit him, and I also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more along with the immense divine powers of The Gods and Goddesses of The Ancient World.

Then, Lincoln fired 999 massive balls of fire from his left hand and they orbited around Krall and they collided and exploded as they hit him, and he also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more and the immense divine powers of the Ancient Gods and Goddesses.

When we are all different
But one and the same
Like starlight and moonshine
We all have our place
We can't make a rainbow without all the colors
And we can't make a friendship without one another
'Cause there is nopony quite like you
So let your magic run wild
Let your magic run wild
If you could only see everything you could be
You would spend your whole life shinin'
Let your magic run wild
Let your magic run wild
(Now it's the time to light up the sky)
Let your magic run wild
(Now it's the time)
Look at the night sky, filled up with stars
Each one is perfect, just as they are
But they're brighter together, each leaving their mark
So beautifully different, all lighting the dark

'Cause nopony sparkles quite like you, ooh

So let your magic run wild (now it's the time to light up the sky)

Let your magic run wild (now it's the time)

If you could only see everything you could be

Lincoln, Nico, and I attacked him with two powerful energy slashes, and then...!

Lincoln, Nico, and I: NOW, DIE AND ROT IN HELL FOREVER, YOU ASSHOLE!

Lincoln, Nico, and I did one final powerful energy slash that hit Krall hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Krall was on his last legs and he was really really mangled.

Lincoln then fired the dark roots of Nighttreeiara from his left hand which latched onto Krall, and Lincoln began sucking Krall dry of his muscle mass, upper and lower body strength, powers, abilities, and life energy, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his

RRGH! (WOLF ROAR)

Then, when Lincoln was done, the roots unlatched themselves from Krall who was now a dried-up mummified husk and his spirit was finally banished to The Black Abyss. We cheered as we holstered our weapons and powered down.

Nico: And that's that, and we also met your Guardian Angel, Lincoln.

Lincoln: That we did. Now, there's one last thing to do.

Then, Lincoln flew into the core of Nighttreeiara, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core and the planet itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting Amaterasu's Heavenly Mirrors of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips of his large brown wolf ears, and the rainbow tips and rainbow flame patterns and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura and holy white aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space.

Then, he flew into Nighttreeiara's massive Sun and Full Moon and he sucked them in and absorbed them into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, second smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips of his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla and he was sweating even more.

Then, we were back on Earth Omega and in the gym at Lynn's Table.

Lincoln: Now, that was so incredible! (Flexes his massive arms and his massive biceps bulged even more with veins forming)(GROWLS) RRGH!

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Suddenly, Lincoln pounced on his harem and he was on top of them.

Lily the Mermaid: Whoa...! (Thinking) Now, he's really REALLY AROUSED!

Then, he kissed all of them passionately on the lips as they engaged in a hot make-out session, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate and even more hotter than ever.

We laughed!

Luna: I can't even keep count of the many times that's happened to Lincoln! He also came home with his nose gushing out blood like a fountain along with getting covered in kisses and his tails wagging.

Nico: That's happened before? That must've been some intense make-out sessions Lincoln's had.

May: Just like ours, and it always ends with him engaging in one intense session of lovemaking and sex!

WHOOSH! CLANG!

Lynn almost whacked her in the head with a baseball bat.

Lynn: I thought I warned you not to say that!

May: YIPE!

Nico: Maybe you shouldn't say that out loud especially in front of Lynn who's the most physically aggressive of Lincoln's sisters.

Lincoln: Lynn, put the bat down, otherwise, you're gonna have problems with Caleb again.

Lynn did so.

Cyborg: Now Krall can truly stay in the past

Me: Booyah!

We high five!

Cyborg: Well said!

Me: Yep. Wow! That's another remnant over our Dark Orb history erased.

Nico: Yep.

Taryn gave Qin some Takoyaki.

Qin: Thanks Taryn.

Taryn Takoyaki: You're welcome.

She ate them and they were good but then... VOLCANIC ERUPTION, SUN FIRE, NUCLEAR EXPLOSION, PLANET

EXPLOSION, FIRE BURNS AND HELLFIRE!

MASSIVE BLASTS OF FIRE EXPLODED OUT OF HER MOUTH AND THEY HIT NICO AND HE SCREAMED IN AGONY!

Me: WHOA!

Qin calmed down and kept eating.

NICO WAS BURNED TO A CRISP!

Me: Holy fireballs!

Nico: (Coughs) Ow.

FWOMP!

He fainted.

Qin: Boy that is delicious and spicy.

Taryn Takoyaki: Thanks. Glad you like it.

Nico woke up.

Me: Boy Nico that's twice you got blasted!

Nico: No kidding there.

Gardevoir: That was intense.

Nico: Nice job, Gardevoir.

Gardevoir: Thanks. That was fun and cool.

Me: It sure was.

Lionheart Starburst Katou: I agree there.

Poromon: Want some beer?

Gardevoir: Oh no thank you. I drink red wine.

Me: Ooh you like it sophisticated and awesome.

I pulled out a wine glass and gave her some Cabernet Sauvignon wine.

Gardevoir: Oh thank you.

Lionheart Starburst Katou: She likes the really good stuff.

Gardevoir: I do.

She drank it.

Poliwag did puppy eyes.

Poliwag: Pwetty pwease?

Nico: Poliwag that's enough. And besides, wine is just as good as beer.

Poliwag: Oh right. I forgot about that.

Gardevoir: Yeah it sure is.

Poromon: Yeah Poliwag remember we sell it in our store?

Poliwag: Oh right.

Gardevoir: Nice try though pipsqueak.

Poliwag: HEY!

WE LAUGHED!

Poromon: Want some pistachios J.D.?

He held up a bag of them.

Me: Oh sure. Thank you.

I ate some.

Me: (Eating) Hmm! Thanks.

Poromon: You're welcome. We're going to have some later today.

Me: Okay.

Nico: Nothing wrong with that.

Me: Yeah.

Qin: This will be good.

Nico: Oh Ultimate Rath, what do you like to do in your free time?

Ultimate Rath: I teach at the gym about fighting. YOU GOT A PROBLEM WITH THAT!?

Me: Calm down dude. Nico was asking.

Ultimate Rath: Sorry. Force of habit.

Lisa Simpson: Reminds me of Lugash. He had anger problems like that.

Me: I see.

Nico: Now for the Anothers.

Lincoln: (Sensed The Anothers) Ah, and the Anothers are coming.

Eli: (Sensed them) Lincoln's right, the Anothers are coming, and one of them is Another Cyborg.

Cyborg: Another Me? Oh, this should be good.

Eli: Whoa, and two of The Anothers are The Keyblade Knights of K-2L and Pridain.

Lincoln: Whoa! If it's who I think it is, you guys are gonna be in for a real surprise.

Me: Whoa! So Ultimate Rath, Maya Ikusaba, Melanie Ali, Dhalsim, Rath and Vexra Snakeyashi are up and we got Another Marquis de Leon (Dragon Quest IV), Dragon Phantom Dragon Rondo, Deirdre Jackson, Great Tiger, Tiny Tiger (Crash Bandicoot) and The Mountain (Looney Tunes).

Nico: Yep.

But then I smelled something good.

I saw a huge bowl of really good pasta in front of me and it was glowing NEON RED!

Me: Oh boy!

Nico: Where did that come from?

Me: Who cares? I'm hungry.

I got to eating.

Me: (SLURPS) MMM!

But then... VOLCANO ERUPTION! SUN FIRE! NUCLEAR EXPLOSION! FLAMES BURN! HELLFIRE! And then...

A MASSIVE BLAST OF FIRE EXPLODED OUT OF MY MOUTH AND IT HIT NICO AND BLASTED HIM ALL OVER! HE WAS BURNED ALL OVER AND THEN HE FAINTED!

FWOMP!

Nico:...ow.

Me: HOLY CRAP! That is spicy! But it's good!

I got to eating!

Nico: If this is punishment for what happened during Erika's Akuma, then mission accomplished!

Me: No this is unintentional. It's that spicy but it's good. (SLURPS) MMM!

?: Sorry about the spicy goodness.

We saw Another Dragon Phantom Dragon Rondo, Deirdre Jackson, Great Tiger, Tiny Tiger (Crash Bandicoot) and The Mountain (Looney Tunes).

Me: WHOA! There they are.

Qin: Yep.

They reverted back and was the gene-slammer of Royal Cookpal Knight Pasta!

Nico: WHOA! Isolda Pastaflame! No wonder!

Isolda Pastaflame: Good to see you Nico! And J.D. glad you like my pasta!

Me: Boy it's so good and spicy!

Samsara Curry: And you know what this means!

Jackie Burgerflame: The Doomsday Spicechef Trifecta are back together!

Me: WHOA!

Isolda Pastaflame: Yep. We are the 3 most spiciest chefs that Nico knows and we pack a wallop.

Me: HOLY COW! I can see why!

Isolda Pastaflame: Yep. That is my Armageddon Doomsday Spaghetti. The hottest ever spaghetti in the world!

WE GASPED IN HORROR!

Me: HOLY FUCKING SHIT! That is intensely spicy!

Nico: Girls, you know I've been getting hit by fire, right?

Qin: Yeah!

Isolda Pastaflame: I can see that. Sorry about that.

Me: It's good stuff but Nico has been getting blasted with intense flames from me.

Taryn Takoyaki: Guess I'm part of that too because my super spicy Takoyaki is part of it.

Qin: It's true.

Vierra Voltic: Also you know what this reminds me of? When Jessie, James and Meowth made the food at Ash's party super intensely spicy. Jessie put Scorching Ghost Pepper Sauce on the noodles, James put Nuclear Hot Mustard on the Takoyaki and Meowth put Wasabi Sauce that blew their noses off on!

THEY GASPED!

Ash, Brock and Delia: (ENRAGED) THAT WAS YOU!? OUR MOUTHS WERE ON FIRE!

Meowth: You'll never take me alive!

Vierra fired waves of lightning and electrocuted them and when she stopped...

Ash: GET THEM!

They jumped the three of them and viciously pulverized them in a ferocious fight cloud!

Eli: Gladly.

Eli then used the force and held them.

Eli: Pardon me guys but I must discipline the nannygoats!

KRABLAM!

He bashed their heads all together!

All of them: OW!

Nico: Believe me, I don't like asking for that anymore then you do

Lola: I don't blame you guys. If my mouth was set on fire like that I would feel the same way.

Nico: Yep.

Isolda Pastaflame: Yeah no kidding.

Me: Good food though girls. And sorry Nico the blasts of fire were just that explosively powerful.

Nico: It's fine. I think we're even.

Me: I think we are. By the way Isolda are the rest of the Anothers friendly or hostile?

Isolda Pastaflame: Friendly and they are awesome.

Me: Cool!

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

She glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books and purified them.

Me: YEAH!

Nico: And now, we wait

Me: Yep. Boy I've had 4 the spiciest foods in the entire world made by you girls and they were so awesome.

Samsara Curry: It sure is.

Jackie Burgerflame: No kidding there.

Isolda Pastafame: We make our foods with love combined with the spirit of fire.

Me: Awesome!

Taryn Takoyaki: I do the same too.

Me: So I guess that makes you girls the Doomsday Spicechef Quartet.

WE LAUGHED!

Nico: That fits perfectly.

Jackie Burgerflame: It sure does.

Me: Oh there they are!

We saw Another Marquis de Leon (Dragon Quest IV) and Cyborg!

Me: WHOA! This will be good!

Another Marquis de Leon split into 3 and we saw that it was the gene-slammer of Evil HERO Infernal Prodigy and the Twin Keyblade Knights of K-2L and the Keyblade Knight of Prydian!

WE GASPED!

Nico: Hellena Infernus!

Lincoln: And Ellia Prydain and Kerry Aran!

Samus: KERRY! SASHA!

She hugged Kerry and Sasha!

Kerry Aran: Hey sis! Wow you got so big.

Samus Aran: I know.

Sasha Aran: Looking great.

Me: Care to introduce us?

Anna Anyanova: Sure. This is Eillia Prydain, Keyblade Knight of Prydain, she's Lincoln's Guardian Angel from Prydain from the world of the 1985 Disney movie The Black Cauldron, and she's the daughter of Taran and Eilonwy and a member of a group of Keyblade Knights called The Daughters of The Disney Princesses, they are the daughters of the famous Disney Princesses and she and her friends are all immensely powerful Guardian Angels for Lincoln, and they are also friends with Eli Winston-Bullock, the protector of The Disney Princesses. Eillia Prydian is the Keyblade Knight of Prydain and she's an immensely powerful Angel of Light who was born with angel wings, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of light, purity, Holy Light, Holy Arts, Light Magic, and the ability to grow even stronger, and she's also a powerful swordswoman who knows how to use swords and the Keyblade, and she despises The Horned King for everything he's ever done, and what he doesn't know is that Eillia Prydain is the chosen warrior who'll bring an end to his reign of terror by using a powerful holy magic incantation that'll destroy The Black Cauldron permanently thus ending The Horned King's reign of unholy evil, and this time, forever. Eillia Prydain moved to Royal Woods where she met Lincoln and she swore to protect him from his enemies, and she also trained him well in mastering the immense powers of immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of light, purity, Holy Light, Holy Arts, Light Magic, and the ability to grow even stronger, and over time, Lincoln gained even more incredibly immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of light, purity, Holy Light, Holy Arts, Light Magic, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, and the ability to grow even stronger, and Lincoln was already born with immortality and invincibility, and she also helped him grow and seriously bulk up in muscle mass and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Plus, she taught him everything she knows about holy magic and light magic, and how to combat the dark magic of the most dangerous dark wizards, witches, and warlocks. Lincoln made her an awesome Keyblade, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she despises The Horned King with a blazing passion, and she swore to make him pay for everything he'd tried to do to Taran and Eilonwy.

Me: WHOA! That is intense!

Taran: It sure is!

Eillia Prydain: I know. It sure is father.

Me: We found out that Prydain takes place in the year 717 A.D. Over 1,300 years ago.

Anna Anyanova: Yep, and the first girl is Kerry Aran, Keyblade Knight of K-2L, she's Lincoln's Guardian Angel from the planet K-2L and the elder sister of Samus and Sasha Aran, she's the Keyblade Knight of K-2L and she was born with angel wings, vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, immense regeneration, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, and all the powers of her sisters and all the powers and abilities of all the aliens Samus has encountered, and she like Sasha Aran also was also infused with Chozo DNA, but not from Raven Beak, but from the Chozo that trained her sister, Samus, and like what happened to Sasha, as a result of the DNA infusion, her bust increased to 360 cm thus she hates perverts and will castrate them in an instant, but thankfully she knows Lincoln is a true gentleman, and she even made upgrades to Lincoln's Power Suit and she also infused Lincoln with the DNA of all the aliens, monsters, and creatures she, Samus, and Sasha have encountered, giving him all of the powers and abilities of all the aliens, monsters, and creatures from the Metroid series, and he also became even more buffer and even more muscular as a result, and when Lincoln demonstrated by lifting up the house and doing 100,000,000,000,000 reps of house lifts, that alone scared the gym shorts off of Lynn and she ran back into the house and didn't come out for two months. Plus, Kerry, Lincoln, Samus, and Sasha also stopped another Space Pirate organization from dealing in biochemical weapons, and you're not gonna like this: they were selling those said biochemical weapons to Denzel Crocker, Mr. Burns, Dark Chase Young, Lex Luthor, and The Joker. They destroyed the Space Pirate organization and marked those bastards from Hell with the Star of Satan meaning that their eternal damnation awaits them, and it would come true for Dark Chase Young, Lex Luthor, and The Joker when Anti-Monitor showed up to take Xehanort's place, and that means only Denzel Crocker and Mr. Burns are left, and it will not be long before we come for them too. Lincoln made Kerry Aran a blue bikini, and to show her thanks, she kissed Lincoln on the lips, and as as a result, Lincoln promised that when he comes of age, he will marry her along with the rest of his harem, and she hates perverts with a blazing passion and she despises with a blazing passion the very monster responsible for the murder of her parents and for making Samus go through Hell because of it: Ridley, and she swore that if she ever saw Ridley again, she would make sure that he would pay dearly for every last one of his crimes against the galaxy and against her family.

Me: WHOA! Wait wasn't K-2L the home planet colony Samus was born in before she was adopted by the Chozo?

Nicole: That's right dad.

Me: I thought so.

Anna Anyanova: And the second girl is Sasha Aran, Gene-Slammer of Number F0: Utopic Future Zexal, Keeper of Chozo Knowledge, and Keyblade Knight of K-2L, she's Lincoln's Guardian Angel from New York and Luna Loud's classmate in Math and Leni Loud's classmate in English, and she's the twin sister of Samus Aran, she was sent to Earth after being infused with Chozo DNA from Raven Beak herself to destroy every last Earthling and the planet itself and that also included Lincoln, but Sasha's love for Lincoln was so strong, she stayed pure of heart and forever good and she even has a pink version of Samus' Zero Suit, and as a result of the DNA infusion, her bust increased to 360 cm thus she hates perverts and will castrate them in an instant, but thankfully she knows that Lincoln is a true gentleman. She even infused Lincoln with Chozo DNA which made him stronger and even more muscular than ever, and she even made Lincoln his own Power Suit equipped with all weapons, blasters, missiles, and elemental variant missiles and blasters. She and Lincoln learned the power of Zexal which helped greatly in battling Don Thousand's remaining followers after Yuma destroyed Don Thousand years ago before he came back from the dead. She, Lincoln, and Luna even stopped Cerise Bianca from stealing the world's most valuable guitars and selling them on The Black Market. Plus, Leni also has her own Power Suit, and after helping Sasha reunite with Samus, Leni, Lincoln, Sasha, and Samus went after and destroyed a Space Pirate organization that was trafficking dangerous weapons to the most dangerous criminals in the galaxy and on Earth, which included Lex Luthor, Metropolis' Devil Incarnate, The Joker, Gotham City's Deranged Homicidal Clown Prince of Crime, and the hated enemy of The Xiaolin Dragons and Lincoln's hated archenemy from 1621 and 1692 and the very bastard responsible for the deaths of his Scottish Ancestors and Lorraine Newton-Loud during those years: Dark Chase Young. Lincoln made Sasha Aran a pink bikini, and to show her thanks, she kissed Lincoln on the lips, and as as a result, Lincoln promised that when he comes of age, he will marry Sasha Aran along with the rest of his harem, and she hates perverts with a blazing passion and she despises Cerise Bianca with a blazing passion, and she swore to make that bitch suffer for everything she has ever done!

Nico: No way, so you guys took down two Space Pirate Organizations and left a mark on our most despised asshole villains, that's really awesome! And that part of Kerry infusing you with the DNA of all the aliens, monsters, and creatures she, Samus, and Sasha have encountered, giving you all of the powers and abilities of all the aliens, monsters, and creatures from the Metroid series, is that true?

Lincoln: Yep, and as a result, I also became even more buffer and even more muscular as a result.

Eman Reynolds: And when Lincoln demonstrated by lifting up the house and doing 100,000,000,000,000 reps of house lifts, that alone scared the gym shorts off of Lynn and she ran back into the house and didn't come out for two months.

Me: I remembered seeing it, but still, that was really incredible.

Me: WHOA! 2 from K-2L Wait wasn't K-2L the home planet colony Samus was born in before she was adopted by the Chozo?

Nicole: That's right dad.

Me: I thought so. That planet was ravaged by the Space Pirates and Ridley killed her parents.

Kerry Aran: That's right. You know your stuff.

Me: I sure do.

Kaito (gets out Zi O gear): Did Swartz promise you anything?

Zocks (gets out Zero One gear): Because we can grant it instead.

Hellena Infernus: No he didn't because I used my powers and sent him to hell for 10 days. 10 days there is like 100,000,000 years.

WE GASPED!

Sakura Knudson: That explains why he came back all burned and charred and like a feral demon! HOLY CRAP!

Hellena Infernus: Yep. We ran from there while that happened.

Me: Genius!

Sougo (gets out Zi O II Ridewatch): Hey Wendy

Rider Time! (Synthesizer tone) Kamen Rider~! (Rider~!) Zi-O! (Zi-O!) Zi-O~! II!

Geiz (Gets out Vulcan Ridewatch): Can we get a Booyah?!

Me: YEAH!

Nico: Man that line is iconic!

Me: Yeah!

Qin: BOOYAH!

Then Yellow Jacket, Old Man Hunger, Bart the Flame of Mischief, Sir AuBerglot of the Golden Kingdom of El Dorado, Ganondorf (Tears of The Kingdom), Draconis and Fire Vellumental came!

Me: WHOA!

Wasp: Yellow Jacket!?

Me: Hank Pym A.K.A. Yellow Jacket!

Yellow Jacket: Good to see you Janet and an honor J.D.

Me: Same here. (GASP) Ganondorf!

Nicole: The one from Tears of The Kingdom! That's the newest version of you.

Ganondorf: Just joined the roster.

Me: I see.

Horsea: Nice to meet you!

Ganondorf: Indeed.

Me: Yeah!

?: That is awesome!

Elemental HERO Tempest appeared!

Me: WHOA! Elemental HERO Tempest!

Nico: Storm Power!

Elemental HERO Tempest: (In a girls voice) This will be one for the storm!

Nico: Sirocco Tempest!? Whoa!

She reverted back.

Sirocco Tempest: Good to see you Nico. I got this. GLIDER STORM BLAST!

She fired a massive blast of wind and blasted the Anothers and I caught the ridewatches and purified them.

Me: YEAH!

Nico: Nice job!

Sirocco Tempest: Thanks Nico. That was as awesome as when we were in flight school.

Nico: It sure was.

Maya: Do you have a good memory of Nico?

Sirocco Tempest: I sure do. When me and Nico were in Summer Flight School and we got to pilot awesome World War II Fighter Planes. They were fun.

Natalie Frizzle: Just like when Wanda called herself Wildcat Wanda. That is amazing!

Sirocco Tempest: Yep. I was known as Tempest Sirocco. I was the Storm of the Mediterranean and the Sky.

Nico: Yep.

Me: Wow! What a cool Pilot name.

Qin: It's fun.

Nico and Sirocco hugged.

Nico: I've missed you.

Sirocco: Me too.

Me: Oh I forgot to mention. While the mascots are having Pistachios, there's also a Pokemon Exhibition in the park too. You guys can come to watch there?

Nico: We would be honored.

Me: Awesome. And Ash, Misty, Brock, I believe one of the performers there is someone you know. Bailie and her two Bellossom?

Ash: Cool! Bailie and her Bellossom are going to be there too!?

Misty: It'll be great to see them again.

Me: Yep.

We went back home.

We had all of TLPS and The M.O.E. with us, but there were massive fires and infernos already raging in London in the world of Reign of Fire.

Lincoln: Whoa, we're here in the world of High School DxD, and I know what we're going to do here, not only am I going to rescue the nine girls here, but we're going after J.D.'s old enemy, Riser Phenex, and when he sees and discover that Rias and her friends and Sona and her friends are in my harem, this is gonna set him off and he wants to kill me.

Me: But, he also still wants to kill me for killing him and sending him to The Black Gates, but we're not going to stand by and let that bastard get away with that, we're gonna end him once and for all and send that piece of shit to The Black Abyss once and for all.

Lincoln: Yep. But, first things first, Nicole, we got a pervert emergency.

Nicole: Oh crap, you mean Issei Hyoudou and his friends, Matsuda and Motohama, who are known as the "Perverted Trio".

?: That's right.

Just then, we saw Kiba Yuuto, Saji Genshirou, and Gasper Vladi.

Rias Gremory: Yuuto, Genshirou, and Gasper.

Yuuto Kiba: Rias, Sona, all of you are okay.

Me: They are, after they came to our world years ago, I also killed Riser Phoenix and banished him to The Black Gates.

Saiji Genshirou: I remembered hearing about that.

Me: Rias and her friends and Sona and her friends are now part of Lincoln's harem of future wives,

Saiji Genshirou: Wait, what?!

When he saw the Elemental Thunderbird Necklaces of Eternal Love and Elemental Thunderbird Chokers of Eternal Love on their necks, Saiji Genshirou fell to the floor in shock! Then, he got back up.

Me: And you know my daughter, Nicole, and Lincoln hate perverts.

Nicole: That's right. Issei Hyoudou's known as The Red Dragon Emperor because he has Ddraig, one of the Heavenly Dragons who has immense power, surpassing the

Dragon Kings, the Four Great Satans and God himself, and is surpassed only by the Dragon Gods. But, as we know, he's also a real pervert along with his friends, Matsuda and Motohama.

Caleb Maxwell: Filthy pigs...!

Nicole: Now, Caleb, don't get any murderous ideas. Even if Issei's a pervert, he's still a hero.

Lincoln: Besides, I have a plan or two to give Issei another chance to beat up Riser Phoenix, but first, we got to find him and those two other perverts.

But, then, we saw Issei Hyoudou along with Matsuda and Motohama, but bad news: they're fighting some gang members from Chinatown in New York, and they're also from Caleb's past.

Caleb Maxwell: I thought I warned those filthy animals not to crawl out of the alleys of Chinatown! That's it, they're done! I'll reduce their gangs and the Triads to a bloody mess for this! (FLEW RIGHT IN) TIME TO DIE, ASSHOLES!

Lincoln: Crap...! Time to implement my plan early! I didn't want to do it early, but the emergence of those gang members from New York's Chinatown who were from Caleb's past caused his bloodlust to rise again!

Then, a magic circle appeared underneath Issei Hyoudou's feet.

Lincoln: Great Red, Apocalypse Dragon, True Red Dragon God Emperor, True Dragon, and Dragon of Dragons, descend unto the world once more and breathe life anew!

Suddenly, we saw the spirit of a massive 100-meter in length Red Western Dragon with a horn on his snout and two sets of wings appear: it was Great Red, and then, it flew right into Issei Hyoudou's body.

Issei Hyoudou: What the?! Was that Great Red, but...!

Suddenly, Issei Hyoudou started sweating profusely, and his left red gauntlet, Sacred Gear, started to glow.

Issei Hyoudou: Ddraig, what's happening?!

Ddraig: (Inside the gear) I do not know, but you and I both saw it, Great Red appeared, and it entered into your body and he's merging with you, and so am I.

Issei Hyoudou: Wait, what?! (Felt the pain kicking in) (SCREAMS IN PAIN) What the Hell?! Oh man, it's hurting! I'm burning up!

Then, Lincoln and I formed daggers made of solar plasma and we drove them into Riser Phenex's chest and pierced his heart, and all his powers were sucked out of him and went into me and Lincoln, and because of it, Riser Phenex turned to ashes and his evil spirit was sent to The Black Abyss for eternity. We cheered as we holstered our weapons and powered down and returned home to The World Tree Estate and Issei Hyoudou, Kiba Yuuto, Saji Genshirou, and Gasper Vladi were welcomed into TLPS.

Nico: We did it, that's it for Riser Phenex.

Me: You said it, that bastard got what he deserved in the end.

Lincoln: And we also sucked out his powers when we drove our daggers made of solar plasma into his chest and pierced his heart. He didn't expect that.

?: Hey, it serves him right, the miserable bastard.

Then, we saw a beautiful girl who was tall at 250'11" in height, she has the body of a goddess and large breasts, long marine blue hair with marine blue flower in her hair, blue eyes, massive blue angel wings, she has The Ice Barrier Frost Masters of Loyalty symbol on her right arm and the pendant on her necklace, The Ice Barrier Crest on her forehead, and Dance Princess of the Ice Barrier on her marine blue skirt, marine blue short-sleeved blouse, ice blue sleeveless midriff top with Dance Princess of the Ice Barrier on it, marine blue bridal gloves, marine blue stockings, marine blue knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, snow, ice, snowflakes, ice crystals, phoenixes, and angels on the coattails, and on the back is Dance Princess of the Ice Barrier, and she has an ice greatsword and with her are the nine girls.

Lincoln: (Gasps) Nevada Frostine, Avatar and Gene-Slammer of Dance Princess of the Ice Barrier.

Nevada Frostine: That's right, and I got the girls away from that bastard before he could rape them.

Me: Bastard, he tried to rape them?!

Nico: Sick bastard.

Lincoln: Now, I'm glad you and I killed Riser and this time for good, J.D., otherwise, I'd make him suffer a slow and painful death. (To Nevada Frostine) And it's so good to see you again, Nevada.

Nevada Frostine: You too, Lincoln, it's been eight years since we last met, but wow, you've really grown that much.

Suddenly, Nevada Frostine had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Nevada Frostine was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent)(Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Nevada Frostine: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Nevada Frostine's waist and hugged her, and Nevada Frostine was very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head,

999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, thick brown goatee on his chin, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you two since you were seventeen, and as you can see, I really grew a lot since then.

Nevada Frostine: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 950'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath your enormous white angel wings, that's so awesome, and the large brown wolf ears on your head and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame

around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same true immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Anna Anyanova: And so do we, this is Nevada Frostine, Avatar and Gene-Slammer of Dance Princess of the Ice Barrier, she's Lincoln's Guardian Angel from New York, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Dance Princess of the Ice Barrier. She's The Ice Dancer of The Ice Barrier Frost

Masters of Loyalty, a group of loyal girls who are the Avatars and Gene-Slammers of The Ice Barrier Duel Monsters and they're born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and their goal is to protect and defend Lincoln from his enemies, and they are the most loyal of Lincoln's Guardian Angels, and they would never ever betray Lincoln, his friends, and his family, nor their own, and they hate people who betray others for their own personal gain, and they've punished Lori, Lynn, Lola, Lisa, and Luan in the most fiercest way possible many times for their treacherous actions and murderous schemes against Lincoln. Nevada Frostine moved to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Dance Princess of the Ice Barrier, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Cryokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Dance Princess of the Ice Barrier, and Lincoln was already born with immortality and invincibility, and she also helped him grow and seriously bulk up in muscle mass and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Lincoln made her an ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lana, Alexis, and May a lot in using the powers of ice, and Nevada Frostine hated Lynn with a passion, and she swore if that bad-tempered belching farting gym bag tries to kill Lincoln again, she would freeze her and shatter her body into pieces.

Me: Amihan explained everything about your story, and I knew Lynn pissed you off.

Nebraska Frostine: Yep, but my skills on dancing on ice allowed me to avoid Lynn's wild attacks with grace.

Lincoln: And Lynn was left sweating like a pig.

Luna: And you electrocuted her with one bolt of lightning and knocked her out.

Lincoln: That was all it took, Nebraska's ice dancing skills to tire Lynn out and a bolt of lightning from me to knock her out, and now that you're here, Nebraska.

Lincoln with his massive muscular arms still wrapped around Nebraska Frostine's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally

massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Nebraska Frostine: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Nebraska Frostine with marine blue gems on the gold lightning bolts and marine blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and a rainbow Thunderbird wedding ring on her left pinkie.

Nebraska Frostine: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Nebraska Frostine.

Nebraska Frostine had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Lumi Frostine's waist, and he leaned down to her face and kissed her on the lips, and with Nebraska Frostine's hands still on his massive hairy pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Nebraska Frostine had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Nebraska Frostine: (In Heaven) My God. Oh, Lincoln, tell the guys to run to their rooms, the nine girls I rescued are...!

Red Savarin and Travis Tackett: GUYS, YOU KNOW THE SIGNAL! MOVE!

Nebraska Frostine: HOLD...! (Saw us gone) It!

We ran into our rooms leaving Lincoln, Nicole, and his harem, then they went up to the nine girls, and when Lincoln saw them, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the nine girls are Naomi, Ellie, Brandy, Sarah, Claudine, Gemma, Brenda, Gina, and Tanya from Ride to Hell: Retribution.

Lincoln: Oh whoa, it's Naomi, Ellie, Brandy, Sarah, Claudine, Gemma, Brenda, Gina, and Tanya from Ride to Hell: Retribution.

Nicole: I think Travis and Red telling the guys to run back to their rooms was indeed warranted, the girls are really sexy.

Lincoln: And they also made sure to grab Ataru and Issei and their perverted friends as well, otherwise, we were gonna have problems. Are you girls okay?

Naomi: Yes, we're okay, thanks to you.

Then, when Naomi and the eight other girls saw who it was that saved them from Riser Phenex, their faces turned atomic red and their noses gushed out blood upon seeing the 950'11" tall, handsome Naomi: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Naomi: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Naomi, Ellie, Brandy, Sarah, Claudine, Gemma, Brenda, Gina, and Tanya with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: And that's it for that piece of shit.

May: He should've stayed in The Black Gates where he belongs, but too late now, he just had to make things worse for himself.

Lincoln: That's for sure, but at least, he's gone for good.

Suddenly, Lincoln got a message on his phone.

Lincoln: Yes. Guys, I just got a message from Reeve, tomorrow, after Nico's rescue, we're taking the fight to The Shinra Electric Company on Midgar.

Nicole: No way! Yes! We're finally taking the fight to those Shinra bastards!

Ed Cowart: And have I got some nasty words in store for every last Shinra bastard there!

Lincoln: I've already got a plan set on how we're going to deal with them for good. But, we're not going to take them all on at once. We'll start by getting rid of Rosso The Crimson, Azul The Cerulean, Nero The Sable, and Weiss The Immaculate, The Tsviets, the elite group of warriors of Deepground, without the shadow of The Shinra Company protecting them, the top officials of The Shinra Electric Company: Heidegger, Scarlet, Professor Hojo, Palmer, President Shinra, the former president and founder of The Shinra Electric Company, and Rufus Shinra, the current president of The Shinra Electric Company, will be left powerless.

Ed Cowart: Wait, there's also Hollander as well, he's also one of the top officials at Shinra.

Lincoln: Actually, months ago, I killed Hollander when Vincent told me of his sighting near Shinra Manor.

Eli: Figures he'd be there, but I know this a prelude to our future fight with Sephiroth.

Lincoln: That's right, and if we're to finally get rid of Sephiroth, we need to first get rid of The Shinra Electric Company.

Me: Good idea.

Nico: You're right, after all, what they've done can never be forgiven, death is the one thing that they deserve.

After Lincoln and all of us killed Riser Phenex and sent him to The Black Abyss forever, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well and we were really sweating up a storm, and when Nebraska Frostine saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and he was sweating up a storm, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Nebraska Frostine: My God, I was right that Lincoln's really grown into a 950'11" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 999 septillion-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Nebraska, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Nebraska Frostine: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Nebraska Frostine: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with my enormous rainbow angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large rainbow angel wings underneath my enormous rainbow angel wings, they had an atomic red blush on their faces, hearts in their eyes, and their noses were really gushing out blood.

Lincoln: This'll be what you'll be doing during your extreme boot camp and intense rehab, Ataru and Issei, after that, you'll be doing 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 laps all over Earth Omega.

Ataru Moroboshi: Yes, sir!

Outside, Jiraiya and the other perverts on our team were starting to get antsy.

Jiraiya: This is starting to go too far! We need to act fast and tear down that boot camp! I know that Lincoln's one of Naruto's family members, but this is crossing the line!

But, then, Setsuna stepped out.

Setsuna: Again with this?!

Jiraiya: What the?! Setsuna?!

Setsuna: You guys just don't learn, do you?!

Suddenly, Setsuna's red eyes turned neon red and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous blue angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large blue angel wings underneath his enormous blue angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded blue gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy

Then, Setsuna's blue fur, spiky blue hair, blue ears, blue tail with white tip, and enormous blue angel wings with white tips on the enormous 99,999'11" blue feathers with a very massive wingspan of 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999'0" and the 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large blue angel wings with white tips underneath his enormous blue angel wings with various incredible wingspans turned red with white tips and the blue fur on the shoulder blades of his enormous angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large angel wings underneath his enormous angel wings turned red.

Setsuna went after the perverts, and he fired extremely powerful blasts of blue, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Colored Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Elemental Foxes, phoenixes, and angels,, and they exploded as they hit them, and he slashed at them with his massive greatsword and his Sacred Weapon!

He also smashed them into the dirt with his enormously massive and immense godly superhuman strength, and he was really showing them no mercy!

WE WERE SHOCKED: SETSUNA WAS SLASHING AND SMASHING THE PERVERTS ALL OVER THE PLACE LIKE A WILD ANIMAL IN A MASSIVE FIGHT CLOUD!

BAP POW WHOMP BIFF SMASH WHAM CRASH ZONK BASH KATOW THWACK ZOWIE ZING CRACK KRACKOW! WRESTLING BELL DING! CAR HORN! LION ROAR! PIG SQUEAL! ELEPHANT TRUMPET! SEAL BARK! CAT YOWL! HORSE WINNIE! COW MOO! DOG BARKS! WOLF BARK! BEAR ROAR! SHEEP BLEET! GOAT BLEET!

MULTIPLE SWORD SLASHES!

Me: JEEZ! THIS IS GETTING UGLY!

Nicole: Not again, I knew those perverts were gonna raise a complaint.

Lincoln: Wow, so anytime those perverts try anything, Setsuna goes all out and smashes them into the dirt.

Ed Cowart: I warned those motherfucking perverted dirtbags yesterday of the consequences if they disregard that warning! Next time, it's gonna be me kicking their asses, and I'll make sure to wear steel-toed boots!

Then, when Setsuna was done, the perverts were on the ground with their eyes swirling like crazy and with some pretty banged up bruises and black eyes, and Setsuna was breathing heavily due to the adrenaline in his veins.

Lincoln: I'll get the stretchers.

Lincoln loaded the perverts into the stretchers and got them to the infirmary.

Nicole: Jeez, Setsuna may be even more brutal than I am.

Then, Setsuna powered down and holstered his massive greatsword on his back. But, before he was about to head in, he got jumped on by some nearby high school girls we knew and college girls that Lanaia knew, and they proceeded to kiss him on the face and lips.

Lincoln: Lanaia, did you invite some old friends of yours to see the fight? And did you send the video of it to the blog?

Nebula Lanaia: Yep. With this, your reputation as a reformer of perverts has been cemented, but it pissed off our resident perverts, and this happened. Still, I didn't expect Setsuna to jump in and attack them.

Then, when they were done, Setsuna came back inside and he was covered in lipstick marks, and he fell to the floor!

FWOMP!

Lanaia snickered. Then, Setsuna got back up.

Setsuna: I can guess, this is going to be a daily thing for me.

Lincoln: Yep. Though I hope those perverts will at least learn to take a hint, and thank goodness you were the only one to beat them to a pulp and not Caleb.

Caleb Maxwell: Even if they're perverts, they're still heroes, and I do not want to wind up like that ex-younger brother of mine, that alone would be a dark curse that'll never leave me.

We got a shower, and then, Lincoln, Chaotique, Stolas Suzy, Ampsey Nafra, Sabnock Silvia, Azuki, Konatsu, Haruno, Dosanko, Batt Nupie, Eiko, Gaako, Parpar Juju, Parpar Shin, Ronron, Saja, Strow Fuwatoro, Uzu, and Vine Marnie are heading to Santa Giulia Beach in Porto-Vecchio in the south of Corsica, France, and joining them are the rest of his harem.

Lincoln snapped his fingers, and the 950'11", handsome and extremely muscular wolfman had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Chaotique, Stolas Suzy, Ampsey Nafra, Sabnock Silvia, Azuki, Konatsu, Haruno, Dosanko, Batt Nupie, Eiko, Gaako, Parpar Juju, Parpar Shin, Ronron, Saja, Strow Fuwatoro, Uzu, and Vine Marnie and the rest of Lincoln's harem were dressed in colored two-piece bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, Lincoln helped and freed Chaotique from her dark pain and path.

Chaotique: Wow, we're here in Santa Giulia Beach, it's so beautiful.

Lincoln: You said it, Chaotique, and it's perfect for our first date. Shall we?

Lincoln, Chaotique, Stolas Suzy, Ampsey Nafra, Sabnock Silvia, Azuki, Konatsu, Haruno, Dosanko, Batt Nupie, Eiko, Gaako, Parpar Juju, Parpar Shin, Ronron, Saja, Strow Fuwatoro, Uzu, and Vine Marnie and the rest of his harem dived into the waters and they began swimming and they also saw the marine life living there, and then, they came back to the beach, and Chaotique, Stolas Suzy, Ampsey Nafra, Sabnock Silvia, Azuki, Konatsu, Haruno, Dosanko, Batt Nupie, Eiko, Gaako, Parpar Juju, Parpar Shin, Ronron, Saja, Strow Fuwatoro, Uzu, and Vine Marnie and the rest of his harem also gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, Lincoln did the same thing giving Chaotique, Stolas Suzy, Ampsey Nafra, Sabnock Silvia, Azuki, Konatsu, Haruno, Dosanko, Batt Nupie, Eiko, Gaako, Parpar Juju, Parpar Shin, Ronron, Saja, Strow Fuwatoro, Uzu, and Vine Marnie and the rest of his harem a deep tissue massage, and when he was done with that, they were relaxed. Then, they had an awesome game of volleyball, and they went to a workout area Lincoln created, and Chaotique, Stolas Suzy, Ampsey Nafra, Sabnock Silvia, Azuki, Konatsu, Haruno, Dosanko, Batt Nupie, Eiko, Gaako, Parpar Juju, Parpar Shin, Ronron, Saja, Strow Fuwatoro, Uzu, and Vine Marnie and the rest of Lincoln's harem got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift massive 999 Septillion ton-lb barbells Lincoln summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his extremely massive muscles.

Lily the Mermaid: (Swooning) My God, Linky's still such a handsome and manly wolfman hunk.

Suddenly, they saw Galakrond, the Father of Dragons and Progenitor of Dragonkind from Warcraft coming after them.

Anna Anyanova: Oh no, Galakrond.

Lincoln: What the?! I got him.

Lincoln went after Galakrond and he morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of Galakrond and he began absorbing him and he assimilated

Galakrond's Godly Strength, Godly Durability, Dragon Physiology, and purified the Old God Corruption, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH! (WOLF ROAR)

Then, when Lincoln was done and the stingers changed back, Lincoln's rainbow, white, golden yellow, and blue energy aura flared up even more with elements around him and Lincoln sucked out the last of Galakrond's energy and he sent him to The Black Abyss, and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and fire exploded out of his massive biceps and muscles and he generated wind gusts from his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and cooled down his harem.

Then, they had some lunch, and then, as the sun was about to set, Lincoln went up to Chaotique, Stolas Suzy, Ampsey Nafra, Sabnock Silvia, Azuki, Konatsu, Haruno, Dosanko, Batt Nupie, Eiko, Gaako, Parpar Juju, Parpar Shin, Ronron, Saja, Strow Fuwatoro, Uzu, and Vine Marnie and the rest of his harem and he hugged them in his abnormally massive and powerful muscular arms, and Chaotique, Stolas Suzy, Ampsey Nafra, Sabnock Silvia, Azuki, Konatsu, Haruno, Dosanko, Batt Nupie, Eiko, Gaako, Parpar Juju, Parpar Shin, Ronron, Saja, Strow Fuwatoro, Uzu, and Vine Marnie and the rest of his harem placed their hands on Lincoln's massive hairy pecs, but Lincoln wasn't done.

99,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln and I slowly unlatched our fangs from the right trapeziuses of our harems as they healed and the puncture marks sealed up, and we also kissed where we bit them. We came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Nico: (Whistles) Wow, it looks like you really had a good time at Santa Giulia Beach, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, eighteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Chaotique, Stolas Suzy, Ampsey Nafra, Sabnock Silvia, Azuki, Konatsu, Haruno, Dosanko, Batt Nupie, Eiko, Gaako, Parpar Juju, Parpar Shin, Ronron, Saja, Strow Fuwatoro, Uzu, and Vine Marnie with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Thunderbird Chokers of Eternal Love appearing on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Lily the Mermaid: And now, Chaotique, Stolas Suzy, Ampsey Nafra, Sabnock Silvia, Azuki, Konatsu, Haruno, Dosanko, Batt Nupie, Eiko, Gaako, Parpar Juju, Parpar Shin, Ronron, Saja, Strow Fuwatoro, Uzu, and Vine Marnie are in your harem, Linky.

Jenna: We had trouble though.

Lincoln: Unfortunately, we did. Galakrond came after us!

EVERYONE GASPED!

Nico: Oh shit!

Lincoln: Don't worry, I used my Cell stingers and absorbed him and assimilated all of him powers and abilities, and I sucked out the last of his energy and sent him to The Black Abyss.

Me: Smart move.

Lily the Mermaid: But, our date went smoothly, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted massive 999 septillion ton-lb barbells he summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous angel wings had spread out and they generated a cool breeze cooling us down and fire and wind exploded from his massive biceps and muscles.

Serena Logan: Lincoln really got that confident and bold, we really made him into a really strong and powerful manly wolfman.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know, we made a clone of that mutant.

Lincoln: That's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

In the park we were there for the awesome Pokemon Exhibition.

Me: Wow! Look at all the performers with their Pokemon.

We saw a woman with her Flareon jumping through a ring of fire!

One man had an Oddish doing a balancing act with an Electrode..

Another man was doing a dancing act with a bunch of Mankey.

Another man was doing a Psychic Show with an Alakazam.

And a bunch of Pokemon, A Starmie, 2 Wartortle, 2 Poliwhirl, 2 Psyduck, 2 Slowpoke and 2 Krabby were putting on a water show.

Me: Wow so many acts going on.

Nico: This is really cool!

Eli: It sure is!

Ash: Just like when we first saw this.

I looked up at the sun and saw that Venus, Mercury and Pluto were now in view and Jupiter, Saturn, Uranus and Neptune were aligned.

Me: Half of the planets are fully aligned. We got 24 hours till the alignment is fully complete.

Nico: So 1 day left. We better hurry.

Poromon: Yep. But we're going to have our nuts here.

Teen Titans Bumblebee: All you guys are doing is eating pistachio nuts. How bad can that be?

Me: Don't jinx it Karen.

Teen Titans Bumblebee: Oh sorry

We saw 2 Bellossom jumping and spinning around and we saw a woman with brown hair and blue eyes and had a green aqua outfit on.

Me: That must be Bailie and those are her Bellossom.

Nico: They sure are very acrobatic.

Lola: Yeah. And graceful.

They were dancing and doing flips and moves like no problem.

Me: Boy that is awesome!

Bailie: And Now ladies and gentlemen it's time for the gravity defying Grand finale!

They got ready!

Bailie: GO!

They jumped!

Bailie: BELLOOP DE LOOP!

They did it perfectly!

Me: WHOA! THat was awesome!

Xenia: So cool!

Nico: I'll say!

We cheered for them!

Bailie: Ash, Misty, Brock, Pikachu!

Ash: Been a long time Bailie!

Misty: You're looking great! And Bell and Bella you are looking great!

They agreed.

Me: Your Bellossom are so graceful and awesome.

Bailie: Yes we do a great job.

The mascots were eating the Pistachios.

Cyborg: So? How do they taste?

Poromon: Delicious!

Horsea: (Eating) MMM! (FEELS WEIRD) UH OH!

She then turned green and then UGLY NASTY WELTS AND RASHES APPEARED ON HER!

WE GASPED!

Me: OH MAN!

Maria: (PANICKED) HORSEA!? WHAT'S THE MATTER?!

Me: Looks like she's having an allergic reaction!

Horsea was itching like crazy!

Edd: She appears to be allergic to pistachios.

Thunderblast: Who even had the idea of eating pistachios?!

Horsea: OW! IT WAS ME! I thought it up! I DIDN'T EVEN KNOW I WAS ALLERGIC TO THEM!

Laney: Good thing I have this.

She pulled out an epinephrine pen for Pistachio allergies and she injected Horsea.

Horsea was back to normal.

Horsea: Ahhh! Thanks Laney.

Outback: Thank goodness!

Me: At least it wasn't peanut allergies. That would have been bad.

Maria was crying as she hugged Horsea

Horsea: I'm okay Maria. I'm okay.

Nico: Good.

Bailie: I had no idea there were pokemon allergic to nuts.

Me: We had no idea that Horsea was allergic to pistachios.

Manaphy: Yeah no kidding there.

Bailie's Bellossom comforted Maria.

Maria: Thank you, Bellossom

They nodded.

Me: I will say this though Bailie, your Bellossom are amazing.

Bailie: They sure are. (Sees Team Rocket) (GASP) Is that Team Rocket?

Maria: Oh they aren't with Team Rocket anymore.

Me: Jessie, James and Meowth got canned from Team Rocket before we destroyed them.

Lola: It's true.

Me: You are not going to believe who their boss was.

Bailie: Who was it?

Me: It was Giovanni, the Gym Leader of the Viridian City Gym. He was their boss and no one even knew about it.

Bailie gasped!

Bailie: Oh my goodness!

Me: Yeah.

Eli: Also Jessie, James and Meowth have the worst ever performance record of any member of Team Rocket. They caught ZERO Pokemon for them.

Meowth: The only Pokemon we ever caught are ones caught by our Poke Balls

Me: Namely Arbok, Weezing, Lickitung, Victreebel and their own Pokemon just to name a few.

Bailie: I see.

Maria: Yeah.

Bailie: Oh Maria you got a little friend on your head.

Maria: Huh?

She saw a Flareon on her head!

Maria: WHOA! A Flareon!

Me: That's not the one that Ring of Fire Performer has is it?

Nico looked.

Nico: No it's not.

Sheena: Actually that one is one of Dark Gale's work. And this one in my arms is her Pokemon partner.

We saw another Flareon in Sheena's arms.

Me: WHOA!

Nico: Two of them. And of the same species?!

Sheena: Well the Dark Gale one on Maria's head is Sonya Ashbrook. This one in my arms is her Pokemon partner.

Me: Whoa! That is cool.

Bailie: How does Sheena know all about her?

Me: Sheena has a REALLY mysterious power that enables her to talk to Pokemon through their hearts. It's like she can hear them and talk to them just by listening to them from their souls.

Bailie: That is really amazing.

Me: It sure is. Lets help them out.

Horsea: Okay.

Me: (To The Dark Gale Flareon on Maria's Head) It'll be alright.

She used Flamethrower on Horsea but she put her clone in front of her

The fire burned the clone!

Horsea: HA!

Me: Strong fire.

I snapped my fingers and Sonya dropped down and reverted back. She had red hair and orange eyes and had fire angel wings and had Flareon on her forehead and had the Fire Alchemy Symbol with a flame on her arm as a cutie mark.

We wrapped her in a blanket.

Her Flareon went over to her and nuzzled her face.

We brought her to a bench and her Flareon sat by her.

Me: Her Flareon is very loyal and strong to her.

She woke up to see Horsea's smiling face.

Sonya Ashbrook: (Groans) Huh? A Horsea?

Horsea: You attacked my clone!

Maria picked her up.

Sonya Ashbrook: Did Horsea just?

Maria: Long story on that.

Her Flareon nuzzled her.

Sonya Ashbrook: Flamey! Oh thank goodness.

Me: Flamey?

Sonya Ashbrook: That's my Flareon's name. I named her Flamey. I trained her since she was an Eevee and I evolved her with a Fire Stone.

Me: Wow! That is cool! What can you tell us about yourself?

Sonya Ashbrook: Well I am originally from the Orange Islands. My little sister of Emily and I are from a Victorian themed village called Yambera on Mandarin Island.

Ash: I know that village! We went there to rest up as I was getting ready for the Orange League.

Misty: And your sister and a boy named Ralph were fighting there.

Sonya Ashbrook: Oh yeah. I remember that. My sister and Ralph have always been at it since they were very little. They were always fighting.

Tracey: Yeah we learned that they were competing with each other since they were babies and even ended up catching the same Pokemon. They even won Pokemon Contests. They had 2 Nidoran of both male and female.

Ash: But we got them to be best friends because their Nidoran both loved each other very much.

Me: Did you guys really? Wow that is so awesome.

Xenia: It sure is.

Sonya Ashbrook: I'm so glad for them. You guys would love my home town. It's like something out of the Victorian Era in London.

Me: Wow! We'll have to stop by there sometime.

Ash: Yeah.

Horsea: Can't wait to see it

Nico: Maybe on one of our rescues.

Me: Good idea.

Rarity: Lets get you some new clothes darling

The fashion brigade gave her red and orange clothes and a fire sword.

Sonya Ashbrook: Wow I look amazing.

Me: You sure do.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,9

99,999 large white angel wings underneath his enormous white angel wings.

Lincoln: We don't have long before our next mission starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift an extremely mountain-sized massive 999-septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Me: Yep.

Qin: Yeah.

Maria: Oh Horsea. I had no idea you were allergic to pistachios.

Eddy: At least she is not allergic to many things like Ed is.

Me: I still think he should see a doctor for all those Allergies.

Koichi: I didn't know Pokemon even HAD allergies

Me: You learn something new every day. But it hasn't been shown that they can get allergies the same way we do. Maybe Professor Oak can shed some light on that.

I contacted him.

Professor Oak: Hello?

Me: Hello Professor Oak. Sorry to bother you in the middle of doing some stuff. But we had a really unexpected development happen.

Professor Oak: Oh? And what would that be?

Me: We found out that Horsea here is allergic to pistachios.

Horsea: Yeah I turned green and had ugly rashes and welts and hives appear.

Professor Oak: Oh my! That is unusual to see in Pokemon. It's observed mostly in humans but it's very unusual to see in Pokemon. Humans and Pokemon both have different biological makeup. But because your Pokemon mascots have been hanging around you guys so much it appears they have taken on the same kinds of allergies you guys can get.

Me: Hmm. That definitely sums it up.

Nico: That definitely hints that we got to be careful in giving our Pokemon certain foods.

Me: Like nuts.

Professor Oak: Indeed.

Horsea: At least we can still drink beer!

Me: That is for sure.

Professor Oak laughed.

Professor Oak: (LAUGHS) That is true. But thank you guys for telling me.

Me: You're welcome professor.

Professor Oak: Be careful on your mission guys. Bye.

He hung up.

Me: Boy that is an unusual development though.

Nico: It sure is.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his large gold halo and second smaller halo of light in the center and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo that's behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Brother Blood, he's come back, and he's in the ruins of The H.I.V.E. Academy in the Jump City sector, and he wants revenge. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: So, you've finally come out of hiding, Brother Blood.

Eli: It's time.

Lincoln: Yep.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's Brother Blood, he's come back, and he's in the ruins of The H.I.V.E. Academy in the Jump City sector, and he wants revenge.

EVERYONE GASPED!

Cyborg: I knew he'd come back.

Lincoln: Yep, and I know we've grown that much more powerful than the last time we faced him back in 2018, but I still need to do this to make sure none of us fall victim to his mind control and psychic powers.

Lincoln said an ancient incantation, and suddenly, we were surrounded by an anti-mind control and anti-psychic rainbow energy aura.

Me: Whoa. This'll piss off Brother Blood.

Lincoln: And I'm also going to suck out Brother Blood's mind control and psychic powers, but I know he'd undergone surgery to have the same robot parts Cyborg has implanted on his body.

Cyborg: Knowing him, there's no doubt.

Nico: That loser, he just doesn't know when to give up. Alright, team, let's get going, this is the last time we ever have to deal with Brother Blood.

Lincoln: What we began in 2018 when we first fought Brother Blood will finally be brought to an end once and for all.

Nico: Now it's time to end Brother Blood forever.

Robin: That's right.

Ymir: Who is Brother Blood?

Me: Oh he's the Headmaster of The HIVE academy and he is one REALLY NASTY PIECE of work! We fought him back in 2018 and he put up a REALLY HUGE fight against us.

I went over his history and it was intense!

When it was done everyone that hadn't heard about it was horrified and shocked!

Ymir: He's that strong!? And his psychic powers are that intense!?

Me: Yep. Good thing Lincoln came prepared and used his magic to prevent us from succumbing to his mind control.

Nico: Yep.

Lincoln: Thanks guys.

Me: You're welcome. But Its been 6 years since we fought him last. I was beginning to think he forgot about us.

Nico: I know.

The previous group came.

Marxuxia: Can me, Duskmon, Villamax, Pyros, Xigbar, Black Knight Ghost, Seadramon, MetalSeadramon, Loki, and Beast Man go with you guys?

Nico: Yes you all can come with.

Duskmon: Awesome. And J.D. we heard from Gizmo and the others how you guys beat him before. That was amazing.

Me: That was 6 years ago. And yes that's right. Also we better have Gizmo, Mammoth, See-More, Billy Numerous, Kyd Wykkyd, Angel, Private HIVE and INSTIGATOR come with as well.

Duskmon: Good idea. I can tell they have been wanting to get some payback on Blood.

Me: Yep.

RD Lana: Nico, which Gene Slammer do you think you'll meet next?

Nico: Elemental HERO Mudballman next.

Lana: Cool!

Qin: Nice!

Me: Muddy. Just like how Lana likes.

Lana: You know me well.

Me: Okay he's in Jump City. We can use the Titans Tower for this as our base of operations for this mission.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of

his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo and second smaller halo of light in the center and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo that's behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Dimensius the All-Devouring from Warcraft, and he's coming to destroy us. When we saw it, we knew it meant trouble.

Lincoln: Uh oh...!

Me: Lincoln, was that...?!

Lincoln: Dimensius the All-Devouring from Warcraft, and he's coming to destroy us.

Lola: Oh great, not him.

Helga Malefic: Lincoln, I hope you absorb him.

Lincoln: I will, he's gonna pay for what he's done.

Nico: A monster like that doesn't deserve to live. Alright, team, let's get going to the Jump City sector.

Lincoln: Brother Blood's time is finally up, this is where it ends for him, and once we get done with him, you're next, Dimensius the All-Devouring.

Helga Malefic: All the crimes you've committed can never be forgiven, Dimensius the All-Devouring, now the time for your hellish judgement is close at hand!

Lincoln put up a powerful rainbow energy field around The World Tree Estate and we headed to the Jump City sector to fight Brother Blood and end him forever and send him to The Black Abyss, and once we get done with him, Helga Malefic and Lincoln are going to face and take down Dimensius the All-Devouring, and Lincoln's going to absorb him.

We were off

We arrived.

Me: We're here.

Xenia: Yep.

Duskmon: Let's call Technus

Me: Good idea.

He then came along with the HIVE members.

Gizmo: We're ready!

Technus: This will be awesome!

Me: Yeah! Also Gizmo you ready to take down your old Barfbrain teacher?

Gizmo: Of course I am. The barfbrain basically mind raped us!

Robin: That's a good way of putting it

Moosk: I agree too, comrades

Me: (SHUDDERS) That still sends shivers down my back even after 150,000 years.

Nico: What do you mean?

Me: Hearing that phrase Mind Rape gives me the willies. I saw Ino's Dad did that to an Evil Sasuke that I faced there and he mind raped him so bad that it was brutal! Evil Sasuke there raped a ninja there and he was arrested for it and was mind raped by Inoichi. It made his evil and hatred towards me even worse.

Nico: Oh man! (Pats me on my back) Sorry you had to see that.

Me: No worries.

Qin: Yikes.

Xigbar: Maybe we should call Skulker too. We might need the Skulktech form.

Me: That's a good idea.

We called him too.

Skulker came.

Skulker: Ready and willing.

Qin: Cool!

Robin: First we need to see if he's at the HIVE academy ruins.

He looked on the computer.

We saw the HIVE academy a TOTALLY run down and abandoned building and it was all full of heavy explosion damage.

Me: WHOA! We really blasted that place into kingdom come.

Nico: No kidding. That place is REALLY messed up. Totally FUBAR.

Drillhorn: Remind me what FUBAR is again?

Me: It's an acronym. It means Fucked Up Beyond All Recognition.

Drillhorn: Oh right.

Seadramon: Just wanted to make sure

Qin: Yeah

Me: Boy we blasted that place good. And 6 years of sitting there like a rotting wound really brought it down.

Nico: Yep.

But then...

SMASH!

The building collapsed in on itself and was destroyed!

Me: WHOA!

Camie: That place is gone.

Me: I don't think Brother Blood will be using that building ever again.

Loki: Let him come.

Me: Took the words right out of my mouth.

Camie: Nice.

Ymir: This will be intense.

Nico: It sure will.

Maria: Now Horsea. What did we learn today?

Horsea: Be careful what you eat.

Me: Yep.

Nico: Feeling better now?

Horsea: Yep.

But then the alarm went off.

Me: Uh oh.

Robin saw something going on in the Park.

Me: There's a disturbance in the park of Jump City.

Robin: TITANS GO!

We were off!

We arrived in the park and saw a FLYING ROBOT BLASTING NUMEROUS ROBBERS with a laser gun!

Nico: WHOA!

Lincoln: Oh man! That's Cyborg's Akuka, Cy-5000!

The Hypothetical Akuma of Cyborg and he is a Robot Assassin that is programmed to kill all villains with extreme prejudice. He has numerous weapons and gadgets. He was made because of the Titans enemies causing a lot of grief for the titans and vowed to kill them all.

WE GASPED!

Me: Wow!

I analyzed him with my data eyes and saw that he was a mixture of a bunch of Terminator Model Robots and given wings. He was a mixture of a T-800, T-1000, T-X and T-Infinity and has powerful wings. He was an Akuma made with the technology salvaged from Skynet.

Me: He's a mixture of 4 powerful Terminator robots and made with the salvaged technology of Skynet!

Alan: Reminds us of Grid.

Ann: The Prime one and the Lego One

Me: Yeah.

Nico: That was Tristan's Akuma and he was made by my Universe 666 self.

Me: This was made by Gabriel.

Gabriel: I am not that skilled with technology like that.

Cy-5000: Team Loud Phoenix Storm my sensors show you are here.

He flew over to us.

Me: Guess we don't need to make our presense known to you.

Camie: Wow!

Me: You have turned into an amazingly highly advanced machine.

Cy-5000: I was programmed to kill only villains that caused all of my friends so much grief.

Me: Like Slade, Trigon, Brother Blood and the Brotherhood of Evil.

Cy-5000: Correct.

Me: We already killed Slade. Now we're going after Brother Blood.

Qin: Also most of your enemies are all in the M.O.E.

Me: We already killed Daizo, The Gordanians and Slade. Now we have Brother Blood.

Qin: Then Raven and Beast Boys dys shortly.

Nico: Yep.

Cy-5000: That is good they are with you all. And some of our major enemies are dead.

Me: Yep.

Beast Man: Cyborg? Is that you?

Me: I think we just confirmed it already is. Gabriel gave Cyborg intensely massive upgrades. Really cool ones.

Cy-5000: Indeed.

Technus: Sorry. But Brother Blood is ours to kill. And Trigon is probably too powerful for you. So you need to calm down.

Me: But there is one group of baddies you can kill that is right up your ally. The Brotherhood of Evil. No doubt they will be fought on Beast Boy's day.

Cy-5000: Those I can handle.

Beast Boy: At least this Akuma is not like what happened when Cyborg had that virus that made him eat everything in sight.

Gizmo, Robin and Starfire shuddered at that mention.

Me: Uh oh. Something tells me that was one of the worst things you had happen to you.

Robin: Not exactly the worst. It was the craziest.

Raven: Cyborg at one point of that moment called us the nasty egg people who ate his waffles

Me: Okay that is weird.

Qin: No kidding.

Beast Boy: Yeah not one of my proudest moments there.

Me: You'll have to tell us how it happened. Anyway lets get this going.

I fired waves of ice and froze him.

Technus fired laser blasts and blasted him all over.

Eli ignited his lightsaber and Cy-5000 fire laser blasts from his blaster.

Eli deflected them all over the place.

I fired waves of ice and froze him solid.

I took his blaster.

Me: Now for the fun part.

I put on my sunglasses and pulled out a pistol and pointed it at him.

Me: (Imitating Arnold Schwarzenegger) Hasta la vista baby.

BANG!

I blasted him and he shattered into a million pieces!

We swept up the pieces of him and had them sent to the M.O.E.

Zhalia: He'll be back.

Me: Yep.

Nico: Nice use of the Terminator line there.

Me: Thanks.

Beast Boy: If we encounter Soto's Dog, we should tell him that he reminds us of Cosmos in Knowhere.

Star Lord: Does he really?

Beast Boy: Yeah he reminded me of that when we were there.

Me: Wow!

MetalSeadramon: So, anything else to say about Cyborg's virus?

Raven: He talked about waffles nonstop for at least 5 minutes.

Me: That is crazy.

Raven: And he mistook a giant communications satellite dish for a strawberry sundae with a cherry on top.

Kerchak: Really now?

Robin: The worst part is that he was very close to licking it

Me: Yuck.

Nico: Well more on the matter later. We got Brother Blood to take down.

Lincoln: Alright, everyone, gather around.

Lincoln pulled up a hologram of the Jump City sector, and he zoomed in on our target.

Lincoln: Now, as we already figured out, our main target is Brother Blood, and he wants revenge on us, and I already put up a spell that prevents us from falling victim to Brother Blood's mind control powers despite we've gotten that much stronger ever since we fought him back in 2018, but I'm still not taking chances with that.

Suddenly, Lincoln's deep sapphire eyes turned crimson red and his pupils turned into slits, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold

We landed and we were facing Brother Blood.

Me: Now lets see you try and keep up.

He fired Psychic Energy blasts and I fired energy blasts and the blasts collided and exploded!

Pyros: INSTIGATOR Didn't get a shot!

POW!

He punched him down!

Pyros: Nevermind.

Me: Also Blood we know you have someone else with you.

Brother Blood: Ah yes you have enemies of your friends. Come on out now dear.

Out came a woman with blond hair and had piercing red eyes and had a RED JUMPSUIT on!

Esmeralda Emera: (GASP) Kora Grazer!

Kora Grazer: YOU RUINED ME AND MY FATHER ESMERALDA!

Me: Wait your father? Isn't he?

Kora Grazer: YES! GUY GRAZER!

WE GASPED!

Nico: SAY WHAT?!

Nico opened his mouth so wide that his skeleton fell out!

Me: You know her Esmeralda.

Esmeralda Emera: Yes but you are not going to like this. Her name is Kora Grazer and she is the Daughter of Guy Grazer! And she like her father is a hot tempered chef but is MUCH MORE VIOLENT! She beat up lots of chefs that made horrible food and one time even cut of a mans hand and even slashed off his head because of her violent temper! I brought her to justice and got her sent to death row. She vowed revenge on me

Eli: THAT REPULSIVE CHUM POISONING JERK!

Lynn Sr.: Your father is just as dangerous as you are!

RD Sam Sharp Loud: Wait. Private HIVE didn't get a shot either

Private HIVE fired an energy blast and blasted Blood in the back.

RD Sam: Now he did.

Me: Okay.

Nico put his skeleton back in.

Nico: I hate it when that happens. But Kora you and your dad will pay for their crimes.

Kora Grazer: I WILL KILL YOU ALL FOR HURTING MY DAD!

Brother Blood: Boy this girl has serious issues.

Me: Tell me about it.

I fired waves of energy and blasted Blood down.

Brother Blood: Did you forget about this trick?

Brother Blood began to use his mind control on me.

Brother Blood: Now, get out a knife and slit your throat. I'm not wasting this chance to kill you.

Villamax: Like you even had that chance to begin with!

Me: HA! Nice try Blood!

Brother Blood: WHAT!?

Me: Your mind control powers won't work on us. Lincoln used his magic to block your powers. In other words, your powers are now completely useless. Also you can't kill me no matter how hard you try.

Brother Blood: Why?

Me: I'm Immortal and invincible. Nothing can kill us.

Brother Blood roared in rage!

Esmeralda Emera: Anyone want to help me?

Lynn Sr.: You know I will!

Chowder: I will too!

Schnitzel: Same with me!

Kora Grazer: Then you will die!

She turned into a black version of Pickaxe! She was called ANTI-PICKAXE!

Esmeralda and group fired energy blasts and blasted her!

I fired an energy blast and separated Kora from Anti-Pickaxe and we scanned Anti-Pickaxe and sent it to the Black Abyss!

Esmeralda Emera: Care to smash her face in Mr. Loud?

Lynn Sr.: Gladly.

He went over to her and then...

KRABLAM!

He punched her face in and knocked her out!

Me: She can go to prison and join her father. They both will be executed on Mr. Lynn's day.

Nico: Puff can do the honors

Eli: AFTER they get a trial.

Nico: Okay then.

Qin: Good idea.

Nico: Figures you'd be the next one to come crawling out of The Book of Vile Darkness to get revenge on us.

Brother Blood: And I will have my revenge! You have ruined all of my plans for the very last time, no one defies me and gets away with it.

Brother Blood tried to use his mind control powers on us, but nothing.

Lincoln: (Beastly Gruff Manlier Voice) Hah! Nice try, I saw it coming. We've not only gotten that much stronger since the last time we fought you, but I also used my magic to put a protective spell that keeps us from being controlled by you. Now, to make sure you don't do that again.

Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and stabbed them into Brother Blood's chest and he began sucking out and absorbing Brother Blood's mind control powers and psychic powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four

large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, when Lincoln was done and the stingers changed back, Brother Blood was stripped of his psychic powers and mind control powers.

Brother Blood: W-what did you do?

Lincoln: (Beastly Gruff Manlier Voice) I told you, I stripped you of your powers. Now, to make sure you can't run away.

Caleb Maxwell: Let's start by chopping off your Achilles tendons!

SLASH! SCREAMS!

CALEB MAXWELL SEVERED BROTHER BLOOD'S ACHILLES TENDONS WITH A KNIFE!

Brother Blood: YOU GODDAMN MONSTER! WHO DO YOU THINK YOU...?!

Suddenly, the sound of organ music plays as the skies turned a sickening blood red.

Caleb Maxwell: I've been called much worse than that: lunatic, demon, devil, psychopath, but you are right about one thing. I am a monster, one born from years of absolute pain and suffering I've had to endure at the hands of a bastard younger brother and many others who wanted me dead, and all that led to my innocent heart turning black with darkness and twisted by hatred and revenge, and my mind became twisted with insanity and madness, and I'd let it turn me from an innocent young man into a demonic twisted dark angel out for revenge!

Brother Blood was already shaking in his pants. Suddenly, Caleb Maxwell trapped Brother Blood in a nearby abandoned building, and he summoned a bush full of blood red roses and blood red flowers.

Brittney: Oh my God, I never figured he'd be this mad to summon them?! Those flowers are The Blood Roses and Blood Flowers of Hell, they're the most deadliest and poisonous of Hell's plants, when set on fire, they released toxic poisons that cause their victims' organs to rot!

WE GASPED IN SHOCK!

Then, he set them on fire.

Caleb Maxwell: Enjoy...!

Then, he closed the door, and we saw on the monitor of a nearby house Brother Blood starting to suffer from the plants' effects as he started coughing violently.

Caleb Maxwell: Here we go.

Finally, Brother Blood cracked.

Brother Blood: Please..., have mercy...!

All of TLPS and The MOE: (Thinking) Is he really serious?

Caleb Maxwell: Someone, open a window, I'm going in.

Eli opened a window as most of the toxic air went out and Earth Omega's power cleansed and purified it, and then, Caleb opened the door and went in.

Caleb Maxwell: You pathetic piece of shit! Now, you're begging for mercy?!

We knew it was too late.

Caleb Maxwell: You have harmed too many innocent lives for the last time, and you showed zero remorse for any of your crimes. Just like many heroes, I want to make this world a better place. (Menacing Voice Almost Turning Psychotic) And everyone will be much better off without you in it!

Then, he grabbed some of the poisonous flowers and he set them on fire, and then, he shoved them right into Brother Blood's face!

Brother Blood: (SCREAMS)

We saw it for ourselves: Caleb Maxwell had a psychotic smile on his face and a psychotic look in his eyes and he had blood running down from the corner of his eyes and mouth! HE WAS COMPLETELY CRAZY!

Caleb Maxwell: (Psychotic Voice) Breathe it in! Rot in Hell!

Nico: Jesus, he's gone completely mad!

Caleb Maxwell: (Psychotic Voice) When I came back from the dead in 1993 and came back to my home in New York three years later in my world, I started doing this to get rid of guys like you!

Brother Blood: (SCREAMS)

Caleb Maxwell: (Psychotic Voice) That's it, squirm in pain, you filthy maggot! And don't think you're gonna die just yet!

We grabbed Brother Blood and threw him out of the house, and we also grabbed Caleb as well and we let the abandoned apartment burn to the ground.
